**Secrets of Greatness** Dr. Barrington O. Burrell, 2014-05-27 In *Secrets of Greatness* Dr Burrell provides us with a route map to success of the very highest order consistent with the greatest model of success known to us Jesus Christ Based upon an intimate study of the Old and New Testaments and a lifetime s work as a pastor and drawing together such disparate threads as psychology biology history and motivational dynamics Dr Burrell gives his readers a meticulous and definitive explanation of the essence of greatness and how it is within the capability of each and every one of us to achieve more than we ever thought possible A thorough and passionate exploration of what it means to be great using examples of great men and women through the ages *Secrets of Greatness* decries the notion that true success lies in power money and status and illustrates instead that the pinnacle of human achievement is attainable only through the transformative and healing power of our relationship with God In each chapter and section the author shines a light on a different aspect of the process of becoming what we are destined to be in the Creator s great plan for us and illuminates the spaces through which we all must travel on our journey to greatness Dr Burrell explores his subject with the keen mind of a scholar the compassion of a man of God and the tenacity of a warrior and has written a book which is as uplifting as it is useful It is a book which can only fill us with hope for the future *Secrets of Greatness* is a corrective for our secular age a spiritual book in materialistic times and a tonic for all those who thirst for a different measure of success than is commonly presented in our media **God's Secret**

**The 8 Principles of Goals and S.U.C.C.E.S.S.** Mark D. Watt,2010-04-01 In a world full of self help books and personal growth seminars we are bombarded with images of what life should be and what success really is From the moment of our birth we are surrounded by temptation and by pressure to conform and we are conditioned to adhere to society s standards It is this problem says author Mark D Watt that distracts us from the true issue

What is success and where does it really come from Speaking from his own life experience Watt reminds us that success only comes from one book the Bible A life focused on man s goals and successes ignores that these principles stem from the Bible itself which Watt refers to as the Basic Instructions Before Leaving Earth and that earthly successes are not inspired by earthly creators Using his own biblical interpretations Watt asserts that man should focus not on monetary gain for spreading wisdom but on the wisdom itself Mark D Watt is an author and entrepreneur The 8 Principles of Goals and S U C C E S S was inspired by Watt s study of the Bible and was written in the hope that his philosophies may spread the truth about goals and success to the world He currently lives in Raleigh North Carolina and is working on his next book Publisher s website <http://www.strategicpublishinggroup.com/title/The8PrinciplesOfGoalsAndSUCCESS.htm> *Liberating Ministry from the Success Syndrome* R. Kent Hughes, Barbara Hughes, 2008-01-07 Every year thousands of God s servants leave the ministry convinced they are failures Years ago in the midst of a crisis of faith Kent Hughes almost became one of them But instead he and his wife Barbara turned to God s Word determined to learn what God had to say about success and to evaluate their ministry from a biblical point of view This book describes their journey and their liberation from the success syndrome the misguided belief that success in ministry means increased numbers In today s world it is easy to be seduced by the secular thinking that places a number on everything But the authors teach that true success in ministry lies not in numbers but in several key areas faithfulness serving loving believing prayer holiness and a Christlike attitude Their thoughts will encourage readers who grapple with feelings of failure and lead them to a deeper fuller understanding of success in Christian ministry This book was originally published by Tyndale in 1987 and includes a new preface
