Secret Home Lore Emma Wilson, 2025-01-07 *Secret Home Lore* explores the fascinating intersection between family traditions and residential architecture revealing how generations have shaped their living spaces to reflect and preserve their unique customs Through extensive research spanning from the 1800s to present day the book examines how over 200 families across different regions have modified their homes to accommodate specific cultural practices and family rituals The emergence of memory rooms dedicated spaces for preserving family artifacts and traditions stands out as a particularly intriguing pattern observed across various cultures and economic backgrounds The book progresses through three main sections beginning with a historical analysis of how immigration and cultural preservation influenced home modifications It then delves into detailed case studies of families who maintained distinct architectural features across generations such as specialized cooking spaces and gathering areas The final section bridges past and present by offering practical guidance for modern homeowners looking to incorporate family traditions into contemporary home design What makes this work particularly valuable is its unique combination of architectural documentation and ethnographic research supported by building permits family diaries and multi generational interviews The text challenges traditional architectural history by emphasizing the active role of occupants in shaping their living spaces while providing practical tools for families to assess their spatial needs and make informed decisions about home modifications that honor their cultural heritage Through accessible language and rich illustrations the book serves both academic researchers and families interested in preserving their residential traditions

Haunted Hotel Shanna Swendson, 2021-10-21 It's the event someone's dying to attend The grand opening party at a new bed and breakfast in a vintage farmhouse that's supposedly haunted poses quite the dilemma for Lexie Lincoln Most of the other guests are noted ghost hunters and since Lexie actually can see ghosts she'll know whether they're frauds and whether the inn really is haunted But showing what she knows or honestly reporting on what she sees and hears would make her sound like a tabloid reporter rather than a serious journalist Ghosts become the least of Lexie's concerns when a flash flood blocks the road out and then one of the guests is found dead Someone in the inn has to be a killer If they don't figure out who there could be more victims It's up to Lexie to enlist the aid of the resident ghosts to break the case and save them all but that may mean revealing her secret talent to the rest of the world Or is an angry ghost the real threat **Secret doors** Dirk Lützelberger, 2020-09-06 Many consultants promise absolute security for money Who would not like to know that their property data and money is safe from thieves A dead man without a murderer guarantees Chief Inspector Gwen Fisher sleepless nights in her second case When a burglary without traces is also reported the LKA is initially helpless Does her 15 year old son have enough knowledge to lead the investigators on the right track Gwen and her colleague take up the challenge and enter a part of the Internet that they had not known until then **A Family Secret** Harry Brooks, 2005-03-14 A Family Secret is a fast moving novel that takes the reader from the streets of South Philly to the backroom gambling joints of Atlantic City in the early forties to the most Mafia infested politically corrupt city in the world Las Vegas It is the story of two half brothers who each follow different career paths One becomes a successful Las Vegas casino owner while the other ends up in the Mafia The authors use of sharp street dialogue makes the characters as real as a royal flush A Family Secret is a gritty sometime humorous story that keeps the reader wondering what will happen next You will meet all kinds of interesting characters in the book People like Fat Lenny Little Pussey and Eddie the hat Weisberg who is more like somebody's old grandfather than a Jewish Gangster The main character Goldy is the essence of every young man's dream Handsome rich and as cool as a winter night And Bobby Cippolini Goldy's half brother a careless cocky young Italian who answers only to the face he sees in the mirror A Family Secret is a story about people as much as it is about gambling and the mob It is a beguiling and sometime witty love story that keeps the reader in suspense until the very end R E V I E W S on Amazon.com Absolutely outstanding book I found myself immersed in the character's lives because of the author's incredible attention to detail The characters were very well developed and it incorporated aspects of business the underworld and family in a realistic portrayal of Mafia life The plot kept me guessing I couldn't put it down Very highly recommended as it is now one of my favorite books Stephanie Cohrac Grand Rapids MI This book was one of a kind A real pageturner It really paints a perfect picture on how life really was back then A must read A big fan Jason Nissan The story takes you through a realistic portrayal of what it was like to be a wise guy in South Philly The story flows well and the characters are well developed to give the reader a visualization of the story The author is currently unknown but won't be after people get a copy
