Judy Resnick,2012-10-31 Like a lot of women of my generation I was raised to be a wife and mother That worked for me until I realized my husband was a jerk and I divorced him until my father died and left us only gambling debts until my mother and sister were killed in a plane crash So there I was 40 years old close to broke with two children and no way of making a living Fortunately I was a natural as a financial adviser and broker And as soon as I solved my own money problems I turned my attention to helping other women become financially independent Invest Isn't that gambling Not compared to betting everything you've got on a man Investing isn't rocket science Once you've mastered some simple ideas spend less save more watch your credit card debt you're likely to find you actually have money to invest And that's where this book can be your guide to sane successful investing

51 1/2 Shades of Brown Laura Renee Brown, Wayne Stanley Brown,2018-05-12 What words or images come to mind when you think of marriage Is it love romance stress anger failure happiness friendship or something else The correct answer is all the above No two marriages will be the same All marriages will reflect the hearts of the two people involved in it Our story is about two flawed people with flawed circumstances who came together to create an extraordinary marriage masterpiece Some people may prefer a romanticized fairytale story Wayne and I can't offer you a fairytale But we are here to encourage you to get past the fairytale desire for princes on white horses and princesses in need of rescue and seek the kind of person you can make history with for a lifetime That is more satisfying than a fairytale The people around us always comment on the wonderful marriage we seem to have Our relationship canvas displays a picture of love honor and respect for each other We often find ourselves saying If you only knew how many messes we made along the way to this masterpiece on display We were approaching our 25th Anniversary in January of 2017 In December of 2016 I Laura shared 25 little known facts on Facebook about our marriage journey one a day at a time until January 4th 2017 I was surprised at the number of people who commented and said this was the highlight of their day If I was late posting I would get messages inquiring about the absent post I finally decided to schedule the messages so I would not forget or get harassed by my followers for being slow Our friends encouraged Wayne and me to write a book including some those not so perfect tales of our marriage journey It dawned on us that people wanted to see behind the curtains of this picture perfect marriage They wanted authenticity We don't have the perfect marriage if such a thing even exists but we do have is built on love trust honor and mutual respect and a sincere desire to reflect the image of God in our marriage To paint the most vivid and authentic picture of our marriage we selected 51 moments in our 28 year long relationship we felt impacted us the most These are stories of our successes and failures victories and defeat joy and pain Each moment comes with a shade which are our lessons learned We used the hashtag to acknowledge social media's role in the creation of the book Each shade also encourages you to use various principles to create your own shade as you paint your marriage masterpiece The 1 2 shade indicates our masterpiece is still a work in progress Welcome to our life
