Sermons And Addresses On The Fundamentals Of The Faith:

Sermons and Addresses on the Fundamentals of the Faith Rex Allwin Turner, 1972-01-01 *Practical Sermons on some of the Fundamental Truths of Christianity, as addressed to a village congregation* Joseph Adkins BECKETT, 1852

Sermons, Addresses, Pastoral Letters, Etc Horatio Potter, 1843 *Sermon illustrating the doctrine of the Lord, and other fundamental doctrines of the New-Jerusalem Church* Richard DE CHARMS, 1840 The Fundamental Doctrines of the

Christian Faith Reuben Archer Torrey, 1918 The author of these sermons has had a feeling for a long time that the great need in our churches in this day is systematic indoctrination He put his theory into practice last winter in his own church and these sermons are the result We were having a great many accessions to our church In the two years of the church's history we had had something like six hundred accessions to the church and every month considerable numbers of new members were being added While many of these came by letter from other churches many of them were new converts and had had practically no systematic instruction in the fundamental truths of the Christian faith so we announced a series of sermons on The Fundamental Doctrines of the Christian Faith There was immediately a large increase in the attendance at the services where these addresses were given and this increase has kept up until on the last Lord's Day we had much the largest attendance we have ever had excepting on Easter Sunday Many have testified to the blessing received from these sermons and there has been a great demand that the sermons be printed for general circulation This request has come from ministers of various denominations Episcopalians Presbyterians Methodists Baptists and others It is hoped that this volume will be useful to other pastors in suggesting lines of teaching in their regular pastoral work and also that it may be used widely by pastors and others for circulation among Christians We live in a day in which many of our church members are all at sea as to what they believe on the fundamental doctrines of the Christian faith These sermons have already helped many through their delivery It is hoped they will reach and help far more in the printed form *Two sermons on Schism ... addressed principally to the Methodists of Ireland. With an appendix, containing a notice of the letters of Mr. Steele on the subject of a Visitation Sermon, by the same author* Charles KNOX (Hon.), 1816 **Sermons and Addresses of His Eminence William,**

Cardinal O'Connell, Archbishop of Boston William Henry O'Connell, 1931 Sermons Addressed to Parents, Masters, Servants, and Young Men Josiah Bateman, 1850 **The Fundamental Doctrines of the Christian faith** R. A.

Torrey, 2019-11-21 In The Fundamental Doctrines of the Christian Faith R A Torrey presents a compelling exploration of essential Christian beliefs addressing key doctrines such as the nature of God the person of Christ and the Trinity with precision and clarity Torrey's literary style is direct and didactic reflecting his background as a theologian and educator with an aim to educate both laypeople and clergy alike The book is situated in the context of early 20th century evangelical thought responding to the challenges posed by modernism and skepticism and seeks to reaffirm the foundational tenets of Christianity amid a rapidly changing societal landscape R A Torrey was a prominent American evangelist pastor and

theologian known for his fervent commitment to the Christian faith and his role in the fundamentalist movement His experiences in evangelism and theological education including his academic tenure at several institutions provided him with a unique perspective on the necessity of doctrinal clarity These experiences undoubtedly influenced his desire to produce a text that stands as a robust defense of traditional beliefs at a time of doctrinal confusion This book is recommended for anyone seeking a deeper understanding of Christian doctrine or wishing to gain clarity on the fundamental beliefs that underpin the Christian faith Torrey s insightful analysis and articulate presentation make *The Fundamental Doctrines of the Christian Faith* an essential resource for both personal growth and theological study
