Martin Van Buren issues an order that the fifteen thousand Cherokee Indians living in the Smoky Mountains of North Carolina are to be evicted from their homeland. Forced to migrate to Indian Territory, the Cherokees begin their tragic one thousand mile journey westward. Most of the seven thousand soldiers escorting them along the way are brutally cruel. But Cherokee Rose, an eighteen year old Indian girl, finds one soldier, Lieutenant Britt Claiborne, willing to stand up for them. Both Christians, Cherokee Rose discovers that Britt is also a quarter Cherokee himself. It is upon the Trail of Tears that they fall in love, dreaming of one day marrying and finding a place to call home together. They found each other in the midst of tragedy. But is their love enough to keep them together? Cherokee Rose has endured more than any eighteen year old girl should. Though accepted by her tribe, being both mixed blood and a Christian set her apart. Then fifteen thousand Cherokee Indians are evicted from their homes in the Smoky Mountains of North Carolina. Broken and angry, Cherokee Rose joins her people on the thousand mile trek westward to Indian Territory. The journey holds many trials, not the least of which is the cruelty of the soldiers escorting them. But Cherokee Rose is determined these men will not break her. Lieutenant Britt Claiborne is devoted to serving his country, but he detests the way his fellow soldiers treat the Indians. He not only refuses to join in, but does all he can to stop the abuse. To the soldiers, he is a traitor. To those he helps, a champion. But Britt knows he is only doing what he must, not just because he is a Christian, but for a reason he is reluctant to reveal. Thrown together in the face of brutality, these two find themselves falling in love. They dream of marrying and finding a place to call home. But can their love survive the Trail of Tears? Cherokee Rose is a good story and a great way to learn about a historical event we would rather sweep under the rug. Lauraine Snelling, bestselling author of *Amethyst*, Story Behind the Book, Long, captivated with the study of American history. Al and JoAnna Lacy eagerly researched the time in the 1800s when the five civilized tribes were forced by the U.S. government to make a one thousand mile journey to Indian Territory, now the state of Oklahoma. The tribes were the Cherokee, the Chickasaw, the Choctaw, the Creek, and the Seminole. Repeatedly forced to surrender their lands, the people of the Cherokee Nation, as well as those of the other four tribes, were hoping to find in Indian Territory a place to call home.

Britt Clairborne, United Cherokee Nation Chief of Police, and his sweet wife Cherokee Rose face challenging times. It is 1889 and the Cherokees are being moved onto reservations within the Oklahoma District. The remainder of the land promised to them decades ago is being opened for white settlers to homestead. Of course, the Cherokees are unhappy. Some are outraged and want to stand and fight, despite Britt's warning that they will be punished swiftly and severely by the U.S. Army. Before long, white settlers converge from all directions. Lee and Kathy Belden and their two children come from Texas, where they lost their farm after years of drought. Martha Ackerman, newly widowed, arrives from Kansas with her three young children and her parents. Craig Parker, fresh out of prison and cleared of a

bank robbery he didn't commit travels with his loyal wife Gloria from Missouri And so many others They all come for land and a new beginning yet face so much that is unexpected fraudulent sooners funnel clouds rattlesnakes even oil And of course unexpected kindness and God's provision Will the Cherokees and the settlers all find a home in the land of promise And perhaps a spiritual home as well

Plastic Indian Robert J. Conley, 2018-08-23 So what does it mean to be a Cherokee asks Cherokee author Robert J Conley at the start of this delightful collection of his writings Throughout his prolific career Conley used his art to explore Cherokee identity and experience With his passing in 2014 Native American literature and American literature in general lost a major voice Fortunately this posthumous publication edited by the author's wife Evelyn L Conley offers readers the opportunity to appreciate anew the blend of humor candor and creativity that makes his work so exceptional Best known as a novelist especially for his beloved Real People series Conley was also a masterful writer of short stories essays plays and speeches The breadth of his talents is on full display in this wide ranging collection which begins with his very last public address delivered in North Carolina in 2013 Following that speech the reader is treated to what may be Conley's most

famous short story Plastic Indian the hilarious tale of three Cherokee youths who try to take down a giant plastic Indian located along Highway 51 between Tahlequah and Tulsa Like many of Conley s works Plastic Indian is set in contemporary times but as we discover through the stories that follow the author drew inspiration from traditional Cherokee folktales and oral storytelling His delight in the spoken word is evident in the single play featured in this volume based on the writings of ethnographer James Mooney and originally performed for radio Conley is also celebrated for his accurate depictions of the Old West it is no accident that he was the first American Indian president of the distinguished Western Writers of America association so the collection would not be complete without two of his cowboy stories namely The Execution and Nate s Revenge The volume concludes with four of the author s speeches Laced with the author s typical dry humor these personal testimonies serve as a moving coda to the author s extensive and illustrious career
