**Sermons On National Subjects** Charles Kingsley, 2023-12-01 Sermons on National Subjects is a collection of sermons written by Charles Kingsley a 19th century English clergyman social reformer and writer This book exemplifies Kingsley s ongoing dedication to tackling key social and political issues of his time via the lens of his Christian ministry Some stories are brutal and weird while others sneak up on you and gradually imbibe you in Some stories are fascinating and fantastic while others creep up on you and draw you in The plot is full of twists and turns that will keep the reader interested As the titular character is so self indulgent readers are forced to keep reading to find out what happens next Kingsley tackles a wide range of national themes in Sermons on National Subjects including social justice labor reform the role of the Church in society and the obligations of individuals and nations He uses his position of power to advocate for progressive social reform and better working class circumstances Another major focus of the sermons is the concept of Christian duty in the face of social problems Kingsley encourages his audience to participate actively in activities aimed at alleviating poverty promoting education and combating social injustice Sermons from the National Cathedral Samuel T. Lloyd III,2013-04-04 Washington National Cathedral stands in an unparalleled position at the intersection of religious faith and public life in America and has been called the spiritual home for the nation Dean Samuel T Lloyd III occupied its massive Canterbury pulpit as dean during an often turbulent period in the nation and rapid changes in American religious life In Sermons from the National Cathedral Dean Lloyd provides a compelling vision of an intellectually alive publicly engaged Christian faith a vision of the Christian life rooted in ancient teaching Readers will find the sermons engaging and appreciate that Dean Lloyd takes seriously the experiences of doubt and searching that are so much a part of the modern religious experience of our time He successfully demonstrates the positive role faith can play in public life and addresses the questions and challenges faith must face in the twenty first century These soundings as Lloyd calls them illumine the full spectrum of Christian belief while also addressing such issues as the difficulty of faith the relationship between science and faith the mystery of suffering the necessity of forgiveness the meaning of the cross the urgency of reconciliation and the call to care for the earth These reflections will appeal to traditional Christians seeking spiritual enrichment and are accessible to those seeking answers to how their faith fits into our modern world A Nation's Sorrow and a Nation's Sympathy. Two sermons [on John xi. 31 and Isai. xxiv. 11] on the death of H.R.H. the Prince Consort, preached ... Dec. 22 and ... 23, 1861 John RICHARDSON (Archdeacon of Southwark.), 1862 In Season and Out of Season David Gitari, 2011-05-26 A challenging collection of 25 prophetic sermons preached between 1975 and 1994 by Bishop David Gitari Throughout these sermons Gitari is at pains to apply the biblical message to the complex contemporary scene in Kenya influenced by the example of such preachers as Martin Luther King and John Stott unafraid to speak out on social and political issues and against corruption and justice Where appropriate the setting and background to the preaching of the sermon is provided as well as

events which followed the preaching Collected Works of Charles Kingsley: Sermons on national subjects Charles The National Preacher Or Original Monthly Sermons from Living Ministers ,1829 Kingsley, 1890 the Author of the Vindication of Mr. Nation's Sermon: in which the importance of faith, in matters of religion, and particularly as to the doctrine of the Deity of our Saviour, is consider'd: and the Assembly of the United Ministers of Devon and Cornwall is farther defended. To which is added, a second letter to Mr. Nation, in answer to his vindication of himself. By P. C. P. C.,1732 The Immorality of Non-resistance, and Other Sermons on the War J. M. Lloyd Thomas, 1915 War Sermons Gilles Teulié, Laurence Lux-Sterritt, 2009-03-26 This collection of essays ponders upon the intricate relations between the military and the spiritual from the Middle Ages to the present day In order to analyse human attitudes towards conflicts it is necessary to dwell upon the nebulous area where the religious and political spheres interweave so tightly that they become virtually impossible to distinguish Indeed despite remaining the responsibility of the state the political decision to go to war depends heavily on some spiritual underpinning since without a moral ethical or religious justification it stands for gratuitous violence and is often equated with aggression Situated as they are at the intersection of religious and political awareness war sermons are an invaluable source of information regarding societies in times of conflict Indeed whether favourable or hostile to the waging of war preachers participated in the edification of parishioners opinion The writing delivering or reading of sermons shaped the mental process of peoples who sought their ministers moral and spiritual guidance in times of crisis This collection of essays offers contributions to the renewed debate on the function of war its representations and its rhetoric as generators of identity The Oxford Handbook of the British Sermon 1689-1901 Keith A. Francis, William Gibson, 2012-10-04 The period 1689 1901 was the golden age of the sermon in Britain It was the best selling printed work and dominated the print trade until the mid nineteenth century Sermons were highly influential in religious and spiritual matters but they also played important roles in elections and politics science and ideas and campaigns for reform Sermons touched the lives of ordinary people and formed a dominant part of their lives Preachers attracted huge crowds and the popular demand for sermons was never higher Sermons were also taken by missionaries and clergy across the British empire so that preaching was integral to the process of imperialism and shaped the emerging colonies and dominions The form that sermons took varied widely and this enabled preaching to be adopted and shaped by every denomination so that in this period most religious groups could lay claim to a sermon style The pulpit naturally lent itself to controversy and consequently sermons lay at the heart of numerous religious arguments Drawing on the latest research by leading sermon scholars this handbook accesses historical theological rhetorical literary and linguistic studies to demonstrate the interdisciplinary strength of the field of sermon studies and to show the centrality of sermons to religious life in this period **First the Good News** Gervis Beecher Black,1986\* Sermons on National Subjects Charles Kingsley, 2024-02-26 Reproduction of the original The publishing house Megali specialises in reproducing historical works in
