Projet pour une révolution à New York Alain Robbe-Grillet, 1970      **Alain Robbe-Grillet: Projet Pour Une Révolution À New York** Josef Steiner, 1975      Subversive Intent Susan Rubin Suleiman, 1990 With this important new book Susan Suleiman lays the foundation for a postmodern feminist poetics and theory of the avant garde She shows how the figure of Woman as fantasy myth or metaphor has functioned in the work of male avant garde writers and artists of this century Focusing also on women s avant garde artistic practices Suleiman demonstrates how to read difficult modern works in a way that reveals their political as well as their aesthetic impact Suleiman directly addresses the subversive intent of avant garde movements from Surrealism to postmodernism Through her detailed readings of provocatively transgressive works by Andr Breton Georges Bataille Roland Barthes Alain Robbe Grillet Marcel Duchamp Max Ernst and others Suleiman demonstrates the central role of the female body in the male erotic imagination and illuminates the extent to which masculinist assumptions have influenced modern art and theory By examining the work of contemporary women avantgarde artists and theorists including H l ne Cixous Marguerite Duras Monique Wittig Luce Irigaray Angela Carter Jeanette Winterson Leonora Carrington Barbara Kruger Jenny Holzer and Cindy Sherman Suleiman shows the political power of feminist critiques of patriarchal ideology and especially emphasizes the power of feminist humor and parody Central to Suleiman s revisionary theory of the avant garde is the figure of the playful laughing mother True to the radically irreverent spirit of the historical avant gardes and their postmodernist successors Suleiman s laughing mother embodies the need for a link between symbolic innovation and political and social change      **Project for a Revolution in New York** Alain Robbe-Grillet, 2012-09-04 Part prophecy and part erotic fantasy this classic tale of otherworldly depravity features New York itself or a foreigner s nightmare of New York as its true protagonist Set in the towers and tunnels of the quintessential American city Alain Robbe Grillet s novel turns this urban space into a maze where politics bleeds into perversion revolution into sadism activist into criminal vice into art and back again Following the logic of a movie half glimpsed through a haze of drugs and alcohol Project for a Revolution in New York is a Sadean reverie that bears an alarming resemblance to the New York and the United States that have actually come into being      Projet pour une revolution a New York Alain Robbe-Grillet, 1972      *Projet pour une révolution à New York* Alain Robbe-Grillet, 1970      Projet pour une révolution à New York Alain Robbe-Grillet, 1985

Understanding Alain Robbe-Grillet Roch C. Smith, 2000 Transforming bewilderment into understanding and pleasure while preserving a sense of Robbe Grillet s considerable richness and complexity Smith elucidates the defining elements of the writer s fictional world characters that barely exist changeable narrators plots that defy logic notoriously meticulous descriptions that never quite form a complete story Smith examines Robbe Grillet s embrace of discontinuity circularity indeterminacy and linguistic play Smith also poses questions about how we should view this perplexing writer as an author of hyperobjective novels and short stories a subjective novelist a realist or a writer who undermines the narrative s claim to

represent reality In addition Smith evaluates the sado erotic imagery of Robbe Grillet s middle and late novels as a metaphorical play with textual and social conventions **BOOK JACKET** Un apprentissage de lecture Jean-Daniel Murith,1973 *Matières textuelles sur support numérique* Alexandra Saemmer,2007 Une grande partie de la matière du Web est textuelle Mais celle ci n est plus travaillée et lue de la même manière que sur support papier Elle acquiert des qualités qui la rapprochent de l image Etude de la dynamique de l écrit animé par le lien hypertexte et des expériences de création et de lecture sur support numérique De l Oulipo au texte programmé vers l oeuvre virtuelle **The Films of Alain Robbe-Grillet** Roy Armes,1981-01-01 Alain Robbe Grillet 1922 2008 was a French writer and filmmaker His first involvement with the cinema was in the early 1960 s scripting one of the most controversial films of the decade *L'Année dernière à Marienbad* directed by Alain Resnais In this study the focus lies on the cinema of Robbe Grillet Each chapter deals with a specific film and a specific aspect of his work **Comparative Criticism: Volume 2, Text and Reader** E. S. Shaffer,Elinor Shaffer,1980-11-06 A yearbook sponsored by the British Comparative Literature Association asserting that comparative literary studies represent a major direction forwards **Contemporary Authors: 1945 to the Present** Britannica Educational Publishing,2013-06-01 Contemporary literature encompasses so many genres literary forms and themes that it would seem almost impossible to identify a unifying thread between them Yet in the tradition established by literary heavyweights who came before modern writers of all stripes and backgrounds have continued to entertain and to confront the social cultural and psychological realities of the times including everything from racial identity to war to technology with their own flair and insight The diversity of authors profiled herein from Toni Morrison to Sylvia Plath to Stephen King to David Foster Wallace attests to the scope and complexity of modern society **Columbia Dictionary of Modern European Literature** Jean Albert Bédé,William Benbow Edgerton,1980 With more than 1800 critical entries on the writers and literatures of 33 languages this work presents the entire range of modern European writing from the symbolist and modernist works rooted in the last decades of the nineteenth century through the avant garde and existentialist movement to Barthes Blanchot Breton and continental thought pertinent today Walking Shadows Ib Johansen,2015-08-25 *Walking Shadows* focuses on the American fantastic and the American grotesque attempting in this manner for the first time to establish an overview of and a theoretical approach to two literary modes that have often been regarded as essential to an understanding of the American cultural canon The central importance of these two literary forms has been pointed out earlier by important theorists such as Stanley Cavell David Reynolds and William Van O'Connor A number of literary works from the beginning of the nineteenth to the end of the twentieth centuries are taken up in order to illustrate the inherent links or family resemblances between the two modes with special reference to the way in which a Bakhtinian reading may facilitate our appreciation of their status within the canon These excursions into the House of Fantastic and Grotesque Fiction may be of interest not only to hardcore aficionados but also to philosophically minded readers in general in particular

perhaps to those who have paid acute attention to debates on late twentieth and early twenty first century post structuralism and deconstruction where the classic positions of Foucault Derrida et al still appear to be relevant *Mother Reader* Moyra Davey, 2011-01-04 The intersection of motherhood and creative life is explored in these writings on mothering that turn the spotlight from the child to the mother herself Here in memoirs testimonials diaries essays and fiction mothers describe first hand the changes brought to their lives by pregnancy childbirth and mothering Many of the writers articulate difficult and socially unsanctioned maternal anger and ambivalence In *Mother Reader* motherhood is scrutinized for all its painful and illuminating subtleties and addressed with unconventional wisdom and candor What emerges is a sense of a community of writers speaking to and about each other out of a common experience and a compilation of extraordinary literature never before assembled in a single volume *Chronology and Time in A la Recherche Du Temps Perdu* Gareth H. Steel, 1979

**Proceedings of the IXth Congress of the International Comparative Literature Association: The evolution of the novel** International Comparative Literature Association. Congress, 1982 **The Film Career of Alain Robbe-Grillet** William F. Van Wert, 1977 **The Mirror in the Text** Lucien Dällenbach, 1989-07-27 The *Mirror in the Text* is concerned with the literary and artistic device of mise en abyme the use of an element within a work which mirrors the work as a whole like the play within a play in Hamlet In this classic study Lucien Dällenbach provides the first systematic analysis of this device and its literary and artistic applications from Van Eyck and Velasquez to Gide Beckett and the French nouveau roman Alongside this wealth of examples Dällenbach constructs his theoretical argument with elegance and clarity assuming no previous knowledge of arcane and specialized theory but guiding the reader helpfully through the maze of literary criticism The result is a new conceptual field a new grammar of the mise en abyme and an examination of its function within the work of art and literature The highly original study has been acclaimed as one of the most important works of contemporary literary theory It will be of interest to all students of English and European literature as well as to students of the visual arts
