Congress Senate,1938 The OSS in World War II Albania Peter Lucas,2015-02-16 World War II found Albania fighting a war within a war In addition to the threat faced from the Germans Albania was engaged in a civil war between the Nazi sponsored Ballists and the Communist partisans led by Enver Hoxha While America was reluctant to get involved in the civil conflict the United States was naturally inclined to lend support to whoever fought the Nazis even if that meant an alliance with the Communists On a cold November night in 1943 Dale McAdoo code named Tank secretly landed on the Albanian coast with a team of OSS Office of Strategic Services agents including Ismail Carapizzi an Albanian guide and interpreter who would later be murdered McAdoo s team the first of many to follow set up a base of operations in a deep water level cave on the rocky Albanian coast that served the OSS as it carried out its mission of gathering intelligence to support the Allied war effort and harass the Germans McAdoo was joined by Captain Tom Stefan code name Art an Albanian speaking OSS officer from Boston whose assignment was to join Hoxha at his remote mountain headquarters and bond with the reclusive Communist leader to benefit the OSS This volume describes how the OSS aided the Communist led partisans in an attempt to weaken the Nazi cause in Albania and neighboring Italy The book presents an in depth look at the small core of hardened men who comprised these highly specialized teams including each member s background and his special fitness for his wartime role behind enemy lines The American and British presence in Albania during World War II and the later deterioration of Hoxha s relations with Captain Tom Stefan and the OSS mission are discussed in detail Firsthand interviews with still living participants and extensive onsite research make this book a unique resource for a little known dramatic piece of World War II history **Railway Review** ,1918 **Campaign Contributions** ,1912 **Campaign Contributions** United States.
