Sephardim A Cultural Journey From Spain:

The Sephardim Joshua Stampfer,1987 Sephardic Studies in the University Jane S. Gerber,1995 Nevertheless the teaching of Sephardic civilization was incomplete and Eurocentric with the Jews of Islam an ongoing entity for over a thousand years scarcely figuring in any course offerings *The Sephardic Jews of Spain and Portugal* Dolores Sloan,2015-03-26 Prior to 1492 Jews had flourished on the Iberian Peninsula for hundreds of years Marked by alternating cooperative coexistence and selective persecution alongside Christians and Muslims this remarkable period was a golden age for Iberian Jews with significant and culturally diverse advances in sciences arts and government This work traces the history of the Sephardic Jews from their golden age to their post Columbian diaspora It highlights achievements in science medicine philosophy arts economy and government alongside a few less noble accomplishments in both the land they left behind and in the lands they settled later Several significant Sephardic Jews are profiled in detail and later chapters explore the increasing restrictions on Jews prior to expulsion the divergent fates of two diaspora communities in Brazil and the Ottoman Empire and the enduring legacy of Sephardic history **Encyclopedia of the Jewish Diaspora** M. Avrum Ehrlich,2008-10-03 This three volume work is a cornerstone resource on the evolution and dynamics of the Jewish Diaspora as it played out around the world from its beginnings to the present Encyclopedia of the Jewish Diaspora Origins Experiences and Culture is the definitive resource on one of world history s most curious phenomena encompassing the communities cultures ethnicities and experiences created by the Diaspora in every region of the world where Jews live or Jewish ancestry exists The encyclopedia is organized in three volumes The first includes 100 essays on the Jewish Diaspora experience with coverage ranging from ethnography and demography to philosophy history music and business The second and third volumes feature hundreds of articles and essays on Diaspora regions countries cities and other locations With an editorial board of renowned Jewish scholars and with an extraordinarily accomplished team of contributors Encyclopedia of the Jewish Diaspora captures the full scope of its subject like no other reference work before it The Oxford Handbook of Jewish Studies Martin Goodman,Jeremy Cohen,David Sorkin,2002 This volume on Jewish studies presents surveys of today s interests and directions in the humanities and social sciences It covers the main areas taught and researched as part of Jewish studies in universities throughout the world especially in Europe the US and Israel *The Sephardic Journey, 1492-1992* Yeshiva University. Museum,1992 **The Secret Faith of Maestre Honoratus** Maud Kozodoy,2015-07-29 Until the summer of 1391 when anti Jewish riots spread across the Iberian peninsula the person subsequently known as Honoratus de Bonafide a Christian physician and astrologer at the court of King Joan I of Aragon had been the Jew Profayt Duran of Perpignan The precise details of Duran s conversion are lost to us We do know however that like many other conversos he began to conduct his professional and public life as a Christian even as he rejected that new identity in private What is extraordinary in his case is that instead of quietly making his individual way he began to write works in Hebrew including anti Christian polemics that

revealed his intense inner commitment to remaining a Jew Forced to reconceptualize Judaism under the pressures of his life as a converso Duran elevated the principle of inner intention above that of ritual observance as the test of Jewish identity ultimately claiming that the end purposes of Judaism can be attained through the study memorization and contemplation of the Hebrew Bible Duran also conceived of Judaism as a profoundly rational religion with a proud heritage of scientific learning the interplay between scientific knowledge and Jewish identity took on a central role in his works Drawing on archival sources as well as published and unpublished manuscripts Maud Kozodoy marshals rarely examined facts about the consumption and transmission of the sciences between the medieval and early modern periods to illuminate the thought and the faith of one of Jewish history's most enigmatic and fascinating figures *Farewell Espana* Howard M.

Sachar,2013-08-21 *Farewell Espana* transcends conventional historical narrative With the lucidity and verve that have characterized his numerous earlier volumes Howard Sachar breathes life into the leading dramatis personae of the Sephardic world the royal counselors Samuel ibn Nagrela and Joseph Nasi the poets Solomon ibn Gabirol and Judah Halevi the philosophers Moses Maimonides and Baruch Spinoza the statesmen Benjamin Disraeli and Pierre Mendes France the warriors Moshe Pijade and David Elazar the fabulous charlatans David Reuveni and Shabbatai Zvi In its breadth and richness of texture Sachar's account sweeps to the contemporary era of Mussolini Hitler and Franco poignantly traces the fate of Balkan Sephardic communities during the Holocaust and their revival in the Land and State of Israel Not least of all the author offers a tactile dimension of immediacy in his personal encounters with the storied venues and current personalities of the Sephardic world *Farewell Espana* is a window opened on a glowing civilization once all but extinguished and now flickering again into renewed creativity *A Bibliography of Jewish Education in the United States* Norman

Drachler,2017-12-01 Entries from thousands of publications whether in English Hebrew Yiddish and German on all aspects of Jewish education from pre school through secondary education This book contains entries from thousands of publications whether in English Hebrew Yiddish and German books research reports educational and general periodicals synagogue histories conference proceedings bibliographies and encyclopedias on all aspects of Jewish education from pre school through secondary education **An Early Self** Susanne Zepp,2014-11-19 What role has Jewish intellectual culture played in the development of modern Romance literature Susanne Zepp seeks to answer this question through an examination of five influential early modern texts written between 1499 and 1627 Fernando de Rojas's *La Celestina* Leone Ebreo's *Dialoghi d'amore* the anonymous tale *Lazarillo de Tormes* the first picaresque novel Montaigne's *Essais* and the poetical renditions of the Bible by Jo o Pinto Delgado Forced to straddle two cultures and religions these Iberian conversos Jews who converted to Catholicism prefigured the subjectivity which would come to characterize modernity As New Christians in an intolerant world these thinkers worked within the tensions of their historical context to question norms and dogmas In the past scholars have focused on the Jewish origins of such major figures in literature and philosophy Through close readings of these texts Zepp

moves the debate away from the narrow question of the authors origins to focus on the innovative ways these authors subverted and transcended traditional genres She interprets the changes that took place in various literary genres and works of the period within the broader historical context of the sixteenth and seventeenth centuries demonstrating the extent to which the development of early modern subjective consciousness and its expression in literary works can be explained in part as a universalization of originally Jewish experiences

Soloveitchik's Children Daniel Ross Goodman,2023-07-18 A close study of three of Soloveitchik's most influential disciples in Jewish thought and philosophy

Francophone Sephardic Fiction Judith Roumani,2022-04-13 Francophone Sephardic Fiction Writing Migration Diaspora and Modernity approaches modern Sephardic literature in a comparative way to draw out similarities and differences among selected francophone novelists from various countries with a focus on North Africa The definition of Sepharad here is broader than just Spain it embraces Jews whose ancestors had lived in North Africa for centuries even before the arrival of Islam and who still today trace their allegiance to ways of being Jewish that go back to Babylon as do those whose ancestors spent a few hundred years in Iberia The author traces the strong influence of oral storytelling on modern novelists of the twentieth and early twenty first centuries and explores the idea of the portable homeland as exile and migration engulfed the long rooted Sephardic communities The author also examines diaspora concepts how modernity and post modernity threatened traditional ways of life and how humor and an active return into history for the novel have done more than mere nostalgia could to enliven the portable homeland of modern francophone Sephardic fiction

The Memory Work of Jewish Spain Daniela Flesler,Adrián Pérez Melgosa,2020-12-08 The 2015 law granting Spanish nationality to the descendants of Jews expelled in 1492 is the latest example of a widespread phenomenon in contemporary Spain the re discovery of its Jewish heritage In The Memory Work of Jewish Spain Daniela Flesler and Adrián Pérez Melgosa examine the implications of reclaiming this memory through the analysis of a comprehensive range of emerging cultural practices political initiatives and institutions in the context of the long history of Spain's ambivalence towards its Jewish past Through oral interviews analyses of museums newly reconfigured Jewish quarters excavated Jewish sites popular festivals tourist brochures literature and art The Memory Work of Jewish Spain explores what happens when these initiatives are implemented at the local level in cities and towns throughout Spain and how they affect Spain's present

The Sephardic Frontier Jonathan Ray,2013-01-14 No subject looms larger over the historical landscape of medieval Spain than that of the reconquista the rapid expansion of the power of the Christian kingdoms into the Muslim populated lands of southern Iberia which created a broad frontier zone that for two centuries remained a region of warfare and peril Drawing on a large fund of unpublished material in royal ecclesiastical and municipal archives as well as rabbinic literature Jonathan Ray reveals a fluid often volatile society that transcended religious boundaries and attracted Jewish colonists from throughout the peninsula and beyond The result was a wave of Jewish settlements marked by a high degree of openness mobility and interaction with both Christians and Muslims Ray's view

challenges the traditional historiography which holds that Sephardic communities already fully developed were simply reestablished on the frontier. In the early years of settlement Iberia's crusader kings actively supported Jewish economic and political activity and Jewish interaction with their Christian neighbors was extensive. Only as the frontier was firmly incorporated into the political life of the peninsular states did these frontier Sephardic populations begin to forge the communal structures that resembled the older Jewish communities of the North and the interior. By the end of the thirteenth century royal intervention had begun to restrict the amount of contact between Jewish and Christian communities signaling the end of the open society that had marked the frontier for most of the century.

The Conversos and Moriscos in Late Medieval Spain and Beyond Kevin Ingram, 2021-01-18. Converso and Morisco are the terms applied to those Jews and Muslims who converted to Christianity in large numbers and usually under duress in late Medieval Spain. The *Converso and Morisco Studies* series examines the implications of these mass conversions for the converts themselves, for their heirs, also referred to as Conversos and Moriscos, and for Medieval and Modern Spanish culture. As the essays in this collection attest, the study of the Converso and Morisco phenomena is not only important for those scholars focusing on Spanish society and culture but for all academics interested in questions of identity, Otherness, nationalism, religious intolerance, and the challenges of modernity. Iberia and the Mediterranean World of the Middle Ages, Volume II Kagay, Padilla, Paul Chevedden, 2021-09-20. Brill's series *The Medieval Mediterranean* has established itself as the main forum for studies exploring all aspects of the Mediterranean world during a period of 1000 years. In the medieval period the Mediterranean experienced a multiplicity of developments in social, political, and economic structures and in populations, religions, and cultures. The centuries between the Late Roman world of the fourth and fifth century and the early modern Braudelian Mediterranean of the sixteenth century were characterised by sweeping changes including the establishment of post-Roman kingdoms in the west, the emergence of Slav societies in the Balkans, the struggle between Christians and Muslims in Spain, and the movement of crusaders. Founded in 1993, *The Medieval Mediterranean* series reflects the complexity of this period with a wide variety of high-quality scholarly works from broad surveys to diachronic studies of particular areas or cities, investigations of individual themes or issues, conference proceedings, text editions, and fully annotated translations. Top specialists in a range of fields have contributed to the series, and the volumes which have appeared so far have been warmly welcomed by reviewers. This series is indispensable for readers with interests in the history of later antiquity, the Middle Ages, Byzantium, Islam, the Balkans, and the Black Sea area.

Publication schedule: At present, 3 volumes of around 350 pages each are published in the series each year. The vast majority of the books in the series are in the English language, although works of outstanding quality in French or German may also be included. Volumes contain illustrations and maps where appropriate.
