VAN-LENNEP, D.D.,1875 Manners & Customs of Bible Lands Fred Wight,1994 Bible Lands Henry John Van-Lennep,2017-12-07 Excerpt from Bible Lands Their Modern Customs and Manners Illustrative of Scripture In every nation however usages are found which can not be explained or accounted for by a reference to the physical character of the country These customs have an historical original lost and forgotten perhaps in the lapse of time but still maintaining its sway over the minds and manners of those who have inherited them The fact that the customs now prevalent in Bible lands are so different from those of the West and yet essentially identical with the ancient manners of the East is of the greatest practical importance to the Biblical student The Hebrew commonwealth has perished its people are scattered among all the nations of the earth whose manners they have adopted The principal clue therefore to what they once were and our chief means of explaining much that is obscure in Holy Writ will be found in the customs of the modern East And we propose in the second part of the present work to consider all such details of Oriental life as appear to have in the main an historical origin About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Catalogue of the Library of Wabash College ...** Wabash College. Orientalism Revisited Ian Netton,2012-12-12 The publication of Edward Said s *Orientalism* in 1978 marks the inception of orientalism as a discourse Since then Orientalism has remained highly polemical and has become a widely employed epistemological tool Three decades on this volume sets out to survey analyse and revisit the state of the Orientalist debate both past and present The leitmotiv of this book is its emphasis on an intimate connection between art land and voyage Orientalist art of all kinds frequently derives from a consideration of the land which is encountered on a voyage or pilgrimage a relationship which until now has received little attention Through adopting a thematic and prosopographical approach and attempting to locate the fundamentals of the debate in the historical and cultural contexts in which they arose this book brings together a diversity of opinions analyses and arguments *Why Did Yahweh and His Son Yahshuah Say What They Said?* Dr. Justin G. Prock,2020-05-07 YAHWEH The LORD God and His Son YAHSHUAH Jesus Christ made statements with regard to Eschatology that have been Spiritualized for over a Millennium which has led to the belief in Universalism the belief that YAHSHUAH died for EVERYONE Well after one studies the original languages of the Hebrew Aramaic and Greek the message of the Kingdom of God was preached to and accepted by a certain House in the Bible The other House rejected this message and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit There are only the House of Israel the House of Judah and the House of David mentioned in the Bible All three existed then as they do today However most of today s Babylonian Priesthood Churchianity refuses to accept the secular historical position with regard to the House of Israel and who they are today The people groups which YAHWEH and YAHSHUAH addressed still exist today However these people are all mixed up and known by different names but they DO exist This book goes back to the origin of these people groups in the Bible and brings them forward to the present using their

old names in order to understand Eschatology This brings us to the major question of Is the Bible only about Israel And if so how does it affect our Eschatology today This book answers these hard questions *The Nation* ,1875 **Gleanings from Bible lands, chapters on eastern cities, their dwellings [&c.].** Alfred Ernest Knight,1891 *The Publishers Weekly* ,1921
