## **Sergeant Getulio:**

**Sergeant Getúlio** João Ubaldo Ribeiro, 1984      **Sergeant Getulio** João Ubaldo Ribeiro, 1978      **Latin American Films, 1932-1994** Ronald Schwartz, 2015-09-17 In 1931 Antonio Moreno completed Santa Mexico's first true sound film. In it he established one of the foremost genres of Latin American cinema: the popular melodrama, which continues to this day. Latin American filmmakers came to the fore in the fifties and sixties, and as 1992's *Como agua para chocolate* (Like Water for Chocolate) showed, Latin American films continue to be a major part of the international film scene. In this work over 300 of the most significant films from Argentina, Brazil, Cuba, Mexico, Bolivia, Colombia, Ecuador, Peru, and other Latin American countries are covered. Each entry includes the English title, director, year of release, running time, language, country, and a detailed plot synopsis. Notes about the production and the filmmakers are also provided for many entries.      [Historical Dictionary of Latin American Literature and Theater](#) Richard Young, Odile Cisneros, 2010-12-18 The Historical Dictionary of Latin American Literature and Theater provides users with an accessible single volume reference tool covering Portuguese-speaking Brazil and the 16 Spanish-speaking countries of continental Latin America: Argentina, Bolivia, Chile, Colombia, Costa Rica, Ecuador, El Salvador, Guatemala, Honduras, Mexico, Nicaragua, Panama, Paraguay, Peru, Uruguay, and Venezuela. Entries for authors ranging from the early colonial period to the present give succinct biographical data and an account of the author's literary production, with particular attention to their most prominent works and where they belong in literary history. The introduction provides a review of Latin American literature and theater as a whole, while separate dictionary entries for each country offer insight into the history of national literatures. Entries for literary terms, movements, and genres serve to complement these commentaries, and an extensive bibliography points the way for further reading. The comprehensive view and detailed information obtained from all these elements will make this book of use to the general interest reader, Latin American studies students, and the academic specialist.      **Dead Folks** Jon A. Jackson, 2014-12-09 Detective Fang Mulheisen returns in a rollicking thriller hailed as a quirky comic delight that brings to mind early Elmore Leonard. Booklist Detroit's Det Sgt Fang Mulheisen is far from home and hunting for his seemingly unkillable nemesis, a hired gun named Joe Service who survived a gunshot to the head and escaped a hospital with the help of his beguiling nurse. Joe is in Salt Lake City looking for his longtime lover and partner in crime, Helen Sedlacek, who is in hiding with millions in stolen mob money. The problem is Joe's injuries have left his memory a bit shaky, even if his skills with a gun are still rock solid, which leads to a whole lot of dead bodies in his wake. And those bodies leave a trail for Mulheisen to track his quarry. But there are a lot of other unpleasant people looking for Joe, all with itchy trigger fingers. And Mulheisen has to get between them all before his manhunt becomes a bloodbath. With a cast of unforgettably mad characters and an explosive climax, this is a murderously funny read you won't be able to put down. Kirkus Reviews      [Encyclopedia of Latin American Literature](#) Verity Smith, 1997-03-26 A comprehensive encyclopedic guide to the author's works and topics crucial to the literature of Central

and South America and the Caribbean the Encyclopedia of Latin American Literature includes over 400 entries written by experts in the field of Latin American studies Most entries are of 1500 words but the encyclopedia also includes survey articles of up to 10 000 words on the literature of individual countries of the colonial period and of ethnic minorities including the Hispanic communities in the United States Besides presenting and illuminating the traditional canon the encyclopedia also stresses the contribution made by women authors and by contemporary writers
