Serious Person:

A Serious Person Brad Vance, 2015-11-28 Adam Bede has it good Writing pop songs for teen idol Christie Squires isn't much of a creative challenge but it pays for his champagne lifestyle He's got his boyfriend Lyle a Serious Person and regular CNN geopolitical contributor his bestie and songwriting partner Callie and his partners in ChrisCo the industrial combine behind their manufactured superstar And he's even got his bipolar illness managed without completely dulling his creativity Until one day Christie decides she wants to be Taken Seriously and sues ChrisCo for child labor violations And just like that Adam's cash cow is no more As if that wasn't bad enough along comes Sam Sparks brilliant talented young songwriter and social activist who's got the hots for Adam's boyfriend and who may be the Serious Person who's a better match for Lyle than frivolous Adam When a cable channel creates a reality show to find the best singer songwriter in America Adam knows he has only one way to save his career and his relationship And if winning that contest involves going off his medications going a little crazy just a little he swears isn't it worth the risk Especially when he discovers that Christie and Sam are his competition Before he was Brad Vance Brad published as Orland Outland Here in a substantially revised version is one of his best comic novels available again at last

Personality Ken Chapman, 2002-04-09 Everyone has a personality and now everyone can have an owner's manual In Personality Making The Most Of It Dr Chapman provides valuable insights into the behaviors of co workers bosses spouses children friends and ourselves Many of the behaviors we all struggle to understand are explained with clarity and common sense This is a book for people who want to better understand themselves and create more constructive relationships with family friends and colleagues Personality Making The Most Of It will introduce you to the rich diversity of found in the human personality Best of all it will enable you to make the most of your personality for personal and professional success

Making Philosophy Laugh Dustin Peone, 2023-10-31 Contemporary philosophy has adopted an increasingly tragic point of view Tragedy though is only a partial truth of the human condition Comedy is another partial truth The nature of human existence is neither wholly the one nor the other but tragi comic Philosophy must be attuned to both despair and laughter if it is to understand its own world In Making Philosophy Laugh the philosopher Dustin Peone makes an apology for the comic side of existence and its use in philosophy He demonstrates the social and moral uses of humor and analyzes its significance for speculative thinking Folly and irony are shown to be vital facets of dialectical philosophy The reader is introduced to the comical side of Socrates and Homer Descartes and Vico Kant and Hegel and many others Finally a doctrine of the tragi comic sense of life is presented that does justice to all aspects of human existence and liberates the spirit from the grimness of serious thought

How to be Enough Ellen Hendriksen, 2025-01-14 Are you your own toughest critic Learn to be good to yourself with this clear and compassionate guide Do you set demanding standards for yourself If so a lot likely goes well in your life You might earn compliments admiration or accomplishments Your high standards and hard work pay off But privately you may feel like you're falling behind faking it or different from everybody

else Your eagle eyed inner quality control inspector highlights every mistake You try hard to avoid criticism but criticise yourself This is perfectionism And for everyone who struggles with it it s a misnomer perfectionism isn t about striving to be perfect It s about never feeling good enough Dr Ellen Hendriksen clinical psychologist and anxiety specialist is on the same journey as you In How to be Enough Dr Hendriksen charts a flexible forgiving and freeing path all without giving up the excellence your high standards and hard work have got you She delivers seven shifts to move you from self criticism to kindness control to authenticity procrastination to productivity comparison to contentment Each will help you find self acceptance rewrite the Inner Rulebook and most of all cultivate the authentic human connections we re all craving

Treatise of Sexual Alchemy Samael Aun Weor, 2025-01-01 Join the male to the female in their own proper humidity because there is no birth without union of male and female Hermes Treatise of Sexual Alchemy is a complete guide to sexual transmutation the preservation and transformation of sexual energy the basic requirement for spiritual development Alchemy was once the most respected science venerated and practiced by pharaohs kings and queens priests and priestesses Alchemy is the key of eternal life and the way to liberate ourselves from suffering To protect it that knowledge was always hidden from the public The Medieval alchemists hid the Great Arcanum among innumerable symbols and esoteric allegories This was in order to save it from profanity and in order for them to avoid being burned alive in the blazes of the Inquisition Samael Aun Weor The symbolism of alchemy is rooted in the myths of the Greeks and Egyptians Moses an Egyptian priest taught alchemy in his writings Adam and Eve are the basic symbol of alchemy Even Jesus taught alchemy his living waters and the stone the builders rejected are the alchemist s Mercury whose development creates the famous philosopher s stone Now in these moments of intense suffering the time has arrived for all of humanity to know the truth about alchemy Here Samael Aun Weor reveals that what was hidden by Hermes Paracelsus Basil Valentine Roger Bacon Villanova Raymond Lully Nicolas and Perenelle Flamel are also hidden in the Egyptian Book of the Dead and the Judeo Christian Torah and Bible All are based on the same knowledge humanity left Eden bliss because of sex and can only return to Eden through sex Alchemy is the method Most importantly this book guides you to practice alchemy yourself Those who are tired of suffering can experience liberation from day to day by eliminating defects liberating virtues and devoting themselves to becoming pure expressions of the highest spiritual value of all love **Fictional Worlds and the Moral Imagination** Garry L.

Hagberg, 2020-12-11 This edited collection investigates the kinds of moral reflection we can undertake within the imaginative worlds of literature In philosophical contexts of ethical inquiry we can too easily forget that literary experience can play an important role in the cultivation of our ethical sensibilities Because our ethical lives are conducted in the real world fictional representations of this world can appear removed from ethical contemplation However as this stimulating volume shows the dichotomy between fact and fiction cannot be so easily categorised Moral perception moral sensitivity and ethical understanding more broadly may all be developed in a unique way through our imaginative life in fiction Moral quandaries

are often presented in literature in ways more linguistically precise and descriptively complete than the ones we encounter in life whilst simultaneously offering space for contemplation The twelve original chapters in this volume examine literary texts including theatre and film in this light and taken together they show how serious reflection within fictional worlds can lead to a depth of humane insight The topics explored include the subtle ways that knowledge can function as a virtue issues concerning our relations to and understanding of each other the complex intertwining of virtues and vices in the modern world and the importance of bringing to light and reconsidering ethical presuppositions With an appreciation of the importance of richly contextualized particularity and the power of descriptive acuity the volume maps out the territory that philosophical reflection and literary engagement share

Nicomachean Ethics

Aristotle,2011-12-14 Focus Philosophical Library's edition of Aristotle's Nicomachean Ethics is a lucid and useful translation of one of Aristotle's major works for the student of undergraduate philosophy as well as for the general reader interested in the major works of western civilization This edition includes notes and a glossary intending to provide the reader with some sense of the terms and the concepts as they were understood by Aristotle's immediate audience Focus Philosophical Library books are distinguished by their commitment to faithful clear and consistent translations of texts and the rich world part and parcel of those texts

Economics and the Public Good John Antonio Pascarella,2022-03-07 What is the nature of economics

How does economics relate to politics Readers searching for the Ancient Greeks answers to these questions often turn to Aristotle focusing on small portions of the Politics and Nicomachean Ethics that relate to money making exchange and household management While this approach yields some understanding of economics and politics it fails to account for how Aristotle's theoretical inquiry into these practical matters reflects the character of his political philosophy According to Aristotle the Ethics and Politics together form the philosophy concerning the human things All human things begin with choice an intellectual desire and need for the good Aristotle's care for this desire is the heart of his political philosophy Through a close literal and careful reading of Aristotle's political philosophy readers discover the natural boundaries to economic and political life Simultaneously theoretical and practical Aristotle's political philosophy offers readers a perspective of economics and politics that provides them the experience of the knowledge they need to desire and live within the limit of the good

Campbell, Letitia Maynell, 2010-11-01 Childhood in a Welsh Mining Valley Vivian Jones, 2017-06-26 Vivian Jones recounts with great warmth his childhood in a working class family within the community of a small mining village in the Welsh Valleys in the 1930s This fascinating book brings the detail of that time place and culture vividly back to life and considers the influence that growing up in such an environment has had on who the author is today 11 black and white photographs

Portraits of Wittgenstein F.A. Flowers III, Ian Ground, 2018-07-26 Portraits of Wittgenstein is a major collection of memoirs and reflections on one of the most influential and yet elusive personalities in the history of modern philosophy Ludwig Wittgenstein Featuring a wealth of illuminating and profound insights into Wittgenstein's extraordinary life this unique collection reveals Wittgenstein's character and power of personality more vividly and comprehensively than ever before With portraits from more than 50 figures Portraits of Wittgenstein brings together the personal recollections of philosophers students friends and acquaintances including Bertrand Russell G.E. Moore F.R. Leavis A.J. Ayer Karl Popper Friedrich von Hayek G.H. von Wright Freeman Dyson Iris Murdoch Mary Midgley and Mary Warnock These authors testify to the life long influence Wittgenstein had on the lives of those he met Their fascinating memoirs reflections and commentaries often at odds with each other reveal Wittgenstein's kindness and how much genuine friendship meant to him as well as his suffering and despair They show too how the philosopher's ruthless honesty and uncompromising integrity often resulted in stern advice and harsh rebukes to friends and foes alike Now abridged and available in paperback this collection of valuable and hard to find material is an indispensable resource for scholars and students of the life and work of Ludwig Wittgenstein

The Complete Benbow Smith Mysteries Patricia Wentworth, 2018-03-06 Cloak and dagger intrigue featuring an eccentric agent for Britain's Foreign Office from the author of the timelessly charming Miss Silver mysteries Charlotte MacLeod Named after three naval admirals the enigmatic gentleman spy Benbow Collingwood Horatio Smith detests the sea and loves to indulge his beloved parrot Ananias all while protecting the fate of the Western world Fool Errand Smith investigates the case of a young man whose new job with an odd inventor has him mired in governmental intrigue industrial espionage and stolen military secrets Danger Calling Smith has a proposition for a former British Secret Service agent that launches him into a web of blackmail and murder and pits him against a master of deceit and manipulation Walk with Care Smith must investigate a mysterious letter and the suspicious death of the under secretary for Foreign Affairs Down Under The disappearance of a bride to be sets her fiancé and agent Benbow Smith on the trail of a notorious madman who's no stranger to kidnapping or murder Every bit as entertaining as Wentworth's long running series featuring Maud Silver these pre World War II spy thrillers are taut with suspense and livened by the wit of a first rate storyteller The Daily Telegraph **Aristotle on the Concept of Shared Life** Sara Brill, 2020-05-21 According to the terms of Aristotle's Politics to be alive is to

instantiate a form of rule In the growth of plants the perceptual capacities and movement of animals and the impulse that motivates thinking speaking and deliberating Aristotle sees the working of a powerful generative force come to expression in an array of forms of life and it is in these if anywhere that one could find the resources needed for a philosophic account of the nature of life as such Aristotle on the Concept of Shared Life explores this intertwining of power and life in Aristotle's thought and argues that Aristotle locates the foundation of human political life in the capacity to share one's most vital activities with others A comprehensive study of the relationality which shared life reveals tells us something essential about Aristotle's approach to human political phenomena namely that they arise as forms of intimacy whose political character can only be seen when viewed in the context of Aristotle's larger inquiries into animal life where they emerge not as categorically distinct from animal sociality but as intensifications of it Tracing the human capacity to share life thus illuminates the interrelation between the zoological ethical and political lenses through which Aristotle pursues his investigation of the polis In following this connection this volume also examines and critically evaluates the reception of Aristotle's political thought in some of the most influential concepts of contemporary critical theory
