

HELPING CHILDREN COPE WITH SEPERATION & DIVORCE

What to Expect

This is a big change not only for you but for your child as well you may see some changes in them as they process this transition.

Guilt

Children will often place the blame on themselves. Ensure you express that this is not their fault!

Anxiety

Make it clear to the child what to expect. What will their schedule look like now? What will the living arrangements be?

Behaviour Challenges

Create a structured environment with clear expectations. Ensure expectations from both parents are similar!

Regression

Your child may require more parental support in areas in which they were previously independent. Sleep may be disrupted, or they may want to co-sleep. Provide plenty of opportunities to engage in self-care & integrate plenty of 1:1 time with each parent.

Withdrawing

Your child may a bit withdrawn and more independent. Ensure there is a balance between giving space & creating space for 1:1 connection with each parent.

Your Child's Circle of Care

Your child has a large circle of care surrounding them! It is essential to tell those involved, so they are aware & can best support your child if/when big feelings arise when you aren't present!

People to Include

School/Daycare
Extended Family
Emmounisseurs
Parents of Close Friends
Health Professionals (Doctor, Occupational Therapist, Therapist, etc.)

Other Key Elements

Don't feel as though you have to navigate this alone!

Seek out individual therapy for your child, so they can have a safe place to share & process this life change without worrying about hurting their parents' feelings!

Don't forget about taking care of yourself in this experience also! Individual therapy is helpful for everyone!

Separation And Divorce Helping Children Cope

Joanne E. Bernstein

Separation And Divorce Helping Children Cope:

Separation and Divorce Martin Herbert,1996-04-11 The book aims to provide an understanding of the implications of separation and divorce for children with guidelines to help parents prepare children for the break up and cope with the aftermath It includes a look at some of the ways to help children express the powerful painful emotions aroused by their parents decision to separate *Helping Children Cope with Separation and Loss - Revised Edition* Claudia Jarrett,1994-04 Advice for parents and professionals Covers death divorce illness and other challenges *Helping Children Cope with Loss and Change* Amanda Seyderhelm,2019-08-19 Whether it s the grief of bereavement the strain of divorce or the uncertainty of a new home or school loss and change affect children in countless ways Nevertheless teachers and parents frequently find themselves ill equipped to help children struggling with the difficult feelings that these situations and others like them bring *Helping Children Cope with Loss and Change* offers guided support for teachers health professionals and parents Designed for use with children aged 4 10 this guide offers Case studies illustrating various signs of grief and loss to help the caregiver spot and manage a child s pain Therapeutic stories designed to be read with the child and with prompt questions to encourage discussion Creative activities and exercises that can be developed into a therapeutic toolkit to support the child and the caregiver themselves With chapters that move from Loss and Change to Resolution and Resilience addressing the needs of both the child and caregiver *Helping Children Cope with Loss and Change* will be an invaluable therapeutic tool

Helping Children Cope with Separation and Loss - Revised Edition Claudia Jarrett,1994-04-01 A compassionate step by step guide to help children cope with and recover from any kind of loss *Helping Children Cope with Divorce* Edward Teyber,1992 Named One of the 10 Best Parenting Books of the Year by Child Magazine this revised edition teaches you to minimize stress during initial breakups and ultimate separation explain divorce so children don t blame themselves protect children from parental hostilities and navigate conflicts of loyalty and alliance **Caught in the Middle: Helping Children** Audrey M. Pottinger,Pauline Milbourn,2010 Caught in the Middle is a must read for anyone living with or working with children who have experienced parental separation The book looks at how children are impacted when their parents separate whether the parents were married or in a common law union Although the focus is on the experience of children in Jamaica the issues examined are applicable to children across the Caribbean and elsewhere The authors draw on their combined 40 years of professional clinical experience as well as local and international research to examine the behaviours and life changes of children and adolescents whose parents separate Importantly they also speak to the seldom documented grief and hurt that adult children experience when their parents divorce after many years of marriage This book has useful information for everyone It can assist parents to help their children deal with this challenging transition Mental health professionals can learn how to effectively help children and their families manage their symptoms and distress Ways in which other professionals the teacher pastor lawyer or judge paediatrician or family doctor can help are also discussed and

illustrated We believe a comprehensive effort from the adults who interact with the child is needed to ensure the child survives the separation and thrives even though there has been a significant loss Caught in the Middle also speaks directly to children Included in the book is a chapter for young readers which has a therapeutic story and activities that will help children process and begin to talk about their parents separation a critical step in coming to terms with the changes they are experiencing To the many children who shared their experiences with us about their broken families May your stories help others learn from the mistakes and the resourcefulness exemplified in your families Cast all your anxiety on Him because He cares for you 1 Peter 5 7

Emotion Regulation and Psychopathology in Children and Adolescents Cecilia Essau, Sara Leblanc, Thomas H. Ollendick, 2017 Emotions are a cardinal component of everyday life affecting one's ability to function in an adaptive manner and influencing both intrapersonal and interpersonal

processes This book brings together leading experts in the field to provide a guide to dealing with emotional problems in children and adolescents Mental Health Handbook for Schools Mary Atkinson, Garry Hornby, 2015-11-26 This practical and accessible reference book provides information on a comprehensive range of mental health problems that teachers are often confronted with Handbook of Crisis Counseling, Intervention, and Prevention in the Schools Jonathan H. Sandoval, 2001-10 Featuring new chapters on bullying sexual assault natural disasters eating disorders and cultural considerations the second edition of this highly popular Handbook provides a one stop reference for mental health professionals who face a bewildering variety of school based crises Key features include a focus on both prevention and intervention and ongoing discussions of the research that underlies best practice Like the first edition chapters follow a parallel structure that includes the incidence prevalence and impact of the crisis theories regarding precipitating factors discussion of who is at risk for encountering the crisis primary prevention activities methods of working with high risk clients developmentally appropriate methods and intervention activities for individuals and developmentally appropriate methods and activities for groups The result is an unusually coherent volume that is suitable for graduate work in school psychology school counseling school social work and school nursing or as a reference work for in service practitioners **Treating Couples** Gerald R. Weeks, 2013-05-24 In some ways the development of the theory and practice of marital therapy seems like a relative newcomer to those clinicians who practice systems therapy Most of the books in the field stress the total family as the unit of treatment in terms of understanding the dynamics of family interactions and intervention techniques For the past 15 or 20 years clinicians interested in systems work sought training in family therapy programs and at family therapy workshops This training led to a dramatic shift in the practice of psychotherapy away from the individual as the unit of treatment to the family Much less emphasis has been given to the marital dyad or couple as the unit of treatment *What Works with Children and Adolescents?* Alan Carr, 2013-07-23 What Works with Children and Adolescents fulfils the need for a concise empirically based study of the types of psychological treatments that may be effective for common psychological problems in childhood and adolescence Providing a solid foundation for evidence based practice in the treatment of children and adolescents the book offers evidence from over 150 rigorously conducted research trials Examining problems which are of central concern to practising clinicians including child abuse enuresis and encopresis ADHD childhood conduct problems adolescent violence drug abuse anxiety and depression anorexia and bulimia nervosa paediatric pain and post divorce adjustment problems it also highlights priority areas for future research on the treatment of children and adolescents psychological problems What Works with Children and Adolescents complements The Handbook of Child and Adolescent Clinical Psychology Carr 2006 and will be valuable to professionals in training
