**The Creaky Traveler in the North West Highlands of Scotland** Warren Rovetch, 2002-10 On a journey of discovery Warren and Gerda Rovetch both creaky themselves explore the hidden places of Great Britain's last wilderness the rugged and startling coast of Scotland's North West Highlands They bring fresh perspectives to the environmental cultural and spiritual dimensions of their experience as their journey moves at an easy pace from village pubs and croft houses to places of untouched natural beauty and solitude Celtic history and tradition comes alive as our hosts meander their way along Part travelogue part guidebook but all charm and wit this book transports us to another culture where we have much to learn

**The Reportage of Urban Culture** Rolf Lindner, 1996-07-11 The current fascination with urban life has encouraged a growing interest in the Chicago School of sociology by students of sociological history It is generally accepted that the field research practised by the Chicago sociologists during the 1920s the Golden Age of Chicago sociology used methods borrowed from anthropology However Rolf Lindner also argues convincingly that the orientation of urban research advocated by Robert Park the key figure in the Chicago School and himself a former reporter is ultimately indebted to the tradition of urban reportage The Reportage of Urban Culture goes beyond a thorough reconstruction of the relationship between journalism and sociology It shows how the figure of the city reporter at the turn of the century represents a new way of looking at life and reflects a transformation in American culture from rejecting variety to embracing it

The SAGE Handbook of Current Developments in Grounded Theory Antony Bryant, Kathy Charmaz, 2019-04-22 Building on the success of the bestselling The SAGE Handbook of Grounded Theory 2007 this title provides a much needed and up to date overview integrating some revised and updated chapters with new ones exploring recent developments in grounded theory and research methods in general The highly acclaimed editors have once again brought together a team of leading academics from a wide range of disciplines perspectives and countries This is a method defining resource for advanced students and researchers across the social

sciences Part One The Grounded Theory Method 50 Years On Part Two Theories and Theorizing in Grounded Theory Part Three Grounded Theory in Practice Part Four Reflections on Using and Teaching Grounded Theory Part Five GTM and Qualitative Research Practice Part Six GT Researchers and Methods in Local and Global Worlds **Floor Covering Weekly**, 2005 Plan Prediction Ray Wyatt, 2016-11-19 This book develops an innovative system in the form of an app that harnesses the power of the internet to predict which sorts of people will prefer which policy in ANY planning situation It chronicles the accumulated research wisdom behind the system's reasoning along with several less successful approaches to policy making that have been found wanting in the past including the myth usually peddled by strategic planners that it is possible to find a best plan which optimally satisfies everybody The book lays out an entirely new kind of Planning Support System PSS It will facilitate decision making that is far more community sensitive than previously and it will drastically improve the performance of anyone who needs to plan within socially sensitive contexts which is all of us A standout feature of the system is its commitment to scientific rigour as shown by its predicted plan scores always being graphically presented within error margins so that true statistical significance is instantly observable Moreover the probabilities that its predictions are correct are always shown a refreshing change from most if not all other Decision Support Systems DSS that simply expect users to accept their outputs on faith alone Semiotics of Friendship Claus Emmeche, 2025-01-27 A friend should be able to be an attentive listener which made semiotician Roland Barthes wonder in his intriguing dictionary of love cannot friendship be defined as a space with total sonority This volume takes on the encyclopedic task in the sense of Umberto Eco where an encyclopedia is a very complex sign to explore friendship in detail not only as a form of love but in all its complexity as a bond that connects people and forms communities Semiotics the study of signs and meaning making is used alongside insights from a wide range of friendship studies to create a far reaching intellectual resonance or sonority around friendship as a central human experience As a study of the significance of friendship it presents findings from friendship research across the globe enabling new ways of thinking about friends It includes key concepts from semiotics sociology anthropology and other fields briefly explained major models of friendship from antiquity to contemporary societies proverbs and sayings about friendship from Africa America Asia and Europe stories about famous or forgotten friends from mythology fiction and real history summaries of research on friendship from selected academic disciplines bibliographical references for further studies *Transforming Digital Worlds* Gobinda Chowdhury, Julie McLeod, Val Gillet, Peter Willett, 2018-03-17 This book constitutes the proceedings of the 13th International Conference on Transforming Digital Worlds iConference 2018 held in Sheffield UK in March 2018 The 42 full papers and 40 short papers presented together with the abstracts of 3 invited talks in this volume were carefully reviewed and selected from 219 submissions The papers address topics such as social media communication studies and online communities mobile information and cloud computing data mining and data analytics information retrieval information behaviour and digital literacy digital curation and information education and libraries

**Cincinnati Magazine** ,1977-08 Cincinnati Magazine taps into the DNA of the city exploring shopping dining living and culture and giving readers a ringside seat on the issues shaping the region      **The Curriculum and Small Group Resource Guide** Judy Hamlin,1991      **DNA Profiling** Isabelle Denervaud,Olivier Chatin,2011 This book explores an organic vision of company innovation through an analogy with DNA and its four nitrogenous bases Like all living organisms a company has the fundamental genetic bases of its ability to innovate This DNA mutates under both environmental influences and evolutionary factors allowing a company to develop new patterns of behaviour At the dawn of the 21st century the result of this process is the emergence of what we could call the hyperconnected company Through this ongoing metaphor the book provides decision makers with several paths along which to increase their ability to innovate taking advantage of genetic bases such as their own factors of change The study is based on observations made of large companies for whom innovation is an absolute imperative It alternates theoretical analyses with concrete illustrations and spotlights innovation leaders such as Louis Vuitton 3M Bouygues Telecom BNP Paribas Siemens Danone Air Liquide to name but a few      **Infrastructure Health in Civil Engineering (Two-Volume Set)** Mohammed M. Ettouney,2022-01-18 This two volume set discusses the importance of linking the decision making concept to damage identification and structural modeling It examines the process of addressing and maintaining structural health including measurements structural identification and damage identification and discusses the theoretical and practical issues involved for each aspect Emphasizing state of the art practice as well as future directions this text also features numerous practical case studies and covers the latest techniques in sensing and sensor utilization      [Martian Short Stories II](#) Cliff Rhodes,2017-03-24 HARDCOVER PRINT MARTIAN SHORT STORIES II is another group of stories about mentally exceptional beings maybe alien maybe not They all could be from another world or born right here on Earth
