Mayor Gerry David Ricardo Williams,1986 **First Begotten Sin** William W. Jr. Morrow,2003-01-06 In the town of Bellegarden Virginia Samuel West has become the youngest African American commonwealth attorney in Virginia s history But after one of the councilmen is found brutally murdered on Sam s first day Sam will find out that Bellegarden is not the idyllic town he thought With the mayor pushing for closure and the police department bungling the case Sam must decide who holds the key to the truth And when his wife Shelby is kidnapped while he investigates the most important murder of his career he gains an unlikely friend while he uncovers a secret so shocking it will ruin Bellegarden s reputation and may even kill him and his wife **Around and about** Michael Green,2004 This is a humorous wry critical and sometimes nostalgic look at people and events in South Africa over the past half century by one of the country s longest serving newspaper editors

Mayor,1884 Finding Amy: A BWWM Billionaire Romance Thriller Cristina Grenier, At Odds Suzanne Morton,2003-01-01 Using a rich variety of historical sources Suzanne Morton traces the history of gambling regulation in five Canadian provinces Nova Scotia Quebec Ontario Manitoba and B C from the First World War to the federal legalization in 1969 This regulatory legislation designed to control gambling ended a long period of paradox and pretence during which gambling was common but still illegal Morton skilfully shows the relationship between gambling and the wider social mores of the time as evinced by labour governance and the regulation of vice Her focus on the ways in which race class and gender structured the meaning of gambling underpins and illuminates the historical data she presents She shows for example as Old Canada the Protestant Anglo Celtic establishment declined in influence gambling took on a less deviant connotation a process that continued as charity became secularized and gambling became a lucrative fundraising activity eventually linked to the welfare state At Odds is the first Canadian historical examination of gambling a complex topic which is still met by moral ambivalence legal proscription and volatile opinion This highly original study will be of interest to the undergraduate history or social science student but will also hold the attention of a more general reader **The Fortunes of German Writers in America**
