Echoes of Scripture in Luke-Acts Kenneth D. Litwak,2005-03-07 Litwak challenges previous studies of the use of the Old Testament in Luke Acts as inadequate In contrast to previous studies that consider only quotations or obvious allusions he examines intertextual echoes of the Old Testament at strategic points in Luke Acts as well as quotations and allusions and echoed traditions Thus this study s database is larger Previous studies generally argue that Luke s use of the Scriptures is in the service of christology This leads to the exclusion of scriptural citations such as those of the temptation Luke 4 1 13 which have different emphases Litwak views ecclesiology as the overall purpose behind Luke s use of the Old Testament but he does not skip or avoid intertextual references that may lie outside an

ecclesiological function Whilst other studies contend that Luke uses the Old Testament according to a promise fulfillment proof form prophecy hermeneutic Litwak argues that this fails to account for many of the intertextual references Other studies often subsume all of Luke's use of the Scriptures of Israel under one theme such as the New Exodus but this study does not require that every intertextual echo maps to a specific theme Rather the many intertextual references in strategic texts at the beginning middle and end of Luke Acts and Luke's use of the texts are allowed to dictate the themes to which they relate JSNTS 282 The Promise of American Life Herbert David Croly, 1909 The average American is nothing if not patriotic The Americans are filled says Mr Emil Reich in his Success among the Nations with such an implicit and absolute confidence in their Union and in their future success that any remark other than laudatory is unacceptable to the majority of them We have had many opportunities of hearing public speakers in America cast doubts upon the very existence of God and of Providence question the historic nature or veracity of the whole fabric of Christianity but never has it been our fortune to catch the slightest whisper of doubt the slightest want of faith in the chief God of America unlimited belief in the future of America Mr Reich's method of emphasis may not be very happy but the substance of what he says is true The faith of Americans in their own country is religious if not in its intensity at any rate in its almost absolute and universal authority It pervades the air we breathe As children we hear it asserted or implied in the conversation of our elders Every new stage of our educational training provides some additional testimony on its behalf Newspapers and novelists orators and playwrights even if they are little else are at least loyal preachers of the Truth The skeptic is not controverted he is overlooked

Fulfillment of Prophecy Gary Gallant, 2023-08-30 Many believers neglect to study the Old Testament because they find it confusing or because they assume that it is less important to the Christian faith than the New Testament We cannot understand Jesus or His gospel without a proper grounding in the Old Testament Scriptures Thus we need to read and study the whole counsel of God Let us not neglect the study of either testament Unique among all books ever written the Bible accurately foretells specific events in detail many years sometimes centuries before they occur Approximately 2 500 prophecies appear in the pages of the Bible about 2 000 of which already have been fulfilled to the letter no errors The remaining 500 or so reach into the future and may be seen unfolding as days go by Since the probability of any one of these prophecies having been fulfilled by chance averages less than one in ten figured very conservatively and since the prophecies are for the most part independent of one another the odds for all these prophecies having been fulfilled by chance without error is less than one in 102000 that is 1 with 2 000 zeros written after it God is not the only one however who uses forecasts of future events to get people's attention Satan does too Through clairvoyants such as Jeanne Dixon and Edgar Cayce mediums spiritists and others come remarkable predictions though rarely with more than about 60 percent accuracy never with total accuracy Messages from Satan furthermore fail to match the details of Bible prophecies nor do they include a call to repentance The acid test for identifying a prophet of God is recorded by Moses in Deuteronomy 18 21 22 According to this

Bible passage and others God's prophets as distinct from Satan's spokesmen are 100 percent accurate in their predictions. There is no room for error. The New Testament indicates that what happened at the cross and on it was what the prophets had predicted would happen long before. Details of Jesus' life and death were written in divine prophecy hundreds of years before He was born in Bethlehem. Throughout the Gospels this amazing truth is emphasized. As Jesus and His apostles left the upper room for the Garden of Gethsemane He said to them, "You will all fall away because it is written, 'I will strike down the shepherd and the sheep shall be scattered.'" Mark 14:27. After Judas' betrayal Jesus rebuked Peter for drawing his sword and cutting off the ear of Malchus and said to him, "Put your sword back into its place. How then will the Scriptures be fulfilled which say that it must happen this way?" Matthew 26:52-54. On the cross Jesus waited until He saw that all things had already been accomplished before He uttered His only physical request, "I am thirsty." John 19:28. Later the spear was thrust into Jesus' side and blood and water came out. We read, "For these things came to pass to fulfill the Scripture, 'Not a bone of Him shall be broken.'" And again another Scripture says, "They shall look on Him whom they pierced." John 19:36-37. The angel who was at the tomb on the morning of the resurrection said, "Remember how He spoke to you while He was still in Galilee, saying that the Son of Man must be delivered into the hands of sinful men and be crucified and the third day rises again." Luke 24:6-7. When Jesus met with the apostles and disciples Sunday evening the same day He arose from the dead He said to them, "These are My words which I spoke to you while I was still with you, that all things which are written about Me in the Law of Moses and the Prophets and the Psalms must be fulfilled. Thus it is written that the Christ would suffer and rise again from the dead the third day and that repentance for forgiveness of sins would be proclaimed in His name to all the nations beginning from Jerusalem." Luke 24:44-47. In Jesus' affirmation to those Sunday night witnesses He referred to all three divisions of the Hebrew Old Testament: the Law of Moses, the Prophets, and the Psalms, as He described the prophecies that had been fulfilled in Him. It has been said that if one reads any part of the Bible and does not see Jesus in it, he should go back and reread it for he has missed something very important. In Peter's first gospel sermon on the Day of Pentecost he declared that Jesus had been delivered into the hands of godless men to be put to death by the predetermined plan and foreknowledge of God. Acts 2:23. In his second sermon in Acts Peter covered in one sweeping sentence the prophecies of the whole Old Testament, saying that Jesus' sufferings on the cross fulfilled all that had been prophesied. But the things which God announced beforehand by the mouth of all the prophets that His Christ would suffer He has thus fulfilled. Acts 3:18.
