William C. Cline,2025-02-28 This collection of essays first published in Big Reel lovingly recalls the glory days of the movie serial The primary focus is on the fans of the serials what they thought of them in their heyday what they think of them now and why these episodic tales are still so popular Preceding each article is a brief commentary about the essay explaining why the topic was chosen and the reader response it evoked when first published **Encyclopedia of American**

**Film Serials** Geoff Mayer,2017-02-07 From their heyday in the 1910s to their lingering demise in the 1950s American film serials delivered excitement in weekly installments for millions of moviegoers despite minuscule budgets nearly impossible shooting schedules and the disdain of critics Early heroines like Pearl White Helen Holmes and Ruth Roland broke gender barriers and ruled the screen Through both world wars such serials as Spy Smasher and Batman were vehicles for propaganda Smash hits like Flash Gordon and The Lone Ranger demonstrated the enduring mass appeal of the genre

Providing insight into early 20th century American culture this book analyzes four decades of productions from Pathe Universal Mascot and Columbia and all 66 Republic serials **Science Fiction Serials** Roy Kinnard,2015-08-13 Destination Moon George Pal s 1950 Technicolor epic is generally cited as the first noteworthy science fiction film Usually ignored or casually dismissed in genre histories are the serials the low budget chapterplays exhibited as Saturday matinee fare and targeted almost exclusively at children Lacking stars and top notch writers or directors the serials went largely unnoticed and unacknowledged by either critics or by the film industry Yet serials were financially important to the Hollywood studios and were often free to exploit risky or outlandish subjects that producers of distinguished movies would not touch Influential serials such as The Phantom Empire 1935 and Flash Gordon 1936 finally brought science fiction themes to the big screen Those serials and 29 others are exhaustively covered in this work which provides complete cast and credit information along with plot descriptions and historical commentary for each serial Video distributors if available are also listed *The New*

**Melodrama** Scott Higgins,2016-02-26 Long before Batman Flash Gordon or the Lone Ranger were the stars of their own TV shows they had dedicated audiences watching their adventures each week The difference was that this action took place on the big screen in short adventure serials whose exciting cliffhangers compelled the young audience to return to the theater every seven days Matinee Melodrama is the first book about the adventure serial as a distinct artform one that uniquely encouraged audience participation and imaginative play Media scholar Scott Higgins proposes that the serial s incoherent plotting and reliance on formula far from being faults should be understood as some of its most appealing attributes helping to spawn an active fan culture Further he suggests these serials laid the groundwork not only for modern day cinematic blockbusters like Star Wars and Raiders of the Lost Ark but also for all kinds of interactive media that combine spectacle storytelling and play As it identifies key elements of the serial form from stock characters to cliffhangers Matinee Melodrama delves deeply into questions about the nature of suspense the aesthetics of action and the potentials of formulaic narrative Yet it also provides readers with a loving look at everything from Zorro s Fighting Legion to Daredevils of the Red Circle conveying exactly why these films continue to thrill and enthrall their fans     **Cowboys, Creatures, and Classics**

Chris Enss,Howard Kazanjian,2018-09-01 Take one well oiled effective killing machine add a familiar hero on the ground in the air and on horseback stir in a ghastly end that s surely impossible to escape add action add passion made on a shoestring budget at breakneck speed and you ve got the recipe for Republic Pictures Who after all cannot forget The Atomic Kid starring Mickey Rooney or The Untamed Heiress with an un Oscar worthy performance by ing nue Judy Canova Exploding onto the movie scene in 1935 Republic Pictures brought the pop culture of the 30s and 40s to neighborhood movie houses Week after week kids sank into their matinee seats to soak up the Golden Age of the Republic series to ride off into the classic American West And they gave us visions of the future Visions that inspire film makers today Republic was a studio that dollar for dollar packed more movie onto the screen than the majors could believe From sunrise on into the night over grueling six day weeks no matter how much mayhem movie makers were called upon to produce at Republic Pictures it was all in a day s work Republic Pictures was the little studio in the San Fernando Valley where movies were made family style A core of technicians directors and actors worked hard at their craft as Republic released a staggering total of more than a thousand films through the late 1950s Republic Pictures was home to John Wayne for thirty three films Always inventing Republic brought a song to the West It featured the West s first singing cowboy Republic brought action adventure and escape to neighborhood movies houses across America And they brought it with style Scene from westerns such as The Three Mesquiteers and the Lawless Range gave screaming kids at the bijou a white knuckle display of expert film making Republic Pictures became a studio where major directors could bring their personal vision to the screen Sometimes these were projects no other studio would

touch such as *The Quiet Man* which brought director John Ford an Oscar and *Macbeth* *Killer Bs* *Cowboys* *Creatures* and *Classics* *The Story of Republic Pictures* is for anyone who likes B movies magic It is the honest account of an extraordinary production house one whose ability to turn out films quickly boded well for its transition into television production Not only were its sets used for such shows as *Leave it to Beaver* and *Gilligan's Island* stock footage from Republic's movies was used on such shows as *Gunsmoke* and *The Life and Legend of Wyatt Earp* Jesse James and the Movies Johnny D.

Boggs,2014-01-10 This illustrated filmography analyzes the plots and players of the more than forty motion pictures about the legendary Missouri outlaw Jesse James 1847-1882 from the silent era to the 21st century Among the films and actors covered are *Jesse James* 1939 with Tyrone Power *Kansas Raiders* 1950 with Audie Murphy *The Great Northfield Minnesota Raid* 1972 with Robert Duvall and *The Assassination of Jesse James by the Coward Robert Ford* 2007 with Brad Pitt Each evaluation compares Hollywood's version of history to the hard facts A brief biography of the outlaw provides an overview of his life and career Also examined are European films made for television movies and continuing TV series that have featured episodes involving Jesse James

**In the Nick of Time** William C. Cline,1997-12-15 By the famous Big Reel columnist the story of serials from Universal's 1930 *The Indians Are Coming* to Columbia's 1956 *Blazing the Overland Trail* Fifteen fascinating chapters explain the importance of cliffhangers to the industry as audience builders and product leaders The serials provided training for actors and served as a technical university for people who later made the television industry work An appendix lists in order of release all of the sound serials from 1930 through 1956 showing titles releasing companies chapter titles directors and several cast members Superb photographs *Billy the Kid on Film, 1911-2012* Johnny D.

Boggs,2013-09-06 A comprehensive filmography this book is composed of lengthy entries on about 75 films depicting legendary New Mexico outlaw Billy the Kid from the lost Billy the Kid 1911 to the blockbuster *Young Guns* 1988 to the direct to video 1313 *Billy the Kid* 2012 and everything in between Each entry gives a synopsis cast and credits critical reception and a discussion of the events of the films compared to the historical record Among the entries are made for TV and direct to video films foreign movies and continuing television series in which Billy the Kid made an appearance *The Lone Ranger on Radio, Film and Television* Ed Andreychuk,2018-01-30

The Lone Ranger has endured as an iconic figure in American popular culture from his 1933 premier as a radio serial hero through a highly rated television series 1949-1957 to a 2013 feature film Created by script writer Fran Striker and radio station owner George W Trendle the character was meant to embody courage fair play and honesty and writers had to adhere to specific guidelines he never smokes he uses precise speech he never shoots to kill The popularity of the Ranger and his companion Tonto inspired later crime fighting duos like Batman and Robin and The Green Hornet and Kato This book examines the franchise in detail with summaries and

production details of the original radio episodes **Trash Cinema** Guy Barefoot,2017-11-21 This volume explores the lower reaches of cinema and its paradoxical appeal It looks at films from the B movies of the 1930s to the mockbusters of today and

from the New York underground to the genre variations of Turkey's Yesil am studios and their YouTube afterlife. Critically examining the reasons for studying, denigrating or celebrating the detritus of film history, it also considers the place of a trash aesthetic within and beyond 1960s American avant garde and looks at the cult of trash in the fanzines of the 1980s. It draws on debates about cult paracinema and camp, arguing that trash cinema exists in relation to these but brings with it a particular history that includes the ordinary as well as the strange. Trash Cinema places these debates and the strand of self-proclaimed low culture that emerged in the second half of the twentieth century within a historical and international perspective. It focuses on American cinema history but addresses Eurotrash reception as well as the related field of garbology, examining trash cinema as a distinct but fluid category.

Der Cliffhanger und die serielle Narration Vincent Fröhlich, 2015-04-15. Der Cliffhanger, also die Erzähltechnik in einem spannenden Moment, eine serielle Erzählung zu unterbrechen, steht im Zentrum dieser Studie. Vincent Fröhlichs Analysen reichen von 1001 Nacht über viktorianische Fortsetzungsromane, französische Feuilletonromane, Kinoserien, Radio-Seifenopern, neue TV-Serien bis hin zu E-Books, Games und Webserien. Das Buch bietet nicht nur eine vielfältige historische Perspektive auf den Cliffhanger, die serielle Narration, und deren Entstehungsbedingungen, sondern arbeitet zudem heraus, wie reich die Formen und wie vielseitig die Charakteristika dieser Forschungsgegenstände sind und wie sehr bisher ihr kultureller und narrativer Stellenwert unterschätzt wurde.
