Human Rights, Race, and Resistance in Africa and the African Diaspora Toyin Falola, Cacee Hoyer, 2016-10-04 Africans and their descendants have long been faced with abuse of their human rights most frequently due to racism or racialized issues Consequently understanding shifting conceptualizations of race and identity is essential to understanding how people of color

confronted these encounters This book addresses these issues and their connections to social justice discrimination and equality movements From colonial abuses or their legacies black people around the world have historically encountered discrimination and yet they do not experience injustice opaquely The chapters in this book explore and clarify how Africans and their descendants struggled to achieve agency despite long histories of discrimination Contributors draw upon a range of case studies related to resistance and examine these in conjunction with human rights and the concept of race to provide a thorough exploration of the diasporic experience Human Rights Race and Resistance in Africa and the African Diaspora will appeal to students and scholars of Ethnic and Racial Studies African History and Diaspora Studies **Broadway** Thomas A. Greenfield, 2009-12-23 This is the most comprehensive and insightful reference available on Broadway theater as an American cultural phenomenon and an illuminator of American life Broadway An Encyclopedia of Theater and American Culture is the first major reference work to explore just how much the Great White Way illuminates our national character In two volumes spanning the era from the mid 19th century to the present it offers nearly 200 entries on a variety of topics including spotlights on 30 landmark productions from Shuffle Along to Oklahoma to Oh Calcutta to The Producers that not only changed American theater but American culture as well In addition Broadway offers thirty extended thematic essays gauging the powerful impact of theater on American life with entries on race relations women in society sexuality film media technology tourism and off Broadway and noncommercial theater There are also 110 profile entries on key persons and institutions from the famous to the infamous to the all but forgotten whose unique careers and contributions impacted Broadway and its place in the American landscape **Hallmarks: The Cultural Politics and Public Pedagogies of Stuart Hall** Leslie Roman, 2018-02-02 This provocative interdisciplinary and transnational collection delves deeply into the educational and public intellectual hallmarks of Stuart M Hall a core figure in the development of the post War British New Left of Cultural Studies at the Centre for Contemporary Cultural Studies and later of the Open University It opens new vistas on both critical educational studies and cultural studies through interviews with and essays by leading writers shedding light on the under appreciated public pedagogical and cultural politics of the New Left of Thatcherism and of Rightist neo colonial diasporic and neo liberal formations in Jamaica the UK Australia North America and Brazil Intimate and moving the contributors describe Hall s diasporic formation as a courageous artist and educator of cultural politics and social movements showing both the reach and the relevance of his public pedagogies in the construction of alternatives to essentialist racial politics and the despairing cynicism of neo liberalism With contributors and interviewees including Leslie G Roman Michael W Apple Avtar Brah John Clarke Annette Henry Lawrence Grossberg Luis Gandin and Fazal Rizvi Hallmarks The Cultural Politics and Public Pedagogies of Stuart Hall reveals that neither cultural politics nor public pedagogies are stable or self evident constructs Each legitimates and requires the other as part of a longer radical democratic project for social justice This book was originally published as a special issue of Discourse Studies in the Cultural Politics of Education

Encyclopedia of U.S. Military Interventions in Latin America Alan McPherson, 2013-07-08 This unique reference shows how the United States has intervened militarily politically and economically in Central America South America and the Caribbean from the early 19th century to the present day What do baseball American war crimes and a slice of watermelon have in common in the annals of Latin American history Believe it or not this disparate grouping reflects the cultural and historical remnants of America's military and political involvement in the region As early as 1811 the United States began intervening in the affairs of Central America South America and the Caribbean and it hasn't stopped since This compelling reference analyzes both the major interventions and minor conflicts stemming from our nation's military operations in these areas and examines the people places legislation and strategies that contributed to these events In addition to documented facts and figures the alphabetically organized entries in *Encyclopedia of U S Military Interventions in Latin America* present fascinating anecdotes on the subject including why the United States once invaded Panama over a slice of watermelon how an intervention in Nicaragua landed our country on trial for war crimes and how the popularity of baseball in Latin America is a direct result of American influence Primary source documents and visual aids accompany the content *Uniting Blacks in a Raceless Nation* Miguel Arnedo-Gómez, 2016-05-12 The Cuban writer Nicol's Guill'n has traditionally been considered a poet of mestizaje a term that whilst denoting racial mixture also refers to a homogenizing nationalist discourse that proclaims the harmonious nature of Cuban identity Yet many aspects of Guill'n's work enhance black Cuban and Afro Cuban identities Miguel Arnedo G meez explores this paradox in Guill'n's pre Cuban Revolution writings placing them alongside contemporaneous intellectual discourses that feigned adherence to the homogenizing ideology whilst upholding black interests On the basis of links with these and other 1930s Cuban discourses Arnedo G meez shows Guill'n's work to contain a message of black unity aimed at the black middle classes Furthermore against a tendency to seek a single authorial consciousness be it mulatto or based on a North American construction of blackness Guill'n's prose and poetry are also characterized as a struggle for a viable identity in a socio culturally heterogeneous society **Transformation of Tradition and Culture** ???????? Miho Tsukamoto, 2018-02-07 The book *Transformation of Tradition and Culture* is a work of comparative literary research and culture investigation The book studies world literatures from the USA the DR Mexico Spain Portuguese and Japan US cultures such as the Barbie doll Mexican mural studies Japanese subcultures manga anime movies and food culture media study and women in society It is a book of an author's experiences culture and historical footsteps with people from all over the world Sharing one's own culture with people from different cultural backgrounds is vital for everyone to learn about their own culture languages society economy politics and customs **Dialogues Across Diasporas** Marion Rohrleitner, Sarah E. Ryan, 2013 *Dialogues Across Diasporas* focuses on the shared historical legacies of members of the Africana and Latina diasporas and the cultural impact of the African diaspora in the Americas This book seeks to emphasize connections rather than divisions among different migratory ethnic communities via a reconfiguration of

borders and ethnic identities This collection of essays has three major goals first to foreground shared themes and strategies in the literary productions of women of Africana and Latina o descent second to highlight the importance of the arts for community activism within shared diasporic spaces and third to illustrate the potential of artistic and activist collaborations among women from both groups across disciplinary political national and ethnic divides Dialogues across Diasporas is divided into three sections The first section provides a theoretical overview of diasporic migrations politics and identities It argues that diverse diasporas can unite around shared political and cultural experiences such as converting contested spaces into communities and resisting rhetorics of exclusion The second section demonstrates the diverse ways in which migratory women and daughters of the diaspora frame their histories lived experiences and different forms of knowledge via poetry short stories academic essays and other art forms The third section focuses on women s activism suggesting opportunities for collaboration among and between diverse diasporic communities Thinking in Public Celucien L. Joseph, 2017-04-25

Thinking in Public provides a probing and provocative meditation on the intellectual life and legacy of Jacques Roumain As a work of intellectual history the book investigates the intersections of religious ideas secular humanism and development within the framework of Roumain s public intellectualism and cultural criticism embodied in his prolific writings The book provides a reconceptualization of Roumain s intellectual itineraries against the backdrop of two public spheres a national public sphere Haiti and a transnational public sphere the global world Second it remaps and reframes Roumain s intellectual circuits and his critical engagements within a wide range of intellectual traditions cultural and political movements and philosophical and religious systems Third the book argues that Roumain s perspective on religion social development and his critiques of religion in general and of institutionalized Christianity in particular were substantially influenced by a Marxist philosophy of history and secular humanist approach to faith and human progress Finally the book advances the idea that Roumain s concept of development is linked to the theories of democratic socialism relational anthropology distributive justice and communitarianism Ultimately this work demonstrates that Roumain believed that only through effective human solidarity and collaboration can serious social transformation and real human emancipation take place *Bowker's Best*
