*The Brown Owl* Ford Madox Ford, 2016-11-24 ONCE upon a time a long while ago in fact long before Egypt had risen to power and before Rome or Greece had ever been heard of and that was some time before you were born you know there was a king who reigned over a very large and powerful kingdom Now this king was rather old he had founded his kingdom himself and he had reigned over it nine hundred and ninety nine and a half years already As I have said before it was a very large kingdom for it contained among other things the whole of the western half of the world The rest of the world was divided into smaller kingdoms and each kingdom was ruled over by separate princes who however were none of them so old as Intafernes as he was called

**I Promise** Gary Smalley, 2007-10-07 Make your marriage the safest place on earth Of all the best selling books and award winning videos Dr Gary Smalley has produced for couples I Promise is his most important and most revolutionary work ever A decade of focused research has brought him to this startling new conclusion Great marriages are built on a foundation of trust not behavioral skills So not only is a harmonious long lasting relationship within every couple s grasp but emotional security is the cornerstone for the relationship you ve always wanted That means you don t have to be a relationship guru to connect deeply with your spouse after all You simply need to feel secure in your marriage

and to help your spouse do the same Then the best relationship possible will happen naturally Creating security is easier than you think It takes only five simple promises to each other Promises you can most certainly make promises this book will equip you to keep Writing in his trademark style Dr Smalley delivers a lifetime of information true experiences encouragement and wisdom for anyone who wants their marriage to be not just safe but the safest place on earth *Together and Apart* Toni Poll-Sorensen,2015-10-08 These poems were written over a very difficult period of time in my own marriage In order for my husband and me to heal our hearts and ensure each other of our love we began to e mail two or three lines of poetry to each other in a call and response format I saved these five or six lines sent off every workday for nearly two years I have since rewritten them to reflect a single voice and edited them into what I think are coherent messages I hope they will speak to your heart linger in your mind and rest softly in your eyes *Realism and Christian Faith* Andrew Moore,2003-03-27 The question of realism that is whether God exists independently of human beings is central to much contemporary theology and church life It is also an important topic in the philosophy of religion This book discusses the relationship between realism and Christian faith in a thorough and systematic way and uses the resources of both philosophy and theology to argue for a Christocentric narrative realism Many previous defences of realism have attempted to model Christian belief on scientific theory but Moore argues that this comparison is misleading and inadequate on both theological and philosophical grounds In dialogue with speech act theory and critiques of realism by both non realists and Wittgensteinians a new account of the meaningfulness of Christian language is proposed Moore uses this to develop a regulative conception of realism according to which God s independent reality is shown principally in Christ and then through Christian practices and the lives of Christians **The Brown Owl** Ford Madox Ford,1898 **The Brown Owl** Форд Мэдокс Мэдокс,2021-12-02
