John Fugelsang

Separated By Hate:

Separation of Church and Hate John Fugelsang, 2025-09-09 In the spirit of George Carlin and Christopher Hitchens the son of a former Catholic nun and a Franciscan brother delivers a deeply irreverent and biblically correct takedown of far right Christian hatred a book for believers atheists agnostics and anyone who ll ever have to deal with a Christian nationalist For more than two centuries the United States Constitution has given us the right to a society where church and state exist independently But Christianity has been hijacked by far right groups and politicians who seek to impose their narrow views on government often to justify oppressive and unequal policies The extremists who weaponize the Bible for earthly power aren t actually on the side of Jesus and historically they never have been How do we fight back against those acting literally in bad faith Comedian and broadcaster John Fugelsang finally offers the answers In this informative perspective shifting book Fugelsang takes readers through common fundamentalist arguments on abortion immigration LGBTQ rights and more exposing their hypocrisy and inaccuracy through scripture common sense and deeply inappropriate humor It offers practical tips on how to debate your loved one coworker or neighbor on the issues that divide us using that Bible they claim to follow But Fugelsang s message is about more than just taking down hypocrites It s about fighting for the love mercy and service that are supposed to make up the heart of Christianity Told with Fugelsang s trademark blend of radical honesty comedy and deep political and religious knowledge *Separation of Church and Hate* is the book every American needs today It s a rallying cry for compassion and clarity for anyone of any faith who s sick of religion being used as a cloaking device for hate

Fanaticism, Racism, and Rage Online Adam Klein, 2017-02-08 *Fanaticism Racism and Rage Online* is a critical exploration of digital hate culture and its myriad infiltrations into the modern online community The book examines radical movements that have emerged both on the fringes of the Internet as well as throughout the web s most popular spaces where extremist voices now intermix with mainstream politics and popular culture This investigation brings to light the different forms of extremist culture on the web from the blatant hate websites to the much more invasive faux social networks racist political blogs and pseudo scientific domains

Separated by Hate Florence B. Smith, 1999-11-01 **Political Expression in Sport** Cem Abanazir, 2022-11-14 This powerful new book looks at how private institutions governing and organising sport restrict political expression Uniquely it makes a case for the freedom of expression for athletes spectators and audiences built upon philosophical foundations In the era of Colin Kaepernick and taking a knee politics and protest in sport have never been more visible and immediate Drawing on a wide range of international cases including protest actions from athletes such as Tommie Smith and John Carlos Naomi Osaka and Feyisa Lilesa as well as the reactions from sport organisations including the IOC FIFA UEFA and the NFL the book argues that the organisation of sport at the hands of associations and leagues and their transnational power to regulate adjudicate and enforce matters according to their interests lead to the restriction of freedom of expression Focusing on the individual the book presents a framework for the defence of freedom of expression in sport on

Wilders conviction for hate speech violates his freedom of expression
