Promise Of Paradox A Celebration Of Contradictions In The Christian Life:

The Promise of Paradox Parker J. Palmer, 2010-02-22 First published in 1980 and reissued here with a feisty new introductory essay *The Promise of Paradox* launched Parker J. Palmer's career as an author and his ongoing exploration of the contradictions that vex and enrich our lives In this probing and heartfelt book the distinguished writer teacher and activist examines some of the challenging questions at the core of Christian spirituality How do we live with the apparent opposition between good and evil scarcity and abundance individuality and community death and new life We can hold them as paradoxes not either ors allowing them to open our minds and hearts to new ways of seeing and being *The Promise of Paradox*, 2010 *The Spirit of the Quakers* Geoffrey Durham, 2010-11-16 Who are the Quakers what do they believe and what do they practice The Religious Society of Friends also known as Quakers believes that everyone can have a direct experience of God Quakers express this in a unique form of worship that inspires them to work for change in themselves and in the world In *The Spirit of the Quakers* Geoffrey Durham himself a Friend explains Quakerism through quotations from writings that cover 350 years from the beginnings of the movement to the present day Peace and equality are major themes in the book but readers will also find thought provoking passages on the importance of action for social change the primacy of truth the value of simplicity the need for a sense of community and much more The quoted texts convey a powerful religious impulse courage in the face of persecution the warmth of human relationships and dedicated perseverance in promoting just causes The extended quotations have been carefully selected from well known Quakers such as George Fox William Penn John Greenleaf Whittier Elizabeth Fry and John Woolman as well as many contemporary Friends Together with Geoffrey Durham's enlightening and sympathetic introductions to the texts the extracts from these writers form an engaging often moving guide to this accessible and open hearted religious faith **Living with Contradiction** Esther De Waal, 2014-04-25 The world the Church and our personal lives are full of conflict opposing demands pull us in all directions This book presents the wisdom of Benedict which shows how ambiguity and uncertainty can be transformative and healing

A Hidden Wholeness Parker J. Palmer, 2022-08-24 In *A Hidden Wholeness* Parker Palmer reveals the same compassionate intelligence and informed heart that shaped his best selling books *Let Your Life Speak* and *The Courage to Teach* Here he speaks to our yearning to live undivided lives lives that are congruent with our inner truth in a world filled with the forces of fragmentation Mapping an inner journey that we take in solitude and in the company of others Palmer describes a form of community that fits the limits of our active lives Defining a circle of trust as a space between us that honors the soul he shows how people in settings ranging from friendship to organizational life can support each other on the journey toward living divided no more This paperback edition includes two new and useful features *Circles of Trust* is a videos containing interviews with Parker J. Palmer and footage from retreats he facilitated for the Center for Courage Renewal www.CourageRenewal.org *Bringing the Book to Life* by Caryl Hurtig Casbon and Sally Z Hare is a reader's and

leader's guide to exploring the themes in *A Hidden Wholeness* The videos illuminate and illustrate the principles and practices behind circles of trust The guide includes questions that connect the videos to the book offering a conversation with the author as well as an engagement with the text Together these features give readers new ways to internalize the themes of *A Hidden Wholeness* and share with others this approach to sustaining identity and integrity in all the venues of our lives Inspired by Palmer's writing and speaking and challenged by the conditions of twenty-first century life people across the country from many walks of life have been coming together in circles of trust to reclaim their integrity and help foster wholeness in their workplaces and their world For over a decade the principles and practices in this book have been proven on the ground by parents and educators clergy and politicians community organizers and corporate executives physicians and attorneys and many others who seek to rejoin soul and role in their private and public lives *A Hidden Wholeness* weaves together four themes that its author has pursued for forty years the shape of an integral life the meaning of community teaching and learning for transformation and nonviolent social change The hundreds of thousands of people who know Parker Palmer's books will be glad to find the journey continued *Beyond the Edge* Andrew Mayes, 2013-11-21 Jesus calls his disciples to follow him but where does he lead us Responding to Jesus summons we find ourselves leaving familiar certainties and securities behind as we step out boldly in faith Old boundaries dissolve as we are led into liminal spaces exhilarating situations new places of discovery and radical spiritual growth In such experiences Christ reveals himself to us anew The place of risk is the threshold of the divine *Beyond the Edge* is for people who wish to go deeply into the spiritual life for spiritual directors and for those who walk with others on their prayer journey It can be used individually or in groups

Reviewing Leadership (Engaging Culture) Robert J. Banks, Bernice M. Ledbetter, David C. Greenhalgh, 2016-06-21 *Evaluating Current Approaches to Leadership* This book offers a comprehensive evaluation of current approaches to leadership from a discerning Christian perspective Combining expertise in leadership theology and ministry the authors take a historical look at leadership and how it is viewed and used in today's context The book is informed by both biblical and leadership studies scholarship and interacts with a number of popular marketplace writings on leadership It also evaluates exemplary role models of Christian leadership The second edition has been updated and revised throughout *Formation in Faith* Sondra Higgins Matthaei, 2008-01-01 The ministry of congregations is to make disciples of Jesus Christ Behind that simple and seemingly self-evident statement lies a problematic reality however While congregations know that disciple making is at the heart of their identity they often have trouble understanding how to go about it Apart from such traditional Christian education ministries as Sunday school too little formal thinking or planning goes into the task of forming Christians in the faith In this book Sondra Matthaei casts a vision in which congregations open up their life of faith to others as an invitation to connect the universal longing for authentic relationships and deeper meaning with the church's practice of faithful discipleship As folks enter the church's communion of grace Matthaei challenges church leaders to utilize the gifts of

every member and lays out a plan to help congregations grow in faith and communion with God and creation including the context and goal of such ministry deciding what to teach and who shall teach and attendant relationships structures and practices

Out of the Depths: Your Companion Through Chronic Illness Elizabeth Shadbolt, Nancy L. Long, 2019-01-24 The Out of the Depths series addresses common pastoral crises in a faithful encouraging and factual manner that provides support to parishioners in crisis beyond the initial pastoral conversation These inexpensive 64 page booklets can be given out to parishioners when they bring their recent diagnosis crisis or trauma to the pastor as a way to continue to provide care throughout the difficult season Each booklet begins with a thoughtful consideration of the topic at hand which is followed up by 30 brief devotions These devotions are designed to be manageable in an overwhelming time encouraging and honest The Out of the Depths booklets are essential care resources to be given out by pastors Stephen Ministers and congregational care teams This Chronic Illness edition is authored by Nancy L Long and Elizabeth Shadbolt

Dominiek Lootens, 2022-03-14 Thomas Merton 1915 1968 is considered to be one of the most important Catholic American authors of the twentieth century In this book one can discover Merton not only as a contemplative writer and prophet but also as a pastoral practitioner Dominiek Lootens is a Catholic practical theologian with more than twenty years of experience as a pastoral supervisor and educator in Belgium and Germany Using his own professional practice as a starting point he reflects in this book on the life and work of Thomas Merton He shows how relevant Merton can be for pastoral practitioners who are active in today s global context A variety of professional topics are discussed interfaith hospital chaplaincy migration and practical theology pastoral supervision and spirituality natural contemplation and Orthodox pastoral theology racism and adult education and the training of chaplains as social justice allies This book offers practical theologians and pastoral practitioners an in depth view in the life and publications of Thomas Merton and invites them to bring it into dialogue with their own professional practice

Greenhouses of Hope Dorie Grinenko Baker, 2010-11-12 Do you know a church where young people regularly shape the liturgy with words that speak their truth in ways that also inspire their elders Do you hear about congregations that reach out in quirky new ways to their ailing neighborhoods instead of locking doors and shipping out to a suburb Do you find churches creating hospitable space that invites the live wriggling questions and doubts of young people in unhurried unworried ways Do you see congregations where young people s gifts are not stored in the basement or bracketed into contemporary worship services but are brought forth and celebrated The authors who collaborated on this book launched a quest for such vibrant life giving greening congregations and observed the diverse practices that grow there They named these churches Greenhouses of Hope A Greenhouse of Hope is a Christian congregation freeing itself to experiment with both newly imagined and time honored ways of following the path of Jesus Its members respond to God s love through practices that genuinely embrace the gifts of youth and young adults Out of these greenhouses emerge young leaders who want to change the world In Greenhouses of Hope Dori Baker and six contributors tell the stories of these

remarkable congregations helping others think about how they can create space for the dreams of young people to be grafted into God's dreams for the world **College & University Chaplaincy in the 21st Century** Dr. Lucy A.

Sondra H. Matthaëi, Nancy R. Howell, 2014-06-17 Could we have imagined how much theological education would change in the new millennium Shifting needs of students classrooms and churches have demanded constant revisions of the curriculum course design classroom technology and pedagogical strategies Saint Paul School of Theology felt the tide of change within our own walls and designed a project called Proleptic Pedagogy to address three distinct pedagogical challenges for the future of theological education First instead of fitting new technologies into old pedagogies how are teaching and learning transformed by shifting needs of students who are digital natives digital immigrants or distance learners Second instead of reactive strategies what pedagogy proactively eliminates accommodations because courses are designed with flexibility and openness to diverse learning styles disabilities and needs Third instead of engaging student diversity with the tools of the 1960s what new teaching and learning strategies anticipate future student racial and ethnic demographics and interracial educational experiences This volume of essays narrates our classroom stories teases out pedagogical issues examines pedagogical literature reflects on theology of pedagogy and constructs pedagogical proposals with an open invitation for other theological educators to join our conversation about the future of theological education In the Middle of a Journey

Richard S. Gilbert, 2013-04-17 The role of religious education faith development among Unitarian Universalists marks the uniqueness of this religious movement Without dependence on dogma or creed it is essential that a religious community be free to develop its own distinctive identity The centrality of religious education was evident in the very beginnings of this liberal denomination Rev Richard Gilbert collects many of the most influential statements of religious education philosophy in the anthology *In the Middle of a Journey* From William Ellery Channings eloquent Sunday School Address to the writings of stalwarts Sophia Lyon Fahs and Angus H MacLean these carefully selected essays trace the evolution of faith development from a Christian catechism to a broadly based faith based quest for values meanings and convictions In an age that tends to belittle the past it is refreshing to realize that if we are to chart where we are going it is wise to know where we have been The Unitarian Universalist movement has been in some interesting places and eagerly seeks an adventurous future The New Progressive Dilemma D. O'Reilly, 2007-04-12 The New Progressive Dilemma documents the international diffusion ideological meaning and long term political implications of the ideas that informed the late twentieth century revolution in thinking inside the British Labour Party a revolution that had important antecedents in Australia Military Chaplains' Review , 1985 *The Choice* Judy Brown, 1995-10-01 Through the dramatic story of her father s decision to die with the help of Dr Jack Kevorkian and her struggle to cope with his suicide the author explores the controversies surrounding euthanasia and the right to die Simultaneous Tour IP **Between the 'Mysticism of Politics' and the 'Politics of Mysticism'** David Ranson, 2013-08-31 Between the Politics of Mysticism and the Mysticism of Politics traces the dialectic of the mystical and the political from both a theological and an historical perspective It presents the dialectic as a hermeneutic for the rise of the new ecclesial communities within the Roman Catholic Tradition and suggests it as the framework by which a trajectory for Christian holiness might emerge in the 21st century **Catalyzing the Field** Olen Gunnlaugson, Charles Scott, Heeson Bai, Edward W. Sarath, 2019-02-01 A rich collection of essays about the inner shared experiences of participants engaged in second person approaches to contemplative practice Catalyzing the Field presents a diverse series of applied case studies about the second person dimension of contemplative learning in higher education As a companion volume to the editors previous book *The Intersubjective Turn* the contributors to this book explore various pedagogical scenarios in which intentional forms of practice create and guide consciousness Their essays demonstrate that practice is not only intellectual but somatic phenomenological emotional and spiritual as well Along with their first book *Contemplative Learning and Inquiry across Disciplines* the editors craft an essential body of work that affirms the fundamental importance of contemplative practice in institutions of higher learning Catalyzing the Field makes an important contribution to contemplative education I especially appreciate its innovative approaches practical insights and potential applications Louis Komjathy editor of *Contemplative Literature A Comparative Sourcebook on Meditation and Contemplative Prayer* **Finding Leo** Philip Mathew, 2021-10-26 Transform yourself and your organization through the power of servant leadership In this informative

and inspiring book Mathew traces the true life stories struggles and enduring wisdom of ten men and women who changed the world by serving others Based on Larry C Spears s ten characteristics of a servant leader Finding Leo engages the reader in a clear and compelling portrait of this powerful leadership philosophy through a vivid analysis of contemporary and historical servant leaders including Southwest Airlines CEO Herb Kelleher Underground Railroad conductor Harriet Tubman missionary to the poorest of the poor Mother Teresa educational activist Malala Yousafzai Quaker abolitionist John Woolman freedom fighter Mahatma Gandhi First Lady Eleanor Roosevelt Greenbelt Movement founder Wangari Maathai Holocaust survivor Viktor Frankl and civil rights leader Martin Luther King Jr From the classroom to the boardroom the leadership lessons found in Finding Leo form an essential and practical guide for individuals organizations and communities looking to live for a higher purpose and seeking a path forward through others centered leadership
