Political Regime Of Contemporary China:

Political Regime of Contemporary China Hongwei Zhao, 2002 In *Political Regime of Contemporary China* Hongwei Zhao presents a theoretical frame of the multi layered centralized regime that expounds and proves the modern Chinese political regime in various aspects Zhao examines the changing process of the political regime from its origin to its incarnation in the Kingdom Era to what it is today The power structure the policy making process and its implementation throughout the nation and the society and the mechanism of the political regime alteration are also closely studied *Political Regime of Contemporary China* is the only comprehensive academic work on modern Chinese political regime since J Townsend's *Politics in China* ***Elite Politics in Contemporary China*** Joseph Fewsmith, 2015-04-15 A discussion of elite politics in contemporary China While a great deal of the text is descriptive much of the emphasis is on drawing out and abstracting the political dynamic at work The past half century has seen many hopes raised and some dashed a succession of fears and false alarms and both triumphs and calamities that were almost entirely unexpected This work offers a short but sweeping history of world politics since 1945 America's postwar pre eminence and the hopes that attended the creation of the United Nations the Cold War and the emergence of a volatile Third World economic transformations and the twin threat of nuclear and ecological disaster the crumbling of the Soviet system and the short lived promise of a peaceful prosperous and democratic new world The author describes these momentous changes concisely in an effort to show how we got here from there and what we might have learned along the way ***Rural Politics in Contemporary China*** Emily T. Yeh, Kevin O'Brien, Jingzhong Ye, 2016-01-22 This collection provides an overview of China's rural politics bringing scholarship on agrarian politics from various social science disciplines together in one place The twelve contributions spanning history anthropology sociology environmental studies political science and geography address enduring questions in peasant studies including the relationship between states and peasants taxation social movements rural urban linkages land rights and struggles gender relations and environmental politics Taking rural politics as the power inflected processes and struggles that shape access and control over resources in the countryside as well as the values ideologies and discourses that shape those processes the volume brings research on China into conversation with the traditions and concerns of peasant studies scholarship It provides both an introduction to those unfamiliar with Chinese politics as well as in depth new research for experts in the field This book was published as a special issue of the *Journal of Peasant Studies* ***Regime Legitimacy in Contemporary China*** Thomas Heberer, Gunter Schubert, 2008-08 Using in depth case studies of a wide range of political social and economic reforms in contemporary China this volume sheds light on the significance and consequences of institutional change for stability of the political system in China The contributors examine how reforms shape and change Communist rule and Chinese society and to what extent they may engender new legitimacy for the CCP regime and argue that authoritarian regimes like the PRC can successfully generate stability in the same way as democracies Topics addressed

include ideological reform rural tax for fees reforms elections in villages and urban neighbourhood communities property rights in rural industries endogenous political constraints of transition internalising capital markets the media market in transition the current social security system the labour market environmental policy reforms to anti poverty policies and NGOs Exploring the possibility of legitimate one party rule in China this book is a stimulating and informative read for students and scholars interested in political science and Chinese politics

Debating Regime Legitimacy in Contemporary China Suisheng Zhao, 2018-10-11 This comprehensive volume is a three part study of whether the Chinese political system has maintained a significant degree of regime legitimacy in the context of rising domestic discontent in particular the popular protests against socio economic inequality and environment degradation Part I presents the scholarly debate on the theoretical refinement and empirical measurement of regime legitimacy in contemporary China Part II focuses on the challenges to regime legitimacy of the increasingly widespread popular protests and civil activism Part III examines the regime's responses to these challenges including coercive repression adaptation and economic performance This book finds that while repression can hardly stop popular protests and often backfires economic performance legitimacy is increasingly difficult to be maintained The only way out is the adaptation to the changing domestic and international environment The chapters in this collection were originally published in the Journal of Contemporary China

Study On International Politics In Contemporary China Yuyan Zhang, 2020-07-14 China's guiding principle for foreign relations and its focus on states and regions has shifted a lot from the first 30 years of the founding of the People's Republic of China PRC in 1949 to 1978 and beyond after reform and opening up However PRC's diplomatic practice has been continuous whether it was participation in the Korean War breaking up with the former Soviet Union after a honeymoon period China's self defense war over Sino Indian border participation in the Vietnam War breakthrough in the Sino US relation or PRC's self defense war over the Sino Vietnamese border These historical events brought the need for theoretical study in International Politics IP The development of China's IP research was slow and filled with complications but it signified a breakthrough from scratch This book has filled gap by depicting a complete scroll of China's IP research in over 60 years since 1949 This book has followed two principles one is according to the classification of the IP discipline and the other is to recommend adaptations according to China's actual conditions

Citizenship and Education in Contemporary China Yeow-Tong Chia, Zhenzhou Zhao, 2023-05-31 A key objective of education in China is to cultivate one's moral values with the ultimate objective of becoming fully human Unlike the West which regards moral cultivation as related to but separate from citizenship cultivation East Asia including China views moral and citizenship cultivation as synonymous The essays in this book offer various perspectives on and understandings of Chinese citizenship and education by a group of scholars of Chinese heritage situated inside and outside of China They offer compelling evidence and rich theoretical discussions about the practice of teaching citizenship in the state education the interplay between citizenship and China's cultural and religious

traditions and the construction of citizenship from the groups from marginal positions The book uses citizenship as a lens to examine the pressing issues of identity democracy religion and cosmopolitanism and sheds new light on China's ongoing social and educational changes Thinking through citizenship and citizenship education may act as an important driving force to transform the culture and paradigms of governance in China and the new meanings of becoming fully human This book will be of interest to researchers and advanced students of Education Politics Sociology and Public Policy The chapters in this book were originally published in various Routledge journals Contemporary China, 1943 *Contemporary China Review* [2024 Autumn/Winter Issue] Editors of Contemporary China Review, 2025-01-13 If Winter comes can Spring be far behind But this year's winter will probably be long lasting cold and it is unknown when spring will come 2024 can be said to have experienced another extraordinary year or it can be said to have experienced a year of stormy waves Because this year's US election can be said to have been like a lever that has moved the entire world It can be noted that not only Americans but also many Chinese people are looking forward to Trump being called the return of the king Trump has achieved a true second entry his second term road to the White House will undoubtedly bring great changes to the world The question is where will the world change Is it tragedy comedy or farce as I said when Trump took office in his first term in 2017 Or is it Make America Great Again as he said When the Republicans and their supporters celebrate together including those extreme right wingers in the United States and of course white supremacists are extremely exclusive of minority groups such as LGPTQ and will inevitably be highly exclusive of ethnic minorities an independent Chinese scholar far away in Europe said online that China is still the same while the United States is the little under its fur coat The marks on the aristocracy's buttocks are becoming more and more prominent To use Aaron's sentence I hate the Communist Party as much as the Nazis Now it should be said the other way around I hate America first white people first and Christianity first as much as I hate one party dictatorship I hate Trump Putin and Netanyahu as much as Xi Jinping Every word is powerful The world has reached such a divided state or it should be said that it has reached such a state of division Has the ancient Greek philosopher Herodotus words come true If God wants to destroy someone he must first make him crazy What changes will happen in 2025 Let's wait and see **Media Power and its Control in Contemporary China** Yanling Zhu, 2022-11-30 This book takes an ethnographic approach to discuss the policy practices within China's broadcasting industry Exploring the gap between the contemporary policy regime and its implementation in national broadcasters and streaming services taking into account the interplay between broadcasters political bodies producers and audiences Zhu explains the contemporary role of Chinese national broadcasters in mediating the public discourse the collective reimagining of China's national identity and the newly found policy initiative of using state media as a means of nation branding Cases investigated include China Central Television CCTV Documentary China Global Television Network CGTN and the Shanghai Media Group SMG as well as co productions made by CCTV and international media firms including the BBC Discovery and the Japan Broadcasting

Corporation NHK in a book that will interest scholars of Chinese politics media studies and sociology **The Politics of Migration: Urbanization and Life Opportunities in Contemporary China** Yihan Xiong, 2025-02-27 Based on extensive

fieldwork and longitudinal studies this book posits that the household registration hukou system is a fundamental institutional arrangement in contemporary China It employs the theoretical framework of local citizenship to analyze the rights and conditions of the migrant population amidst urbanization Local citizenship functions as both a governance classification and a qualification for access to public resources influencing not only migration patterns but also the social mobility of various migrant classes Importantly the widely discussed education policies for migrant children are part of a broader framework of national migrant management and local industrial policies **Contemporary China Review**

(Quarterly Journal) David Rong, William Luo, Haitian Liu, 2021-03-14 This is the Inaugural Issue of an English version of Contemporary China Review Contemporary China Review was published by Bouden House in New York A group of Chinese intellectuals have courageously stepped forward to overcome all difficulties and publish an independent periodical that seeks to discuss important issues relating to China openly and honestly Critical Issues in Contemporary China Czeslaw

Tubilewicz, 2016-12-12 Critical Issues in Contemporary China Unity Stability and Development comprehensively examines key problems crucial to understanding modern day China Organized around three interrelated themes of unity stability and development each chapter explores distinct issues and debate their significance for China domestically and for Beijing s engagement with the wider world While presenting contending explanatory approaches contributors advance arguments to further critical discussion on selected topics Main issues analysed include political change military transformation legal reforms economic development energy security environmental degradation food security and safety demographic trends migration and urbanization labour unrest health and education social inequalities ethnic conflicts Hong Kong s integration cross Strait relations Given its thorough and up to date assessment of major political social and economic challenges facing China this fully revised and substantially expanded new edition is an essential read for any student of Chinese Studies
