Prophets and Prophecy in the Late Antique Near East Jae Hee Han, 2023-11-09 In this volume Jae Han investigates how various Late Antique Near Eastern communities Jews Christians Manichaeans and philosophers discussed prophets and revelation among themselves and against each other Bringing an interdisciplinary historical approach to the topic he interrogates how these communities used discourses of prophethood and revelation to negotiate their place in the world Han tracks the shifting contours of prophecy and contextualizes the emergence of orality as the privileged medium among rabbis Manichaeans and Jewish Christian communities He also explores the contemporary interest in divinatory knowledge among Neoplatonists Offering a critical re reading of key Manichaean texts Han shows how Manichaeans used concepts of prophethood and revelation within specific rhetorical agendas to address urgent issues facing their communities His book highlights the contingent production of discourse and shows how contemporary theories of rhetoric and textuality can be applied to the study of ancient texts

**Biblical, Traditional, and Theological Framework for Understanding Christian Prophetism in Ghana Today** Daniel Nii Aboagye Aryeh, 2019-01-03 The basis for this project is to verify and determine the extent to which contemporary prophetic ministry in Ghana appropriates prophetism in the early church Corpus Paulinum and traditional prophetism in Ghana The spirit of prophecy which was believed to have ceased in Judaism and during the intertestamental period has now been restored at the inauguration of Christianity Notwithstanding Paul gave stipulations for prophets and prophecy in the church in 1 Corinthians 14 This confirms that prophecy was a common phenomenon in the early church and Pauline communities Contemporary prophetic ministry in Ghana claimed to have conformed to Pauline stipulations concerning prophets and prophecy in the church but what is their level of conformity Contemporary prophetic ministry is becoming popular due to its appeal and compatibility with religious worldviews and its pragmatic outlook that resonates with the Ghanaian phenomenon of religion As an adherent of the Akan traditional religion would go to a religious intermediary for ebisa literally to inquire or ask into present or future happenings contemporary prophets have positioned themselves to be agents of ebisa in Ghanaian Christianity This book explores biblical and traditional understandings of prophetism that have influenced contemporary Christian understanding of prophets and prophecy in the church

World Myth or History? J.G. Cheock, 2017-10-02 World myth deciphered and organized into a coherent story of

our past It is almost impossible to read world mythology without noticing common threads and patterns that seem to paint a bigger picture A story told by our ancient ancestors for future generations to remember and learn What if the eyewitnesses to past events were taken seriously What if we listen to their stories with unbiased ears free of assumptions What if their stories were backed up by scientific discoveries What if the myths can explain the mysteries *Voice of a Prophet* A.W. Tozer,2014-05-29 During his ministry which included extended pastorates in Chicago and Toronto Dr Tozer was often referred to as a prophet That doesn't mean he predicted future events but rather he spoke God's truth to believers and the culture even if it meant disrupting the status quo Even in the Bible prophets were much more likely to hold God's people and their leaders accountable to the truth of God's Word than to foretell the future The encouragement in *Voice of a Prophet* is that the church today is in desperate need of the kind of prophet Tozer embodied and describes in this important book Using the lives of such prophets as Elijah Elisha and John the Baptist Tozer underscores the importance of the ministry of the prophet in our world today *A Survey of the Old Testament* Andrew E. **Islam and Its Past** Michael Cook, Carol Bakhtos, 2017 An edited collection on the historical religious and cultural contexts of the origins of the Qur'an **A Prophet's Burden: Jeremiah's Call to Persevere** Ahmed Musa, 2024-12-14 Jeremiah known as the weeping prophet was called by God to deliver a message of judgment and warning to a stubborn rebellious people one that he knew would not be well received A Prophet's Burden Jeremiah's Call to Persevere explores the life of this faithful prophet who despite facing intense opposition rejection and personal suffering remained steadfast in his calling With a heart broken for his people and a spirit determined to speak God's truth Jeremiah's journey reveals the cost of obedience the pain of prophetic ministry and the unwavering faith required to endure in the face of persecution In A Prophet

s Burden Jeremiah s Call to Persevere you will discover The personal call of Jeremiah to be a prophet from the very womb and how God prepared him for the difficult road ahead Jeremiah s deep internal struggle his longing for his people to repent his personal grief over their stubbornness and the emotional toll of delivering messages of doom The many challenges Jeremiah faced from mockery and imprisonment to the rejection of his words by kings priests and even his closest friends The faithful endurance of a prophet who though often alone trusted in God s promises and continued to proclaim His truth despite the overwhelming opposition The hope embedded in Jeremiah s message the ultimate restoration and new covenant that would come through Christ showing that even in the darkest moments God s plan of redemption was at work Jeremiah s story is one of perseverance in the face of crushing disappointment but also one of great faith in God s ultimate plan His burdens were heavy and his message was hard to bear but he carried it faithfully trusting that God s Word would not return void The prophet s heart of compassion his unwavering commitment and his unshakeable belief in God s faithfulness offer a powerful example for us to follow today What does Jeremiah s perseverance teach us about remaining faithful in difficult circumstances How can we like Jeremiah continue to speak truth and trust in God s promises even when the road is hard A Prophet s Burden is a reminder that God calls us to be faithful in our assignments even when the results are not what we hope for Perseverance rooted in trust in God s sovereignty is the key to enduring hardship and fulfilling His will Step into A Prophet s Burden Jeremiah s Call to Persevere and be inspired by the example of a man who faithfully endured the weight of God s call never wavering in his commitment to speak truth to a lost world When we persevere in God s calling even in hardship He will bring His plans to completion **I Will Surely Multiply Your Offspring** Jamie Viands,2013-12-04 After creating man and woman God s first recorded blessing upon them is be fruitful and multiply Like the blessings of food and health the human experience of procreation is so common that we may overlook its importance within the biblical narrative However I Will Surely Multiply Your Offspring a comprehensive examination of the progeny blessing demonstrates that this motif is both prevalent and significant within the Old Testament by tracing its development throughout the redemptive historical narrative Viands identifies different progeny blessing traditions associated with the Abrahamic covenant the Sinai covenant and the new covenant and describes their interrelationships as well as their relationship to the universal blessing first found in Genesis 1 This study lays the foundation for a biblical worldview of human proliferation contributing to contemporary discussions concerning whether humans are obligated to bear children as well as procreation ethics Alien Intrusion Gary Bates,2004 Most people at one time or another have probably been curious to know What could account for all of those strange objects in the sky that many credible witnesses see Or what about the modern mystery of alien abductions and stories of visitations by beings claiming to be from other planets or star systems Are aliens really making contact with human beings Is it important anyway At last an easy to understand book traces the history of this strange phenomenon utilizing the research of many of the heavyweights of UFOlogy and it s been making sense to a lot of people This is a book for

everyone The author s research and conclusions will surprise you and challenge your thinking not just about UFOs but about the nature of life itself This is a landmark volume that brings together the most important evidences coming to conclusions far more sinister yet profound than most could imagine Publisher *The Oxford Handbook of the Minor Prophets* Julia M. Patterson,2020-02-29 The Loss and Restoration of Fatherhood by William J Patterson is a compelling exploration of the vital role of fatherhood in both individual lives and society at large Drawing from biblical teachings historical examples and contemporary societal observations Patterson delves into the profound impact that the loss of fatherhood has on families communities and nations The book examines how the absence or failure of fathers leads to deep seated issues such as identity crises moral decay and societal fragmentation Patterson provides a roadmap for the restoration of fatherhood emphasizing the importance of reestablishing the father s role according to God s design Through insightful analysis and practical guidance the book offers hope for healing and restoration showing how fathers can be restored to their rightful place in the family and how this restoration can lead to the renewal of society as a whole The Loss and Restoration of Fatherhood is an essential read for anyone concerned with the health of families the church and society offering a redemptive perspective grounded in biblical truth The loss of fatherhood is a profound hurt in western society and the loss is vastly undervalued by many This book seeks to understand some of the complexities of this problem but also to chart a way to change things for parents and church leaders For that to happen the hearts of the fathers have to turn to their children and the hearts of the children to their fathers This is necessary to avoid the judgement of God and to prepare the way for his blessing of nations That is the call of God on this generation

**Doomsayers** Susan Juster,2010-08-03 The age of revolution in which kings were dethroned radical ideals of human equality embraced and new constitutions written was also the age of prophecy Neither an archaic remnant nor a novel practice prophecy in the eighteenth century was rooted both in the primitive worldview of the Old Testament and in the vibrant intellectual environment of the philosophers and their political allies the republicans In *Doomsayers* Anglo American

Prophecy in the Age of Revolution Susan Juster examines the culture of prophecy in Great Britain and the United States from 1765 to 1815 side by side with the intellectual and political transformations that gave the period its historical distinction as the era of enlightened rationalism and democratic revolution Although sometimes viewed as madmen or fools prophets of the 1790s and early 1800s were very much products of a liberal commercial society even while they registered their disapproval of the values and practices of that society and fought a determined campaign to return Protestant Anglo America to its biblical moorings They enjoyed greater visibility than their counterparts of earlier eras thanks to the creation of a vigorous new public sphere of coffeehouses newspapers corresponding societies voluntary associations and penny pamphlets Prophecy was no longer just the art of applying biblical passages to contemporary events it was now the business of selling both terror and reassurance to eager buyers Tracking the careers of several hundred men and women in Britain and North America most of ordinary background who preached a message of primitive justice that jarred against the cosmopolitan sensibilities of their audiences Doomsayers explores how prophetic claims were formulated challenged tested advanced and abandoned The stories of these doomsayers whose colorful careers entertained and annoyed readers across the political spectrum challenge the notion that religious faith and the Enlightenment represented fundamentally alien ways of living in and with the world From the debates over religious enthusiasm staged by churchmen and the literati to the earnest offerings of ordinary men and women to speak to and for God Doomsayers shows that the contest between prophets and their critics for the allegiance of the Anglo American reading public was part of a broader recalibration of the norms and values of civic discourse in the age of revolution

Ethical Prophets along the Way Rufus Burrow Jr., 2019-12-27 The Hebrew prophets of ancient Israel strove to convey God's point of view to the people and the powers at a time when injustice deceit malfeasance and crushing the poor and the oppressed was prominent much like today The prophets spoke courageously and emphatically about God's profound and unrelenting concern and compassion for human beings Much influenced by the theology of prophecy developed by Rabbi Abraham Joshua Heschel this book discusses the nature meaning and relevance of ethical prophecy at a time when democracy in the United States of America and elsewhere is under vicious assault from the religious and secular right and authoritarian politicians who openly flirt with and support murderous dictators sexism homophobia racial bigotry anti-Semitism and hatred of Muslims both in word and practice An examination of the contributions of eight powerful personalities from the period of American slavery through the post civil rights era Angelina Grimke Ida B Wells Abraham J Heschel James Baldwin Malcolm X Martin Luther King Jr Oscar Romero and Alice Walker offers a recipe for addressing this state of affairs
