Serious Crimes By Smith Dan:

The Bulldog and the Helix Shayne Morrow, 2019-05-21 A investigative reporter traces the role of DNA evidence in two groundbreaking murder cases involving young girls killed two decades apart in the same town In 1977 the industrial town of Port Alberni was shaken by the brutal murder of twelve year old Carolyn Lee who had been abducted while walking home from her dance class In 1996 the town was devastated again when eleven year old Jessica States disappeared while chasing foul balls at a local fast pitch game her lifeless body later found beaten in the woods At the time of States s murder Shayne Morrow was working as a reporter for the Alberni Valley Times His interest in forensic science led him to cover the States case and relate it back to the Lee case which had gone unsolved for years In his coverage Morrow gained unprecedented access to the investigators and scientists who were on the trail of both killers Emerging DNA technology in the mid 1990s led to a renewed interest in the Lee case and ultimately to the conviction of her killer Gurmit Singh Dhillon in 1998 The technological mechanisms put in place during that case would lay the groundwork for the capture of States s killer Roderick Patten a year later *The Bulldog and the Helix* is a riveting portrait of a town rocked twice by the most heinous type of crime imaginable and a community s unrelenting search for justice *Violent Crime Against the Elderly* United States. Congress. House. Select Committee on Aging, 1985 *Investigative Reporting* David Spark, 2012-11-12 This important book defines what investigative reporting is and what qualities it requires Drawing on the experience of many well known journalists in the field the author identifies the skills common factors and special circumstances involved in a wide variety of investigations It examines how opportunities for investigations can be found and pursued how informants can be persuaded to yield needed information and how and where this information can be checked It also stresses the dangers and legal constraints that have to be contended with and shows real life examples such as the Cook Report formula the Jonathan Aitken investigation and the Birmingham Six story David Spark himself a freelance writer of wide experience examines how opportunities for investigations can be found and pursued how informants can be persuaded to yield needed information and how and where this information can be checked He also stresses the dangers and legal constraints that have to be contended with and shows investigators at work in two classic inquiries The mysterious weekend spent in Paris by Jonathan Aitken then Minister of Defence Procurement The career of masterspy Kim Philby *Investigative Reporting* looks at such fields for inquiry as company frauds including those of Robert Maxwell consumer complaints crime police malpractice the intelligence services local government and corruption in Parliament and in overseas and international bodies The author believes that the conclusions that emerge from this far reaching survey are of value not only in investigative journalism but to practitioners in all branches of reporting **Popular Crime** Bill James, 2012-05-08 Originally published 2011 With new addendum *Deception by Design* Allen F.
