experience of an archetypal southern family Ownby looks broadly at contexts such as political and religious debates about divorce and family values southern rock music autobiographies and more to reveal how people in the South used the concept of the family as a proxy for imagining a better future or happier past Preaching with All You've Got David Day, 2006 Becoming a Living Sermon Beyond spoken words what is it that really helps preachers get their message across Seasoned pastor and preaching professor David Day explores the ways in which preachers may embody their messages in their own person in the words they use through the use of objects pictures literature and drama and in the response of their audience An eloquent and compelling volume suitable for communicators from a broad range of Christian denominations it offers a practical workbook of ideas that preachers can begin using in their very next sermon FEATURES Contains many helpful examples case studies excerpts from real addresses and two or three exercises in each chapter Great as a classroom supplementary textbook Books on preaching are full of good advice writes Day This book is bursting with good ideas and inspiration but I would not call it advice It is far too refreshing and amusing to be called advice With a practical array of shalts and shalt nots both the experienced preacher and the learner will be spurred to hone their art not just that of delivering communication but of enabling transformation When it comes to preaching Day is keen to communicate propositions through pictures and theory through experience Embodying the Word does not simply describe how to do it it embodies the technique itself through countless examples and illustrations The Revd Dr Jo Bailey Wells Associate Professor of the Practice of Ministry and Bible Director of Anglican Studies Duke Divinity School Religious Books, 1876-1982 .1983 Prepared by the R R Bowker Company's Department of Bibliography in collaboration with the Publications Systems Department Page opposite t p Includes indexes Author Index 3901 4069 Title Index 4071 4389 Catalog of Copyright Entries, Third Series Library of Congress.
