Sergeants Tale:

The Sergeants' Tale Bernice Rubens, 2003 1947 One year before the Israeli War of Independence and Palestine is still under the British Mandate However young Israelis are flocking to the leadership of Menachim Begin and his Irgun terrorist movement in an attempt to overthrow their rulers Two British sergeants are kidnapped by the Irgun They will be executed unless there is a widespread amnesty for the Irgun freedom fighters and so begins a hunt throughout Jerusalem Tel Aviv and the whole of Palestine to find and liberate the two innocent young men Based on a true story THE SERGEANTS TALE illuminates an historical episode and also has enormous contemporary poignancy **Tales of the Field** John Van

Maanen, 2011-06-01 For more than twenty years John Van Maanen's Tales of the Field has been a definitive reference and guide for students scholars and practitioners of ethnography and beyond Originally published in 1988 it was the one of the first works to detail and critically analyze the various styles and narrative conventions associated with written representations of culture This is a book about the deskwork of fieldwork and the various ways culture is put forth in print The core of the work is an extended discussion and illustration of three forms or genres of cultural representation realist tales confessional tales and impressionist tales The novel issues raised in Tales concern authorial voice style truth objectivity and point of view Over the years the work has both reflected and shaped changes in the field of ethnography In this second edition Van Maanen's substantial new Epilogue charts and illuminates changes in the field since the book's first publication Refreshingly humorous and accessible Tales of the Field remains an invaluable introduction to novices learning the trade of fieldwork and a cornerstone of reference for veteran ethnographers **The Radical Soldier's Tale** Carolyn

Steedman, 2016-07-01 First published in 1988 The Radical Soldier's Tale is both an introduction to and a transcript of his Memoirs written after his retirement in 1881 In this autobiography he presents his life as a soldier during the Sikh Wars his life as a policeman and the ideologies which divided people from each other in the societies he had known and read about Carolyn Steedman introduces the Memoirs by placing the document in its textual context as well as the context of history and politics and shows how it directs fascinating light on popular political thought in the mid Victorian years In her introduction she looks closely at the kind of narratives people have access to in different social circumstances and the stories they tell themselves to explain who they are This book will be of particular interest to students of Victorian history and politics

The Hell of Burma: Sergeant Harry Verlander (Tales from the Special Forces Shorts, Book 2) Sean Rayment, 2013-02-28 This is Harry Verlander's story one of five true life recollections from the Second World War in Tales From The Special Forces Club Journeys from the Abyss Tony Kushner, 2017-09-28 This is the first study to place Jewish refugee movements from Nazism into a wider framework of global forced migration from the late nineteenth through to the twenty first century **Tales of the Thirty-second** Glenn W. Garlock, 1927 The Petorik Thesis and Tales of the Global West W. Jack Savage, 2011-08-09 From an Embassy in Europe to an Industrial Park in Suburban Los Angeles The Petorik

Thesis and Tales of The Global West resembles a ledger where the checks and balances agree to disagree In this his second short story collection W Jack Savage chronicles a beautiful woman's quirky obsessions that leave a trail of regretful lovers a writer's disappointment at never being as important as what he writes and a unseen witness to a murder comes forward to do the right thing But the witness and the right thing are subjective as even Einstein observed there is no darkness only the absence of light By that reasoning a storyteller knows to never underestimate the power of the story or the desire of those in power to believe it for their own purposes The door it opens swings both ways The Petorik Thesis and Tales of the Global West is another of Savages exercises in unexpected redemption and forgotten kindnesses Where a taker of life is as likely to celebrate those who live it as anyone else and people Burt Harrison knows are getting murdered while eating yellow food In coming forward Burt becomes a person of interest
