

## WATER POEMS

- The Peace Of Wild Things

When despair grows in me  
and I wake in the night at the least sound

- Consummation Of Grief

I even hear the mountains  
the way they laugh

- Autumn River Song

The moon shimmers in green water.  
White herons fly through the moonlight.

- 'in The Wave-Strike Over Unquiet Stones'

In the wave-strike over unquiet stones  
the brightness bursts and bears the rose

- Sonnet Xxxiv (You Are The Daughter Of The Sea)

You are the daughter of the sea, oregano's first cousin.  
Swimmer, your body is pure as the water;

- Sea Calm

How still,  
How strangely still

- Sleep In The Arms Of God

On the banks of Ganges  
I sat in a serene and sombre mood

- Any Soul That Drank The Nectar

Any soul that drank the nectar of your passion was lifted.  
From that water of life he is in a state of elation.

diversity of their expression and English translations to render them meaningful for both English and Spanish reading publics. The extensive bibliographies of primary and secondary sources of each poet is unprecedented; hopefully it will serve as a guide to encourage research on this neglected area of Spanish American literature. There is currently no canon of contemporary Uruguayan poets, but this project is intended to provide a meaningful step toward opening a discussion of such a canon.

With its eclectic mix of acknowledged elders and newly emergent voices, this landmark anthology vividly displays how Buddhism is influencing the character of contemporary poetry.

**Aberration in Modern Poetry** Lucy Collins, Stephen Matterson, 2011-12-22 This critical work considers the role played by elements that might be considered aberrational in a poet's oeuvre. With an introductory essay exploring the nature of aberration, these fourteen contributions investigate the work of major 20th century poets from the U.S., Britain, Ireland, Australia, and New Zealand. Aberration is considered from the standpoint of both the artist and the audience, prompting discussion on a range of important issues including the formation of the canon. Each essay discusses the status of the aberrant work and the ways in which it challenges, enlarges, or supports the overall perception of the poet.
