Mansion By The Mersey:

A Mansion by the Mersey Anne Baker, 2003-01 Lorna Mathews has grown up in a loving home safe in the knowledge that her parents think the world of their bright capable daughter However when her mother hears the name of Lorna's new employers Lars Wyndham Sons she has to confess that Lorna's real father was Oliver Wyndham who died before Lorna was born For Lorna her job becomes a quest to learn more about her father and when Jonathan Wyndham falls in love with her she wonders if she can trust him with the truth or will she in turn be abandoned by the powerful Wyndham family

Merseyside Girls Anne Baker, 2010-12-09 With secrets drama and war to contend with three sisters must look to each for support and guidance Merseyside Girls is an evocative wartime saga from Anne Baker which follows a family as they come to terms with the past and the future Perfect for fans of Nadine Dorries and Cathy Sharp Nancy Amy and Katie Siddons are three of the prettiest nurses south of the Mersey They've been brought up to respect their elders and uphold family honour at all times Then sweet na ve Katie falls pregnant bringing shame upon the family's name Alec Siddons a local police constable cannot and will not forgive his daughter for her immoral behaviour But Katie isn't the only one with troubles ahead Amy is in love with her cousin Paul but owing to a family feud the mere mention of his name is forbidden in her father's presence and Nancy is eager to wed her fiancé Stan before the Second World War takes him away With the outbreak of war the three sisters offer each other comfort and support Their mother meanwhile is battling with painful memories of the past and their father lives in dread that his own dark secrets will be revealed As the war takes its toll on the Merseyside girls they learn that few things in life are more precious than honesty love and forgiveness What readers are saying about Merseyside Girl I've read several books by Anne Baker and they have all been enthralling Cannot wait to get stuck into the next one A great story *The Mercantile Navy List and Maritime Directory* Great Britain. General Register and Record Office of

Shipping and Seamen, 1925 **Paterson's Roads ... The sixteenth edition ... Remodelled, augmented, and improved ... By Edward Mogg** Daniel Paterson, 1824 *The Times Register of Events in ...*, 1885 *The Lost Blackbird* Liza Perrat, 1900 A powerful story of sisters cruelly torn apart by a shameful event in British Australian history Clare Flynn author of *The Pearl of Penang* London 1962 A strict and loveless English children's home or the promise of Australian sunshine sandy beaches and eating fruit straight from the tree Which would you choose Ten year old Lucy Rivers and her five year old sister Charly are thrilled when a child migrant scheme offers them the chance to escape their miserable past But on arrival in Sydney the girls discover their fantasy future is more nightmare than dream Lucy's lot is near slavery at Seabreeze Farm where living conditions are inhuman the flies and heat unbearable and the owner a sadistic bully What must she do to survive Meanwhile Charly adopted by the nurturing and privileged Ashwood family gradually senses that her new parents are hiding something When the truth emerges the whole family crumbles Can Charly recover from this bittersweet deception Will the sisters stranded miles apart in a strange country ever find each other again A poignant testament to child migrants who

suffered unforgivable evil The Lost Blackbird explores the power of family bonds and our desire to know who we are her best book yet portrayal of childhood grieving is exquisitely sensitive and accurate Dr Norman James psychiatrist **Lord Dunmersey** Leander Pease Richardson,1889 **Paterson's roads; by E. Mogg** Daniel Paterson,1824 The Diary of Jack the Ripper - The Chilling Confessions of James Maybrick Shirley Harrison,2010-04-05 The pages of The Diary of Jack the Ripper reveal the unimaginable that over a century ago the legendary serial killer at work in London s Whitechapel kept a record of his bestial mutilations of women The writer of the horrific journal is James Maybrick a depraved drug taking womanising 49 year old Liverpool cotton merchant with a history of domestic violence In this analysis of his diary investigative author Shirley Harrison explains all about the origins of the text the rigorous scientific analysis it has endured and reveals startling new information about Maybrick s shadowy background All this combines with a chilling confession scratched into a watch I am Jack J Maybrick provide powerful justification that Maybrick was Jack the Ripper The diary itself is reproduced in full so that you too can judge whether these are the deeply distributing words of Jack the Ripper himself reaching out from across the abyss of more than a century **Mercantile Navy List and Maritime Directory** ,1925
