Malissa Clark

Not Working:

Not Working Alejandra Marchevsky, Jeanne Theoharis, 2006-04-10 *Not Working* chronicles the devastating effects of the 1996 welfare reform legislation that ended welfare as we know it. For those who now receive public assistance, work means pleading with supervisors for full-time hours, juggling ever-changing work schedules and shuffling between dead-end jobs that leave one physically and psychically exhausted. Through vivid storytelling and pointed analysis, *Not Working* profiles the day-to-day struggles of Mexican immigrant women in the Los Angeles area, showing the increased vulnerability they face in the welfare office and labor market. The new work-first policies now enacted impose time limits and mandate work requirements for those receiving public assistance, yet fail to offer real job training or needed childcare options, ultimately causing many families to fall deeper below the poverty line. *Not Working* shows that the new welfare-to-work regime has produced tremendous instability and insecurity for these women and their children. Moreover, the authors argue that the new politics of welfare enable greater infringements of rights and liberty for many of America's most vulnerable and constitute a crucial component of the broader assault on American citizenship. In short, the new welfare is not working. **Not Working** DW Gibson, 2012-07-03 Poignant true stories of resilience, determination, and the search for fulfillment. Inspired by Studs Terkel's *Working* and by James Agee and Walker Evans' *Let Us Now Praise Famous Men*, DW Gibson sets off on a journey across the United States to interview Americans who have lost their jobs. Here is the mortgage broker who arrived at work to find the door to his office building padlocked; the human resources executive who laid off a couple hundred people before being laid off herself; the husband who was laid off two weeks after his wife learned she was pregnant; the wife who was forced to lay off her husband. In telling the stories of people who could be our neighbors, our friends, our relatives, *Not Working* holds up a mirror to our times, showing us the individuals behind the unemployment statistics, their fears and hopes, and offering a map for navigating our changing economy. With an extraordinary mix of pathos, anger, solidarity, and humor, it brings clarity and humanity to the national conversation. For information about the companion documentary film *Not Working: The Pulse of the Great Recession*, please visit ffhfilms.com, title 55494. *Never Not Working* Malissa Clark, 2024-02-06 The always-on-hustle culture creates an unhealthy, counterproductive relationship with work. Many workers believe that to compete with other top talent, they must embrace a culture that rewards long hours and a constant connection to work. Businesses and society endorse busyness, overwork, and extreme commitment as the most valued traits in workers. Sometimes that endorsement is explicit, as when Elon Musk told X/Twitter employees to work long hours at high intensity or get fired. More often, it's an implicit contract, a buildup of organizational and cultural norms and the adoption of new technologies that make it easy to tether people to work. Either way, this workaholic behavior is unhealthy and counterproductive for workers and for organizations. It's time to fight back. Malissa Clark, a preeminent researcher on the culture of overwork, shows you how in *Never Not Working*. Clark examines overwork and burnout not just from the individual's perspective but from an

organizational perspective too She delivers a comprehensive nuanced definition of workaholism busting myths along the way working long hours it turns out doesn't automatically make you a workaholic She also helps you assess whether you're falling prey to the phenomenon and whether you're creating workaholics in your organization Clark shows you how to escape the trap of putting work at the center of everything and thus losing your well-being or your company's performance in the process Deeply researched and written for everyone from leaders to individual contributors **Never Not Working** is the essential guide to identifying workaholism in yourself and others and starting on the road to recovery **What Can We Do**

When School's Not Working? Abigail Fisher, Naomi Fisher, Eliza Fricker, 2025-04-21 An increasing number of children are struggling to attend school The conventional approach prioritises a rapid return to their setting For some children this simply doesn't work They are stuck not attending school but not learning out of school either What happens then and what can we do about it This illustrated guide lifts the lid on the experiences of children and families who are struggling within the school system and explores how we can work with these young people to maximise their chances of a positive and fulfilled life The book encourages professionals to take a new perspective and to consider what can be done differently It explores the ways in which difficulties with school are understood by children parents and professionals and shows how things can go wrong and right using real-life examples from a range of settings Chapters delve into common interventions and the impact these can have in practice before introducing alternative approaches which have the child at the centre The voices of young people are foregrounded throughout shedding light on their struggles with attendance including when placements have completely broken down and importantly showing how they have gone on to success Original illustrations are included to bring these ideas to life Placing authentic experiences at the core this book offers a valuable insight into the lives of children and families when school has gone wrong and will leave you with new ideas as to how to turn things around **What Can We Do When School's Not Working** is essential reading for professionals working with children who are struggling with school attendance from SENCOs and educational support workers to educational psychologists senior leadership teams and local authorities

This Isn't Working! Catherine Altman Morgan, 2023-01-31 takes the lid off the difficult career questions we all face and provides pointed advice for finding healthy empowering work Steve Woodruff Author **Clarity Wins The Great Resignation the Great Reshuffling and Quiet Quitting** clearly something is not right at work Rates of stress anxiety and depression were skyrocketing before the COVID-19 pandemic Tied to their smartphones 24/7 many people were overworking measuring their self-worth and value by how busy they were They compared their lives to the filtered lives of peers on social media They worked in corporate cultures that didn't support employees and they undervalued the importance of their own mental and physical health During the pandemic's height in 2020 many people were forced to stay home Some found themselves without a job at all others had to learn to do their jobs remotely It was during this down time that many people realized that busyness overworking overconsumption avoidance and numbing weren't helping In fact the whole approach was batshit crazy In This

Isn't Working: Evolving the Way We Work to Decrease Stress, Anxiety, and Depression

career transition expert Catherine Altman Morgan explains why we shouldn't be striving to get back to normal because normal wasn't all that great. Instead, we need to EVOLVE. Through her company Point A to Point B Transitions Inc, Catherine has worked with many clients who suffer with physical and mental health issues caused by work-related stress. In this book, she offers techniques and strategies to rethink how we live and work and start feeling better almost immediately.

I need this book. You might too. If you've felt a bit dented, here's the fix.

The Black Actor's Guide to Not Working

Darrell Kiedo, 2003-11-07

The Black Actors Guide is the personal journey of Actor/Comedian Darrell Kiedo as recorded in his journal. The personal tale of one man's struggle to pursue his dream. It is a hard-hitting look at the entertainment business from a black actor's perspective, funny and poignant. It will open your eyes to an industry that continues to close doors to performers of color while shouting diversity from their studio boardrooms. The book also includes the screenplay *Before The Dawn*, a dynamic story of a young black gangmember struggling for a way off the streets and into a better life. The film's message of hope and opportunity despite one's circumstances is sure to inspire people around the world. *Before The Dawn*, an original film, was written by actor/comedian/writer Darrell Kiedo.
