North American Soccer League Encyclopedia:

North American Soccer League Encyclopedia Colin Jose, North American Soccer League, 2003 **Statistical Encyclopedia of North American Professional Sports** K. Michael Gaschnitz, 2008-09-18 This reference work updated since the 1997 edition provides comprehensive information on the major professional leagues in North America baseball basketball football hockey and soccer Arranged chronologically the entries for each league in each sport include individual statistical leaders championship results major rules changes winners of major awards and hall of fame inductees

American Soccer Gregory G. Reck, Bruce Allen Dick, 2015-01-26 This narrative of U S soccer s history and present day status addresses the issues of socioeconomics Emphasizing the differences between social classes in U S soccer past and present as well as those between American soccer and international football this work analyzes the role of class in American soccer s failure to carve out a more prominent place in the sports landscape Contemporary soccer is explored from its beginnings in informal Parks and Recreation leagues to the development of formal club programs and university professional and U S national teams In recent decades Hispanic leagues formed primarily by Mexican and Central American immigrants have reinforced the theme of a class based exclusionary space in U S soccer A personal perspective based on the authors experience coaching soccer at the informal level broadens the book s appeal [The Encyclopedia of American Soccer History](#) Roger Allaway, Colin Jose, David Litterer, 2001 Examines American soccer from the 1860s to the 1999 Women s World Cup and the 1999 Major League Soccer season Entries are present for the many professional and semi professional leagues that have existed since the 1890s including their teams coaches and greatest players Principal cup competitions national teams and major international events also are noted Statistics and records and accounts of some memorable games are included in the appendices [The Sports Hall of Fame Encyclopedia](#) Dave Blevins, 2011-12-23 In 1936 the Baseball Hall of Fame was established to honor the legends of the sport The first inductees were some of the greatest names of the dugout including Ty Cobb and Babe Ruth Less than ten years later in 1945 the Hockey Hall of Fame inducted its first members The Soccer Hall of Fame was established in 1950 followed by the Basketball Hall of Fame in 1959 and the Football Hall of Fame in 1963 In all more than 1 400 inductees players teams and behind the scenes personnel have been enshrined in these five halls of fame The Sports Hall of Fame Encyclopedia is a comprehensive listing of each inductee elected into one or more of these major sports halls of fame From Hank Aaron to Fred Zollner this book contains biographical information sport and position s played and career statistics when applicable of each of the more than 1 400 honorees The book also includes specific appendixes for each shrine in which inductees are listed alphabetically and by year of induction Also included are appendixes briefly describing the history of each hall of fame [The Sports Hall of Fame Encyclopedia](#) David Blevins, 2012 Provides a comprehensive listing including biographical information and statistics of each athlete inducted into one of the major sports halls of fame [Soccer in American Culture](#) G. Edward White, 2022-03-28 2022 Choice Outstanding Academic

Title In Soccer in American Culture The Beautiful Game s Struggle for Status G Edward White seeks to answer two questions The first is why the sport of soccer failed to take root in the United States when it spread from England around much of the rest of the world in the late nineteenth and twentieth centuries The second is why the sport has had a significant renaissance in America since the last decade of the twentieth century to the point where it is now the 4th largest participatory sport in the United States and is thriving in both men s and women s versions at the high school college and professional levels White considers the early history of Association football soccer in England the persistent struggles by the sport to establish itself in America for much of the twentieth century the role of public high schools and colleges in marginalizing the sport the part played by FIFA the international organization charged with developing soccer around the globe in encumbering the development of the sport in the United States and the unusual history of women s soccer in America which evolved in the twentieth century from a virtually nonexistent sport to a major factor in the emergence of men s as well as women s soccer in the U S in the twentieth century Incorporating insights from sociology and economics White explores the multiple factors that have resulted in the sport of soccer struggling to achieve major status in America and why it currently has nothing like the cultural impact of other popular American sports baseball and American football which can be seen by the comparative lack of attention paid to it in sports media its low television ratings and virtually nonexistent radio broadcast coverage

Legacies of Great Men in World Soccer Kausik Bandyopadhyay,2017-10-02 Soccer the world s most popular mass spectator sport gives birth to great achievers on the field of play all the time While some of them become heroes and stars during their playing career transforming themselves into national as well as global icons very few come to be remembered as all time greats They leave an enduring legacy and thereby claim to be legends by their own rights While the rise and achievements of these soccer greats have drawn considerable attention from scholars across the world their legacies across time and space have mostly been overlooked This volume intends to reconstruct the significance of the legacies of such great men of world soccer particularly in a globalized world It will attempt to show that these luminous personalities not only represent their national identity at the global stage but also highlight the proven role of the players or coaches in projecting a global image cutting across affiliations of nation region class community religion gender and so on In other words the true heroes icons and legends of the world s most popular sport have always floated at a transnational global space transcending the limits of space identity or culture of a nation This book was published as a special issue of Soccer and Society

Soccer's Most Wanted™ II Jeff Carlisle,2009-02-28 Soccer is the world s game more popular than any other sport Fans fill stadia and players strive to perform at the highest levels for them Soccer s Most Wanted II presents more of the best and brightest funniest and freakiest and the highs and lows of soccer It highlights the crazy incidents and interesting bits of trivia that have helped make soccer football to the rest of the globe the most watched sport on the planet Everyone remembers the World Cup winners but what about the best teams who fell just short And what about the great players who never got to

appear on the world stage Then there is the burgeoning American game thanks to the steady progress of Major League Soccer and the strides made by the country's respective national teams Jeff Carlisle presents all that and more in fifty top ten lists chock full of entertaining stories He covers strange injuries bizarre bookings and some of the more colorful feuds worldwide He discusses the greatest players to travel from the MLS to overseas and lambastes the biggest flops who came to MLS assuming glory and fell flat on their faces He covers European leagues and players too from the EPL to Serie A and everything in between Through it all he presents the game as only a true follower can with an expertise gained through years of coverage Soccer's Most Wanted II brings the beautiful game to life

Lamar Hunt Michael MacCambridge, 2012-10-02 I can't separate what part of pro football is business and what part is personal with me he said I just know that it is very important that I succeed He had loved games as a young boy had played them as a young man and now as a naive but determined 27 year old in the summer of 1959 Lamar Hunt announced that he was going to launch a new football league What he couldn't possibly have known on that day was that the forces of the entrenched National Football League would soon be arrayed against him The league would place its own team in his hometown of Dallas in direct competition with his team and would attempt to undermine the new league trying on repeated occasions before that first season to prevent the new American Football League from ever starting And what the NFL couldn't have known but would soon find out was that Hunt the mild mannered bespectacled son of legendary oilman H L Hunt had an indomitable will and patience beyond his years Resolute and innovative he successfully launched the AFL and seven years later helped broker a merger deal which created the need for a championship game between the two leagues Then he came up with the name of the game the Super Bowl Never before and not since has anyone with so many resources spent so much time watching participating in and being captivated by the absorbing ritual of sports and the suspended state of play His accomplishments would put him in the company of the other giants of American sports Charles C Cash and Carry Pyle Abe Saperstein George Halas Branch Rickey Red Auerbach Pete Rozelle Each was present at a revolution But Hunt significantly was present at a number of revolutions And he was the catalyst for each one Before his death in 2006 Hunt revolutionized three different sports pro football tennis and soccer winding up in the Hall of Fame of each Written by award winning author Michael MacCambridge Lamar Hunt A Life In Sports is the definitive and official biography of one of the 20th century's most important and beloved sporting figures the soft spoken strong willed man whose audacious challenge to the NFL transformed the landscape of American sports but only served as an opening act to his epic sporting journey Drawing on 50 years of Hunt's personal papers and more than 200 interviews author Michael MacCambridge provides an intimate original portrait of the man forever captivated by these serious pursuits we call games

Encyclopedia of New Jersey Maxine N. Lurie, Marc Mappen, 2004 Contains nearly original articles along with illustrations and maps collecting a wealth of information about the state of New Jersey

Encyclopedia of Sports Management and Marketing Linda E. Swayne, Mark Dodds, 2011-08-08 This four volume set introduces on the

management side principles and procedures of economics budgeting and finance leadership governance communication business law and ethics and human resources practices all in the sports context On the marketing side this reference resource explores two broad streams marketing of sport and of sport related products promoting a particular team or selling team and sport related merchandise for example and using sports as a platform for marketing non sports products such as celebrity endorsements of a particular brand of watch or the corporate sponsorship of a tennis tournament Together these four volumes offer a comprehensive and authoritative overview of the state of sports management and marketing today providing an invaluable print or online resource for student researchers **Sport as a Business** H. Dolles,S.

Söderman,2011-05-17 Sport has a number of distinctive characteristics which impact on the extent of its globalization This book seeks to gain a deeper understanding of the unique development in sports its governance its logic of co creation of value and the advancement of the industry towards internationalisation professionalization and commercialization **The American Encyclopedia of Soccer** Zander Hollander,1980 Comprehensive soccer data including over 100 years of heroes and teams college and professional records of North American Soccer League Players World Cup American Soccer league Official Rules Olympics Includes index **The Encyclopedia of New York State** Peter Eisenstadt,2005-05-19 The Encyclopedia of New York State is one of the most complete works on the Empire State to be published in a half century In nearly 2 000 pages and 4 000 signed entries this single volume captures the impressive complexity of New York State as a historic crossroads of people and ideas as a cradle of abolitionism and feminism and as an apex of modern urban suburban and rural life The Encyclopedia is packed with fascinating details from fields ranging from sociology and geography to history Did you know that Manhattan s Lower East Side was once the most populated neighborhood in the world but Hamilton County in the Adirondacks is the least densely populated county east of the Mississippi New York is the only state to border both the Great Lakes and the Atlantic Ocean the Erie Canal opened New York City to rich farmland upstate and to the west Entries by experts chronicle New York s varied areas politics and persuasions with a cornucopia of subjects from environmentalism to higher education to railroads weaving the state s diverse regions and peoples into one idea of New York State Lavishly illustrated with 500 photographs and figures 120 maps and 140 tables the Encyclopedia is key to understanding the state s past present and future It is a crucial reference for students teachers historians and business people for New Yorkers of all persuasions and for anyone interested in finding out more about New York State

Encyclopedia of the FIFA World Cup Tom Dunmore,2015-01-14 Every four years the FIFA World Cup captures the global imagination like no other sporting spectacle With a cumulative television audience of several billion people tuning in to the 2014 World Cup and an estimated 700 million watching the finals including more than 25 million in the United States alone the World Cup is the world s most watched sporting event The Encyclopedia of the FIFA World Cup provides the most comprehensive and up to date information available on the history of this incomparable event An introductory narrative

explains the origins and historical progression of the World Cup while a chronology traces the development of the World Cup since it was first held in 1930 Hundreds of entries cover the players and coaches who have participated in the World Cup and made the most memorable contributions to the event s history Additional entries include officials stadiums overviews of each major country s performances and more A separate section provides detailed entries for each World Cup finals tournament Appendixes contain details on every participant in World Cup history as well as top performers officials and World Cup records Including an indispensable bibliography on the key World Cup texts Encyclopedia of the FIFA World Cup is an essential reference for soccer fans players and researchers alike Can You Name that Team? David B. Biesel,1993-01-01 Now in Paper The only single source collection of over 950 teams in 36 major professional leagues _baseball football soccer basketball and hockey_ this book also contains the first genealogy ever compiled on all these leagues giving each team franchise and its past and present names Section 1 is an alphabetical listing by the designation city state province or region used by the team This main entry section explains how the team got its name Section 2 _the family tree_ contains a separate listing of the teams in each of the 36 leagues who they were and who they became Section 3 is an alphabetical listing of all the team names in Sections 1 and 2 With bibliography and index The World Encyclopedia of Soccer Michael L. LaBlanc,Richard Henshaw,1994 A global view of soccer and its remarkable growth and development in the U S The Early Years of Chicago Soccer, 1887-1939 Gabe Logan,2019-05-30 For over a century Chicago has played soccer This work explains the early history of the game in the Second City beginning with the 1887 formation of the Chicago Football Association and concluding with the 1939 season and Chicago Sparta s National Open Cup win which brought the trophy to the city for the first time This study chronicles the early British immigrants who first transported and organized the game in Chicago It documents the myriad ethnic groups and native born players that kicked in the city s many leagues and examines the many championship tournaments teams and players that made Chicago one of the nation s early soccer powers The Global Football Industry James J. Zhang,Brenda G. Pitts,2018-01-29 In recent years football s status as the world s sport has shown little sign of waning From increasing participation at grassroots levels and to the highly lucrative media rights deals secured by the top elite clubs the game appears to be thriving as it continues to excite and enthrall billions of people around the globe Nevertheless there are a number of challenges and opportunities facing the football industry today that warrant further examination This book brings together leading international researchers to survey the current state of the global football industry exploring contemporary themes and issues in the marketing of football around the world With contributions from Europe Asia and the Americas it discusses key topics such as football club management the economics of the football industry match fixing social media fan experiences the globalized marketplace and the growing popularity of the women s game Offering insights for researchers managers and marketers who are looking to stay ahead of the game The Global Football Industry Marketing Perspectives is essential reading for anyone with an interest in international sport business

Reviewing **North American Soccer League Encyclopedia**: Unlocking the Spellbinding Force of Linguistics
