Proletarian Power Shanghai In The Cultural Revolution

Jeffrey N. Wasserstrom

Proletarian Power Shanghai In The Cultural Revolution:

Proletarian Power Elizabeth Perry, 2018-05-04 This pathbreaking book offers the first in depth study of Chinese labor activism during the momentous upheaval of the Cultural Revolution Arguing that labor was working at cross purposes the authors explore three distinctive and different forms of working class protest rebellion conservatism and economism Drawing upon a wealth of heretofore inaccessible archival sources the authors probe the divergent political psychocultural and socioeconomic strains within the Shanghai labor movement convincingly illustrating the complexity of working class politics in contemporary China This pathbreaking book offers the first in depth study of Chinese labor activism during the momentous upheaval of the Cultural Revolution The authors explore three distinctive forms of working class protest rebellion conservatism and economism Labor they argue was working at cross purposes through these three modes of militancy promoted by different types of leaders with differing agendas and motivations Drawing upon a wealth of heretofore inaccessible archival sources the authors probe the divergent political psychocultural and socioeconomic strains within the Shanghai labor movement As they convincingly illustrate the multiplicity of worker responses to the Cultural Revolution cautions against a one dimensional portrait of working class politics in contemporary China Proletarian Power Elizabeth Perry, Li Xun, 2019-08-30 This pathbreaking book offers the first in depth study of Chinese labor activism during the momentous upheaval of the Cultural Revolution The authors explore three distinctive forms of working class protest rebellion conservatism and economism Labor they argue was working at cross purposes through these three modes of militancy promoted by d *The Cultural Revolution* Frank Dikötter, 2017-06-06 The concluding volume following Mao's Great Famine and The Tragedy of Liberation in Frank Dikötter's award winning trilogy chronicling the Communist revolution in China After the economic disaster of the Great Leap Forward that claimed tens of millions of lives from 1958-1962 an aging Mao Zedong launched an ambitious scheme to shore up his reputation and eliminate those he viewed as a threat to his legacy The Cultural Revolution's goal was to purge the country of bourgeois capitalistic elements he claimed were threatening genuine communist ideology Young students formed the Red Guards vowing to defend the Chairman to the death but soon rival factions started fighting each other in the streets with semiautomatic weapons in the name of revolutionary purity As the country descended into chaos the military intervened turning China into a garrison state marked by bloody purges that crushed as many as one in fifty people *The Cultural Revolution A People's History 1962-1976* draws for the first time on hundreds of previously classified party documents from secret police reports to unexpurgated versions of leadership speeches After the army itself fell victim to the Cultural Revolution ordinary people used the political chaos to resurrect the market and hollow out the party's ideology By showing how economic reform from below was an unintended consequence of a decade of violent purges and entrenched fear *The Cultural Revolution* casts China's most tumultuous era in a wholly new light China During the Cultural Revolution, 1966-1976 Tony H. Chang, 1999-01-30 One of the most tumultuous periods in

modern Chinese history the Cultural Revolution affected virtually all Chinese people and all aspects of Chinese life including art music and drama education factory management economic planning and medical care Studies of the Cultural Revolution in both Chinese and Western languages have burgeoned over the past three decades This comprehensive easy to use bibliography provides a guide to published English language sources on the Cultural Revolution With over a thousand entries it includes books monographs dissertations and audio visual materials on a broad range of topics from the military education religion and economics to foreign relations population art literature and drama Including titles published through the end of 1997 and a few in 1998 the book provides a general overview of the literature on the Chinese Cultural Revolution and its impact on China Its scope and coverage make it a useful resource for any library whose readers have an interest in modern Chinese history Historical Dictionary of the Chinese Cultural Revolution Guo Jian,Yongyi Song,Yuan Zhou,2015-07-23 As the world s only English language historical dictionary of the Chinese Cultural Revolution 1966 1976 this book offers a comprehensive coverage of major historical figures events political terms and other matters relevant to this unique period of modern Chinese history that had profound influence on social and cultural movements of the world in the 1960s and 1970s This second edition of Historical Dictionary of the Chinese Cultural Revolution covers its history through a chronology an introductory essay glossary and an extensive bibliography The dictionary section has over 400 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about this important period in Chinese history **The Cultural Revolution at the Margins** Yiching Wu,2014-06-09 The Cultural Revolution began from above yet it was students and workers at the grassroots who advanced the movement s radical possibilities by acting and thinking for themselves Resolving to suppress the resulting crisis Mao set events in motion in 1968 that left out in the cold those rebels who had taken it most seriously Yiching Wu shows **Cultural Revolution and Revolutionary Culture** Alessandro Russo,2020-08-28 In Cultural Revolution and Revolutionary Culture Alessandro Russo presents a dramatic new reading of China s Cultural Revolution as a mass political experiment aimed at thoroughly reexamining the tenets of communism Russo explores four critical phases of the Cultural Revolution each with its own reworking of communist political subjectivity the historical theatrical prologue of 1965 Mao s attempts to shape the Cultural Revolution in 1965 and 1966 the movements and organizing between 1966 and 1968 and the factional divides that ended them and the mass study campaigns from 1973 to 1976 and the unfinished attempt to evaluate the inadequacies of the political decade that brought the Revolution to a close Among other topics Russo shows how the dispute around the play Hai Rui Dismissed from Office was not the result of a Maoist conspiracy but rather a series of intense and unresolved political and intellectual controversies He also examines the Shanghai January Storm and the problematic foundation of the short lived Shanghai Commune By exploring these and other political cultural moments of Chinese confrontations with communist principles Russo overturns conventional wisdom about the Cultural Revolution

The End of the Maoist Era: Chinese Politics During the Twilight of the Cultural Revolution, 1972-1976

Frederick C Teiwes, Warren Sun, 2014-12-18 This book launches an ambitious reexamination of the elite politics behind one of the most remarkable transformations in the late twentieth century As the first part of a new interpretation of the evolution of Chinese politics during the years 1972-82 it provides a detailed study of the end of the Maoist era demonstrating Mao's continuing dominance even as his ability to control events ebbed away The tensions within the gang of four the different treatment of Zhou Enlai and Deng Xiaoping and the largely unexamined role of younger radicals are analyzed to reveal a view of the dynamic of elite politics that is at odds with accepted scholarship The authors draw upon newly available documentary sources and extensive interviews with Chinese participants and historians to develop their challenging interpretation of one of the most poorly understood periods in the history of the People's Republic of China [The Cultural Revolution: A Very Short Introduction](#) Richard Curt Kraus, 2012-01-06 China's decade-long Great Proletarian Cultural Revolution shook the politics of China and the world Even as we approach its fiftieth anniversary the movement remains so contentious that the Chinese Communist Party still forbids fully open investigation of its origins development and conclusion Drawing upon a vital trove of scholarship memoirs and popular culture this Very Short Introduction illuminates this complex often obscure and still controversial movement Moving beyond the figure of Mao Zedong Richard Curt Kraus links Beijing's elite politics to broader aspects of society and culture highlighting many changes in daily life employment and the economy Kraus also situates this very nationalist outburst of Chinese radicalism within a global context showing that the Cultural Revolution was mirrored in the radical youth movement that swept much of the world and that had imagined or emotional links to China's red guards Yet it was also during the Cultural Revolution that China and the United States tempered their long hostility one of the innovations in this period that sowed the seeds for China's subsequent decades of spectacular economic growth *Maoism and the Chinese Revolution* Elliott Liu, 2016-07-01 The Chinese Revolution changed the face of the twentieth century and the politics that issued from it often referred to as Maoism resonated with colonized and oppressed people from the 1970s down to the anticapitalist movements of today But how did these politics first emerge And what do they offer activists today who seek to transform capitalist society at its very foundations Maoism and the Chinese Revolution offers the novice reader a sweeping overview of five decades of Maoist revolutionary history It covers the early years of the Chinese Communist Party through decades of guerrilla warfare and rapid industrialization to the massive upheavals of the Cultural Revolution It traces the development of Mao Zedong's military and political strategy philosophy and statecraft amid the growing contradictions of the Chinese revolutionary project All the while it maintains a perspective sympathetic to the everyday workers and peasants who lived under the party regime and who in some moments stood poised to make the revolution anew From the ongoing people's wars in the Global South to the radical lineages of many black Latino and Asian revolutionaries in the Global North Maoist politics continue to resonate today As a new generation of activists take to the

streets this book offers a critical review of our past in order to better transform the future

The A to Z of the Chinese Cultural Revolution Guo Jian,Yongyi Song,Yuan Zhou,2009-09-17 The Cultural Revolution in the People's Republic of China started in 1966 and lasted about a decade This revolutionary upsurge of Chinese students and workers led by Mao Zedong wreaked havoc in the world's most populous country often turning things upside down and undermining the party government and army while simultaneously weakening the economy society and culture Tens of millions of people were killed injured or imprisoned during this period and relatively few benefited aside from Mao Zedong and the Gang of Four the group that would eventually receive the blame for the events of the Cultural Revolution Given the turbulence and confusion it is hard to know just what happened The A to Z of the Chinese Cultural Revolution tackles this task First in an extensive chronology which traces the events from year to year and month to month then in an introduction puts these events in context and helps to explain them But most importantly the bulk of the information is provided in a dictionary section with numerous cross referenced entries on important persons places institutions and movements A bibliography points to further sources of information and a glossary will help those researching in Chinese

Curating Revolution Denise Y. Ho,2018 Curating Revolution examines how Mao era exhibitions shaped popular understandings of and participation in the political campaigns of China's Communist revolution

The Oxford History of Modern China Jeffrey N. Wasserstrom,2022-01-27 excellent LSE Review of Books China is the world's most populous country and newest superpower whose place on the international stage can only be understood through the lens of its modern history The Oxford History of Modern China is essential reading for anyone who wants to understand this rising power in what promises to be the Chinese century Covering the period of dramatic shifts and surprising transformations which comprise China's modern history the book spans from the founding of the Qing Dynasty 1644 1912 to the present day It introduces readers to important but often overlooked events in China's past such as the bloody Taiping Civil War 1850 1864 and also sheds new light on more familiar landmarks in Chinese history such as the Opium War 1839 1842 the Boxer Uprising of 1900 the rise to power of the Chinese Communist Party in 1949 the Tiananmen protests and Beijing Massacre of 1989 and China's rise to economic superpower status in the 21st century A new chapter for this edition brings the story into the era of Xi Jinping

Historical Dictionary of the People's Republic of China Lawrence R. Sullivan,2007-05-23 When the Chinese Communist Party CCP seized power in October 1949 China was one of the poorest nations in the world In fact it was so weak it had been conquered by Japan a country one tenth its size a decade earlier Now more than fifty years later the People's Republic of China PRC is an emerging economic political and military superpower with the world's fastest growing economy and largest population 1.3 billion in 2005 A member of the United Nations Security Council since the early 1970s and a nuclear power China wields enormous influence in the world community The second edition of the Historical Dictionary of the People's Republic of China contains more than 400 cross referenced dictionary entries on individual topics spanning China's political economic and social system along with

short biographies on important figures_ from politicians to writers and movie directors_ who have shaped Chinese history during the period of Communist rule from 1949 to 2006 Supplementing the entries are a chronology an introduction charts outlining the structure of the Chinese government and a bibliography of works in English making this a superb resource for college and high school students needing a quick reference on contemporary China **Agents of Disorder** Andrew G. Walder, 2019-10-08 Why did the Chinese party state collapse so quickly after the onset of the Cultural Revolution The award winning author of *China Under Mao* offers a surprising answer that holds a powerful implicit warning for today's governments By May 1966 just seventeen years after its founding the People's Republic of China had become one of the most powerfully centralized states in modern history But that summer everything changed Mao Zedong called for students to attack intellectuals and officials who allegedly lacked commitment to revolutionary principles Rebels responded by toppling local governments across the country ushering in nearly two years of conflict that in places came close to civil war and resulted in nearly 1.6 million dead How and why did the party state collapse so rapidly Standard accounts depict a revolution instigated from the top down and escalated from the bottom up In this pathbreaking reconsideration of the origins and trajectory of the Cultural Revolution Andrew Walder offers a startling new conclusion party cadres seized power from their superiors setting off a chain reaction of violence intensified by a mishandled army intervention This inside out dynamic explains how virulent factions formed why the conflict escalated and why the repression that ended the disorder was so much worse than the violence it was meant to contain Based on over 2,000 local annals chronicling some 34,000 revolutionary episodes across China *Agents of Disorder* offers an original interpretation of familiar but complex events and suggests a broader lesson for our times forces of order that we count on to stanch violence can instead generate devastating bloodshed

Mao's Children in the New China Yarong Jiang, David Ashley, 2013-10-08 Around 18 million young Chinese people were sent to the countryside between 1966 and 1976 as part of the Cultural Revolution *Mao's Children in the New China* allows some of them to tell their moving stories in their own voices for the first time In this inspiring collection of interviews with former Red Guards members of the first generation to be born under Chairman Mao talk frankly about the dramatic changes which have occurred in China over the last two decades In discussing the impact these changes have had on their own lives the former revolutionaries give a direct insight into how ex-Maoists view contemporary China revealing an attitude perhaps more critical than that of most Western commentators These poignant memoirs tell the very personal stories of how people from all walks of life were affected by both the cultural revolution and Deng Xiaoping's economic reforms They cover subjects as diverse as marriage and divorce the privatization of industry family relationships universities and the stock market *Mao's Children in the New China* is essential reading for all those interested in learning more about the personal and social history of modern China *Disenfranchised* Joel Andreas, 2019-08-01 In the decades following World War II factories in many countries not only provided secure employment and a range of economic entitlements but also recognized workers as

legitimate stakeholders enabling them to claim rights to participate in decision making and hold factory leaders accountable In recent decades as employment has become more precarious these attributes of industrial citizenship have been eroded and workers have increasingly been reduced to hired hands As Joel Andreas shows in *Disenfranchised* no country has experienced these changes as dramatically as China Drawing on a decade of field research including interviews with both factory workers and managers Andreas traces the changing political status of workers inside Chinese factories from 1949 to the present carefully analyzing how much power they have actually had to shape their working conditions *Across the Great Divide* Emily Honig,Xiaojian Zhao,2019-09-19 This history of China s sent down youth movement uses archival research to revise popular notions about power dynamics during the Cultural Revolution **Restructuring the Chinese City** Laurence J.C. Ma,Fulong Wu,2004-08-02 A sea of change has occurred in China since the 1978 economic reforms Bringing together the work of leading scholars specializing in urban China this book examines what has happened to the Chinese city undergoing multiple transformations during the reform era with an emphasis on new processes of urban formation and the consequent reconstituted urban spaces With arguments against the convergence thesis that sees cities everywhere becoming more Western in form and suggestions that the Chinese city is best seen as a multiplex city *Restructuring the Chinese City* is an indispensable text for Chinese specialists urban scholars and advanced students in urban geography urban planning and China studies Justice After Mao Daniel Leese,Amanda Shuman,2023-09-14 A ground breaking collection addressing historical justice post Mao through issues of property rehabilitation reconciliation and memory

Proletarian Power Shanghai In The Cultural Revolution Introduction

In today's digital age, the availability of Proletarian Power Shanghai In The Cultural Revolution books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Proletarian Power Shanghai In The Cultural Revolution books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Proletarian Power Shanghai In The Cultural Revolution books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Proletarian Power Shanghai In The Cultural Revolution versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Proletarian Power Shanghai In The Cultural Revolution books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Proletarian Power Shanghai In The Cultural Revolution books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Proletarian Power Shanghai In The Cultural Revolution books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital

libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Proletarian Power Shanghai In The Cultural Revolution books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Proletarian Power Shanghai In The Cultural Revolution books and manuals for download and embark on your journey of knowledge?

FAQs About Proletarian Power Shanghai In The Cultural Revolution Books

1. Where can I buy Proletarian Power Shanghai In The Cultural Revolution books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
