

FANTASÍA TIME

Compositor: Julián Ortégón

Flauta

Glockenspiel

Piano

The first system of the musical score for 'Fantasía Time' features three staves. The Flauta (Flute) staff is in treble clef with a key signature of one sharp (F#) and a 3/4 time signature. It begins with a half rest, followed by a quarter note G4, and then a series of eighth and quarter notes. The Glockenspiel staff is also in treble clef and follows a similar melodic line, starting with a half rest. The Piano accompaniment consists of two staves (treble and bass clef). The right hand plays a series of quarter and eighth notes, while the left hand plays a steady eighth-note bass line.

Fl.

Glock.

Pno.

The second system continues the musical piece. The Fl. (Flute) staff shows a melodic line with various note values and rests. The Glock. (Glockenspiel) staff follows a similar pattern. The Pno. (Piano) accompaniment continues with its characteristic eighth-note bass line and quarter-note right-hand accompaniment.

Fl.

Glock.

Pno.

Rit....

The third system concludes the piece. It features a final melodic phrase for the Fl. (Flute) and Glock. (Glockenspiel) parts, marked with a long slur and the instruction 'Rit....' (Ritardando). The Piano accompaniment also concludes with a final chord in the right hand and a sustained note in the left hand.

William Walton Neil Tierney, 1984 Sir William Walton's character was both complex and baffling Although hailed as one of the musical giants of the twentieth century he often seemed to regard his own achievements with a brooding unease and scepticism He could by turns be aggressive or gentle moody or high spirited with a satirical humour that spared neither his friends nor his enemies In his younger days he loved two beautiful aristocratic women one a German baroness the other a chatelaine of English society yet he was born of middle class parents in Oldham and until the Sitwells adopted him knew little of the glittering sophisticated world which they inhabited In the realm of music he was largely self taught and remained all his life an indifferent performer on the piano but his technical brilliance in such works as Belshazzar's Feast and the Violin

Concerto rivalled that of the greatest masters of the art Although he made no attempt to create a new compositional style or language his music spiced by harmonic asperities and many ingenious touches came to be regarded as belonging to the European mainstream At its best it was never less than magnificent The need for a carefully researched and clear sighted biography of Walton cannot be exaggerated Neil Tierney has provided one giving a vivid often extremely moving portrait of Sir William as composer and man His book draws upon a wide range of material including previously unpublished letters some written by Walton himself and the reminiscences of friends and collaborators who knew him intimately With its comprehensive analyses of all Walton s works this book will not only captivate the general reader but also provide a valuable source of information for the musical scholar or student Dust jacket **Musical and Sewing Machine Courier** ,1951
