All Things in Common Ruth Compton Brouwer, 2021-06-29 In the first decade of the twentieth century a few closely related families established a utopian community in Canada's smallest province Known officially as B Compton Limited but described by a journalist in 1935 as Prince Edward Island's unique brotherly love community this utopia owed its longevity to the cohesion provided by its communal organization dense kin ties and long held millenarianism and to a decidedly pragmatic approach to business *All Things in Common* demonstrates how un utopian such a community could be while problematizing the contention that the inevitable end of all utopian experiments is a full blown dystopia Beginning with a compelling backstory and locating the Compton community in the historiography of North American utopias the author goes on to explore the community's business endeavours its religious familial and transgressive aspects and its brief period of international fame before assessing the factors that led to its dissolution in 1947 Providing a strong narrative framework *All Things in Common* draws on rich family and archival records and diverse secondary sources concluding with a consideration of the community's legacy for its alumni and their descendants

Far Cry Alissa York, 2023-02-28 In a novel as compelling as the forbidden love at its heart Alissa York one of Canada s most distinctive writers evokes an era of unspoken desires in which pain and longing are braided together along treacherous lines It s 1922 at Far Cry Cannery a quarter mile of boardwalk and wooden buildings strung along the rocks of Rivers Inlet on the northwest coast of British Columbia The time has come for Anders Viken storekeeper and honorary uncle to the recently orphaned Kit to give an account of his secret self from his first home in Norway another land of islands and fjords to his escape from his family s loving grip to his wide open years of rough living and impossible love As the sockeye flood up the inlet Anders sets his secrets down for 18 year old Kit the only member of his chosen family he has left after her mother Bobbie scandalized Far Cry by running off with the camp s handsome Chinese cook and her father Frank was found drowned alongside his own boat While Anders does his reckoning Kit fends off the attentions of the cannery manager and tries to earn her keep Oars in hand she glides her skiff out over the great returning school and casts her net This at least makes sense to her as opposed to the convoluted workings of love

Medical Materialities Aaron Parkhurst, Timothy Carroll, 2019-01-14 *Medical Materialities* investigates possible points of cross fertilisation between medical anthropology and material culture studies and considers

the successes and limitations of both sub disciplines as they attempt to understand places practices methods and cultures of healing The editors present and expand upon a definition of medical materiality namely the social impact of the agency of often mundane at times non clinical materials within contexts of health and illness as caused by the properties and affordances of this material The chapters address material culture in various clinical and biomedical contexts and in discussions that link the body and healing The diverse ethnographic case studies provide valuable insight into the way cultures of medicine are understood and practised

A Long Way to Paradise Robert A.J. McDonald,2021-10-15 The political landscape of British Columbia has been characterized by divisiveness since Confederation As outsized personalities from Amor De Cosmos to W A C Bennett dominated the halls of power militant radicals and reformers took to the streets and hustings A Long Way to Paradise traces the evolution of political ideas from 1871 to 1972 to explore British Columbia s journey to socio political maturity answering both why and how British Columbia became Canada s most fractious province Robert McDonald explains its classic left right divide as a product of common sense liberalism that also shaped how British Columbians met the challenges of a modernizing world McDonald tackles key questions Why were the Liberal and Conservative parties obliterated in the 1950s What can account for Bennett s decades long reign And why did parties as diametrically opposed as Social Credit and the NDP succeed This lively overview provides fresh insight into the fascinating story of provincial politics in Canada s lotus land

Return to Solitude Grant Lawrence,2022-04-30 The long awaited sequel to Grant Lawrence s bestselling memoir Adventures in Solitude It s been over a decade since renowned broadcaster and indie rock musician Grant Lawrence launched his writing career with the award winning Adventures in Solitude yet some things never change including the winding Sunshine Coast Highway close calls at the BC Ferries ticket office and carsick children But this time Lawrence returns as a husband and father not as the vomiting and nerdy kid dragged along by his athletic and unflappable parents In his inimitable high voltage style Lawrence interweaves the rich and harrowing history of the Desolation Sound area with his own experiences of life on the coast This lively book recounts the life and times of the legendary Cougar Lady tracks a phantom like squatter known as the Spaghetti Bandit and details the bizarre exit and even more bizarre death of Bernard the German Here too are many of the beloved personalities introduced in Lawrence s first book including hippie recluse Russell the Hermit plus the continued voyages of Big Buck the decrepit family boat and the incredible return of large ocean mammals to Desolation Sound From a hilarious heartfelt and slightly wiser voice comes a momentous story of time family and place whirling around one increasingly ramshackle cabin on a beautiful and not at all desolate coast
