Prolegomena to the Study of the Later Irish Bards, 1200-1500 Edmund Crosby Quiggin, 1969 **Prolegomena to the Study of the Later Irish Bards** Edmund Crosby Quiggin, 1960 *The Publishers' Circular and Booksellers' Record*, 1913 *Bulletin of the John Rylands University Library of Manchester* John Rylands University Library of Manchester, 1915 **Publishers' Circular and Booksellers' Record of British and Foreign Literature**, 1913 The Cumulative Book Index, 1914 *Bulletin of the John Rylands Library* John Rylands Library, 1915 **Sotheran's Price Current of Literature** Henry Sotheran Ltd, 1915 **Threshold of a Nation** Philip Edwards, 1979 This imprint is established to publish in paperback for an individual readership the Press's most outstanding original monographs. These are titles which would normally appear in specialist hardback editions only but whose quality and general academic importance justify their special promotion in this prestige imprint. The series will include both new and recent titles drawn from the whole range of the Press's very substantial publishing programmes in the Humanities and Social Sciences and therefore represents some of the best current scholarship in the English language Prolegomena to the Study of the Later Irish Bards 1200-1500 E. C. Quiggin, 198? **The Field Day Anthology of Irish Writing** Seamus Deane, Andrew Carpenter, Angela Bourke, Jonathan Williams, 1991 The Periodical, 1910 **Tree of strings** Keith Sanger, Alison Kinnaird, 2015-12-14 This is the first history of the harp in Scotland to be published. It sets out to trace the development of the instrument from its earliest appearance on the Pictish stones of the 8th century to the present day. Describing the different harps played in the Highlands and the Lowlands of Scotland, the authors examine the literary and physical evidence for their use within the Royal Courts and big houses by professional harpers and aristocratic amateurs. They vividly follow the decline of the wire-strung clarsach from its links with the hereditary bards of the Highland chieftains to its disappearance in the 18th century and the subsequent attempts at the revival of the small harp during the 19th and 20th centuries. The music played on the harp and its links with the great families of Scotland are described. The authors present in this book material which has never before been brought to light from unpublished documents, family papers and original manuscripts. They also make suggestions based on their research about the development and dissemination of the early Celtic harps and their music. This book therefore should be of great interest not only to harp players but to historians, to all musicians in the fields of traditional and early music and to any reader who recognises the importance of these beautiful instruments and their music throughout a thousand years of Scottish culture *B.H. Blackwell* B.H. Blackwell Ltd, 1926 Prophecy of Berchán Benjamin T. Hudson, 1996-07-22 This book gives a text, an English translation and a commentary on a medieval verse history of the kings of Ireland and Scotland from the ninth to the 11th centuries. This study examines the Prophecy of Berchán as a historical record with much to offer students of kingship among the Irish and Scots. Biographies of individual monarchs provided therein present the important events of each one's career, the length of his reign and the circumstances of his death. This study suggests new interpretations

of British and Irish history during the early middle ages *British Books* ,1913 **The Publisher** ,1913 **Scottish Gaelic Studies** ,2003 **Shakespeare and Ireland** Mark Thornton Burnett,Ramona Wray,1997-12-13 Shakespeare and Ireland examines the complex relationship between the most celebrated icon of the British establishment and Irish literary and cultural traditions Addressing Shakespearean representations of Ireland as well as Irish writers responses to the dramatist it ranges widely across theatrical performances pedagogical practices editorial undertakings and political developments The writings of Joyce Heaney and Yeats are considered in addition to recent nationalist discourses In so doing the collection establishes the multiple Shakespeares and competing Irelands that inform the Irish imagination
