Daniel Judah Elazar

Project Renewal In Israel Urban Revitalization Through Partnership:

Project Renewal in Israel Paul King, 1987 Although it is too early for a final evaluation of this internationally important urban revitalization program which channelled one billion dollars into 84 distressed neighborhoods throughout Israel Project Renewal has undoubtedly improved the social welfare educational and physical condition of hundreds of thousands of Israelis as well as improving the image of many neighborhoods Co published with the Center for Jewish Community Studies Jerusalem Center for Public Affairs

Project Renewal in Israel Paul King, 1987-08-18 Although it is too early for a final evaluation of this internationally important urban revitalization program which channelled one billion dollars into 84 distressed neighborhoods throughout Israel Project Renewal has undoubtedly improved the social welfare educational and physical condition of hundreds of thousands of Israelis as well as improving the image of many neighborhoods Co published with the Center for Jewish Community Studies Jerusalem Center for Public Affairs

Politics and Policy Implementation Frederick A. Lazin, 2012-02-01 This book analyzes how the political system influences domestic policy implementation in Israel It shows how coalition politics party dominated ministries an independent and fragmented Jewish Agency diaspora Jewish communities powerful mayors and ethnic considerations influenced the implementation of Begin s Project Renewal a hybrid of the American War on Poverty Urban Renewal and Model Cities It also reveals how Project Renewal initiated change in Israel s political institutions and public policy system

Urban Revitalization Daniel J. Elazar, Zvi R. Marom, 1992-03-25 This volume is a collection of fifty of the most important studies presented at the Jerusalem Center s International Conference on Urban Revitalization It provides a comprehensive overview of the Israeli experience with urban revitalization in the past and present as well as a discussion of its future Co published with the Jerusalem Center for Public Affairs

Covenant & Polity in Biblical Israel Daniel J. Elazar, In this first volume of a trilogy Daniel J Elazar addresses political uses of the idea of covenant the tradition that has adhered to that idea and the political arrangements that flow from it Among the topics covered are covenant as a political concept the Bible as a political commentary the post biblical tradition medieval covenant theory and Jewish political culture

Local Communities and the Israeli Polity Efraim Ben-Zadok, 2012-02-01 This book represents the first systematic effort to analyze the role of local communities and regions in Israel s national politics Traditionally portrayed as either elitist and highly centralized or as pluralistic with very active interest groups Israeli politics have seldom accounted for local and regional forces The authors demonstrate the growing importance of these communities in the politics of the country Their analyses are based on the concept of spatial sector and eight sectors are covered The West Bank and Gaza Strip Arabs Israeli Arabs development towns renewal neighborhoods religious neighborhoods Gush Emunim settlements kibbutzim and moshavim and Jerusalem

Distant Partners Ben W. Lappin, Morton I. Teicher, 1990 Offers an inside look at two communities half a world apart who became partners One needed aid and the other had the means to help the book chronicles their relationship in all its complexities pitfalls successes and

failures This unique documentary provides a day by day blow by blow record of community development in practice It is presented in full and analyzed by the two authors one of whom was the community worker while the other was a member of the Croydon committee which was responsible for implementing the agreement *Public Policy in Israel* David Nachmias, Gila Menahem, 2016-02-17 An examination of the current Israeli government covering public policies such as health housing and transport The volume covers the institutional as well as the political and the bureaucratic framework within which public policies have been made and implemented *Covenant and Polity in Biblical Israel* Daniel Elazar, 2018-10-08 In this first volume of a trilogy Daniel J Elazar addresses political uses of the idea of covenant the tradition that has adhered to that idea and the political arrangements that flow from it Among the topics covered are covenant as a political concept the Bible as a political commentary the post biblical tradition medieval covenant theory and Jewish political culture **Constitutionalism** Daniel Judah Elazar, 1990 In Israel today there is increasingly vigorous support for the framing of a constitution At the same time there is almost no recognition that in forty years Israel has acquired an almost complete set of basic laws that form a constitution The aims of this volume are threefold to inform the Israeli public and the world as to what exists and consider what still is needed in the way of a constitution to enter constitutionalism firmly on the Israeli public agenda and to learn from the American experience The author shows that Israel's constitution is more than anything else a modern adaptation of an ancient constitution Contents Israel and Models of Modern Constitutionalism The Politics of Constitution Making in the United States and Israel Issues of Constitutional Design Civil Rights and Liberties Issues of Constitutional Design Interjurisdictional Relations The State of Constitutionalism in the United States and Israel Where Do We Go from Here R Co published with the Jerusalem Center for Public Affairs **Still Moving** Daniel Judah Elazar, The aftermath of World War II was a period of massive Jewish migration More than a million Jews came to settle in the new state of Israel hundreds of thousands moved to North America Australia and France while tens of thousands resettled themselves elsewhere in Europe and the world Emigration was in turn paralleled by large scale movement among second generation Jews from the great urban centers to the suburbs Until recently it has seemed as though the Jewish people had in the words of the Bible reached a situation of rest and landed inheritance However there is considerable evidence that Jews are still moving from the former Soviet Union to and from Israel and within nations where they have been long resident **Still Moving** examines the causes and character of contemporary migration in Israel and throughout the Diaspora The contributors to this volume adopt a cross cultural comparative approach Part 1 establishes the context of the new migration globally with specific concentration on its effects on the institutions of Israeli democracy Part 2 surveys immigration to Israel in the 1990s with particular emphasis on the wave of Russian emigres since the fall of the Soviet Union Internal migration from rural to urban centers is also explored Migration to the Diaspora is covered in part 3 The Jewish identity of Soviet Jews is compared to their American and Canadian counterparts Economic performance and problems of multigenerational families

among emigres are also treated as are the controversies surrounding politically motivated emigration from Israel Part 4 focuses on the changing nature of the Diaspora and its relations with Israel Beyond its grounding in Jewish culture and history Still Moving frames questions that are central to understanding contemporary migration in general Does immigration accelerate or retard the abilities of host countries to restructure economically How does greater ethnic diversity affect the social and cultural life of cities What factors help immigrants integrate into the wider community Does immigration contribute to the creation of a marginalized underclass Still Moving will be essential reading for historians sociologists Jewish studies specialists and policy analysts

Checkbook Zionism Eric Fleisch, 2024-01-12 American Jews donate approximately 2.5 billion to Israel each year Behind all that money and influence lies a power sharing dynamic that has left an indelible mark on the relationship between Israeli and American Jews and on the direction of Israeli society to this day Checkbook Zionism investigates how both parties have managed their interests emotions and attitudes about the important yet at times tense collaboration between them By delving into the history of American Jews philanthropic giving to Israelis Fleisch assesses the core nature of power sharing between both sides of the Jewish diaspora to the United States through in depth contemporary case studies of the relationship between sixteen non governmental organizations and their American Jewish donors Field observation document analysis and interviews with leaders activists and select donors alike serve a critical role here as Fleisch assesses whether these contemporary philanthropic associations repeat classic dynamics of power sharing or whether they represent a marked departure from the Checkbook Zionism of old The result is a new paradigm for evaluating power sharing that can be applied to future considerations of development in the Israel Diaspora relationship

Wildfire Sam Lehman-Wilzig, 2012-02-01 Wildfire is a wide ranging inter disciplinary study of the other side of Israeli public life Because the governmental service systems work poorly and political protest has proved to be largely ineffective the Israeli public has begun to take matters into their own hands in effect creating numerous alternative service systems in almost all spheres of life Lehman Wilzig describes this phenomenon and analyzes the impact of the most important alternative systems illegal settlement activity a huge underground economy pirate cable TV stations gray education Black medicine anti religious as well as anti secular activity and a growing demand for electoral reform and constitutionalization of the Israeli polity

Coca-Cola, Black Panthers, and Phantom Jets Oz Frankel, 2024-07-23 In the late 1960s Israel became more closely entwined with the United States not just as a strategic ally but also through its intensifying intimacy with American culture society and technology Coca Cola Black Panthers and Phantom Jets shows how transatlantic exchanges shaped national sentiments and private experiences in a time of great transition forming a consumerist order accentuating social cleavages and transforming Jewish identities Nevertheless there remained lingering ambivalence about and resistance to American influences Rather than growing profoundly Americanized Israelis forged unique paths into the American orbit As supporters and immigrants American Jews assumed an ambiguous role expediting but also complicating

the Israeli American exchange Taking an expansive view of Israeli American encounters historian Oz Frankel reveals their often unexpected consequences including the ripple effects that the rise of Black Power had on both extremes of Israeli politics the adoption of American technology that fed the budding Israeli military industrial complex the consumerist ideologies that ensnared even IDF soldiers and Palestinians in the newly occupied territories and the cultural performances that lured Israelis to embrace previously shunned diasporic culture What made the racial strife in the US and the tensions between Ashkenazi and Mizrahi Jews in Israel commensurable How did an American military jet emerge as a national fixation Why was the US considered a paragon of both spectacular consumption and restrained rational consumerism In ten topical chapters this book demonstrates that the American presence in Israel back then as it is today was multifaceted and contradictory Stiff-necked People, Bottle-necked System Sam N. Lehman-Wilzig, 1990 Surveys Israeli public protest from the founding of the state until the late 1980s This work explores the internal characteristics of protest events the profiles of the protesters the factors behind the protests and the relative success rate of Israeli protests *Still Moving* Morton Weinfeld, 2018-04-24 The aftermath of World War II was a period of massive Jewish migration More than a million Jews came to settle in the new state of Israel hundreds of thousands moved to North America Australia and France while tens of thousands resettled themselves elsewhere in Europe and the world Emigration was in turn paralleled by large scale movement among second generation Jews from the great urban centers to the suburbs Until recently it has seemed as though the Jewish people had in the words of the Bible reached a situation of rest and landed inheritance However there is considerable evidence that Jews are still moving from the former Soviet Union to and from Israel and within nations where they have been long resident *Still Moving* examines the causes and character of contemporary migration in Israel and throughout the Diaspora The contributors to this volume adopt a cross cultural comparative approach Part 1 establishes the context of the new migration globally with specific concentration on its effects on the institutions of Israeli democracy Part 2 surveys immigration to Israel in the 1990s with particular emphasis on the wave of Russian emigres since the fall of the Soviet Union Internal migration from rural to urban centers is also explored Migration to the Diaspora is covered in part 3 The Jewish identity of Soviet Jews is compared to their American and Canadian counterparts Economic performance and problems of multigenerational families among emigres are also treated as are the controversies surrounding politically motivated emigration from Israel Part 4 focuses on the changing nature of the Diaspora and its relations with Israel Beyond its grounding in Jewish culture and history *Still Moving* frames questions that are central to understanding contemporary migration in general Does immigration accelerate or retard the abilities of host countries to restructure economically How does greater ethnic diversity affect the social and cultural life of cities What factors help immigrants integrate into the wider community Does immigration contribute to the creation of a marginalized underclass *Still Moving* will be essential reading for historians sociologists Jewish studies specialists and policy analysts **Beyond Partnership** Ernest Stock, 1992

Public-Private Partnerships for Local Economic Development Brian D. Jacobs, Norman Walzer, 1998-04-16 Public private partnerships are becoming increasingly important in the local economic development efforts of many cities This collection of essays compares U S cities with those in western Europe Conceptual issues are discussed and comparisons at the city level illustrate the process pitfalls and results of such partnerships Readers will be able to understand the types of partnership arrangements used in each country Factors contributing to the success of these arrangements are discussed and compared Scholars and students of local economic development and public finance as well as public officials and economic development practitioners will benefit from the unique comparative framework used in this volume Interdisciplinary Community Development Alice K. Johnson Butterfield, Yossi Korazim-Korosy, 2007-09-11 Workers from various diverse disciplines such as geography public policy administration social work education public health and so on are joining together to address complex social issues such as poverty health peace building the environment and others Interdisciplinary Community Development International Perspectives is a unique look at the innovations in interdisciplinary community development around the world Leading experts from various disciplines explore the latest research programs and innovative approaches to promote strategies that enable social justice **A Double Bond** Daniel Elazar, Jonathan D. Sarna, Rela M. Geffen, 1992-10-06 A Double Bond examines the constitutional framework of American Jewry The essays by Hannah Kliger and Nitza Druyan illuminate key parts of American Jewish history through their analysis of the constitutional documents of major Jewish institutions A close look at excerpts from the actual documents themselves included in Part III makes an excellent reference source for the reader Co published with the Jerusalem Center for Public Affairs

This Engaging Realm of Kindle Books: A Thorough Guide Unveiling the Benefits of E-book Books: A Realm of Convenience and Flexibility Kindle books, with their inherent mobility and simplicity of availability, have freed readers from the limitations of hardcopy books.
