Prologue To Love:

A Prologue To Love Taylor Caldwell, Caroline was detested by the father she worshipped who instilled in her a horror of poverty and a faith in money but not in love Caroline amassed millions until life challenged her to overcome the oppressive hardship of her father's legacy

A Prologue to Love Taylor Caldwell, 2024-04-23 The story of a Boston heiress who wishes for nothing except happiness by a New York Times bestselling author who never falters when it comes to storytelling Publishers Weekly Caroline Ames is rich beyond imagining But after a childhood with a cold rejecting father she is irrationally terrified of poverty seething with hostility and incapable of giving or receiving love Those who cross her path tend to find themselves at the very least suffering if not thoroughly broken A Prologue to Love introduces three generations of the Ames family during the Gilded Age and the early twentieth century painting a compassionate portrait of a difficult woman those who have hurt her and those she has hurt It is a vivid profoundly moving novel that explores the damage that everyday evil can do and what it takes to overcome it

Love Devotion Hell C.T. Andersen, 2018-09-15 God has a reason for each and every one of us I was thought to be destroyed before I even was Much like the verse in 1 Corinthians 1 28 God chose what is lowly and despised in the world even things that are not to bring to nothing things that are As in Matthew 10 21 You will be hated by everyone because of me but the one who stands firm to the end will be saved God has a purpose for all of us No demon was too big for me to handle even at a young age for I followed the voice within me God has been by my side from the moment my parents tried to end my life before I was even born God has given me the gift of seeing the demons within the human race and allowing me not to pick up any of that which will hurt me in the end He has made me strong within his love and has made me passionate within her will I was put here to tell others who are like me You made the right choice by not giving in to the bullies and knowing that you are loved even if that love comes from within yourself because God loves us all Yes despite the demons within us and around us we all return to God

Love's Sacred Order Erasmo Leiva-Merikakis, 2010-01-13 When seeking to understand Christian love with some precision we inevitably come to speak about order in loving The title of this book Love's Sacred Order is intended to address the problem of the need for clarification in the matter of love above all the question of the relationship among the different kinds of love all of which make their legitimate claim on us A central concern of these reflections is the fact that we can do as much harm to ourselves by being too restrictive as by being too permissive in what we allow to come under the heading of Christian love The main intent of these meditations is to explore what the hierarchy might be that God established among all our human loves on the one hand and between these and the gratuitously revealed love of God that uncreated mystery kept secret for long ages to which we could not have had access if God himself had not taken the initiative to manifest it in Christ Jesus The author approaches this subject pondering and responding to issues
