Will Catholics Be Left Behind? Carl Olson, 2009-09-03 This powerful and timely book written by a former Fundamentalist is a thorough critique of the popular Fundamentalist notion of the Rapture the belief that Christians will be removed from earth prior to a time of Tribulation and the Second Coming It examines the theological historical and Biblical basis for premillennial dispensationalism the belief system based around the Rapture and popularized in the best selling Left Behind books and taught by Bible prophecy writers Tim LaHaye Hal Lindsey Jack Van Impe and many others Written for both the lay person and the serious student this book combines an engaging popular approach with detailed footnotes and exhaustive research Beginning with the big picture it focuses first on key concepts such as eschatology the Parousia and the relationship between the Kingdom and the Church It then examines the Book of Revelation providing insights into the nature and purpose of that difficult final book of the Bible Another chapter looks at the concept of the millennium and how it has been understood by various Christians over the centuries Olson then shows how Left Behind creator LaHaye's many works on Bible prophecy are filled with attacks on Catholicism and often rely on sensationalism shaky scholarship and subjective interpretations of Scripture Olson a former dispensationalist who now edits Envoy magazine also presents a history of apocalyptic belief and theology beginning with the Early Church Fathers and including the Montanists St Augustine Joachim of Fiore the Protestant Reformers and the American Puritans He shows how John Nelson Darby an ex Anglican priest developed the premillennial dispensationalist system which hinges on the Rapture in the 1830s and how Darby relied upon faulty assumptions about Jesus Christ the Church and the Bible The second part of the book A Catholic Critique of Dispensationalism focuses on three important topics the relationship between Israel the Church and the Kingdom the interpretation of Scripture and the nature of the Rapture event Filled with a wealth of information drawn from both Protestant and Catholic sources this section provides a complete rebuttal to the premillennial dispensationalist system and the left behind theology The book concludes with a reflection on the Catholic understanding of the end times salvation history and the final judgement Glossaries of key persons and terms are also included A strong but fair critique of a dangerous and popular belief Will Catholics Be Left Behind provides Catholics and Protestants lay people

and clergy and students and scholars with important answers and information about the roots and meaning of the Rapture Millions of Americans believe the Lord will snatch them up any day now leaving the rest of us to the horrors of a seven year tribulation The hitch is that the Rapture has no pedigree As Carl Olson shows no Catholic or Protestant believed in it prior to the nineteenth century It is an authentic Fundamentalist invention Karl Keating Author Catholicism and Fundamentalism In this extraordinary book Carl Olson uses a surgeon s scalpel to cut through the mass of confusion that dominates contemporary reflection on the Last Things Achieving far more than a refutation of millennialist errors and other disordered apocalyptic theories he illumines the Church s majestic vision of time and eternity and demonstrates that Jesus Christ is the Lord of History and its end Michael O Brien Author Father Elijah [The Popular Encyclopedia of Church History](#) Ed Hindson,Dan Mitchell,2013-08-01 Announcing the newest release in our well received Popular Encyclopedia series The Popular Encyclopedia of Church History an ideal resource for anyone who want a clear user friendly guide to understanding the key people places and events that shaped Christianity General editors Ed Hindson and Dan Mitchell have extensive experience with producing reference works that combine expert scholarship and popular accessibility Together with a broad range of well qualified contributors they have put together what is sure to become a standard must have for both Bible teachers and students With nearly 300 articles across 400 pages readers will enjoy a comprehensive panorama of church history from Acts 2 to today a clear presentation of how the church and its teachings have developed concise biographies of major Christian figures and their contributions fascinating overviews of key turning points in church history This valuable resource will enrich believers appreciation for the wonderful heritage behind their Christian faith *The Scandal of the Evangelical Mind* Mark A. Noll,2022-03-15 Winner of the Christianity Today Book of the Year Award 1995 The scandal of the evangelical mind is that there is not much of an evangelical mind So begins this award winning intellectual history and critique of the evangelical movement by one of evangelicalism s most respected historians Unsparing in his indictment Mark Noll asks why the largest single group of religious Americans who enjoy increasing wealth status and political influence have contributed so little to rigorous intellectual scholarship While nourishing believers in the simple truths of the gospel why have so many evangelicals failed to sustain a serious intellectual life and abandoned the universities the arts and other realms of high culture Over twenty five years since its original publication *The Scandal of the Evangelical Mind* has turned out to be prescient and perennially relevant In a new preface Noll lays out his ongoing personal frustrations with this situation and in a new afterword he assesses the state of the scandal showing how white evangelicals embrace of Trumpism their deepening distrust of science and their frequent forays into conspiratorial thinking have coexisted with surprisingly robust scholarship from many with strong evangelical connections [The Gospel of the Christ](#) Thomas Lewis Stegall,2009-07 The Gospel of the Christ is a clear biblical reply to the question of what a person must believe about Jesus Christ to possess eternal life While Christianity has historically maintained that faith in Jesus Christ is essential for

everlasting life this raises the vital question what is the necessary content of this faith Written against the backdrop of the controversy within Free Grace circles over the crossless gospel and the contents of saving faith Thomas Stegall goes well beyond a carefully documented analysis of his own movement The Gospel of the Christ provides a systematic exegetically based treatment of biblical teaching on the subject of the gospel and the meaning of the title the Christ The end result is a comprehensive biblical and theological study of Jesus Christ s person and work in the contents of saving faith

Fundamentalists in the Public Square Madison Trammel,2023-12-13 A myth busting work on fundamentalists and culture The Scopes Trial of 1925 is often regarded as a turning point in the history of American fundamentalism and evangelicalism It is claimed that Scopes was a public relations defeat that sent fundamentalism into retreat from mainstream culture In Fundamentalists in the Public Square Evolution Alcohol and the Culture Wars after the Scopes Trial Madison Trammel argues that such a characterization is misguided Using documentary evidence from newspapers in the 1920s and 1930s Trammel shows that fundamentalists remained fully active in seeking to transform the culture for Christ and they remained so through the rise of Billy Graham s ministry Grounded in historical evidence Fundamentalists in the Public Square offers a fresh take on the relationship between fundamentalism evangelicalism and the public square *Holy War* David S.

New,2015-10-03 Temple Mount is believed by some Jews to be the locus of their ancient Temple Known to Muslims as Haram al Sharif the Noble Sanctuary this site is home to two mosques one of which is the third most holy shrine in all of Islam Jewish fundamentalists want to destroy the mosques on Temple Mount and rebuild the Temple Christian apocalypticists are financing and supporting their efforts If the mosques are destroyed Islamic fundamentalists have vowed to destroy Israel resulting in the possibility of nuclear war This book addresses the idea that the recent rise of militant Christian Jewish and Muslim fundamentalisms and their interaction are endangering peace in the Middle East It fully examines the thesis that apocalypticist fundamentalists Christians in America Jews in Israel and America are working together to hasten the coming of the Messiah by instigating a Holy War in the Middle East Several chapters focus on three U S political figures Jerry Falwell Ronald Reagan and Pat Robertson who helped bring Christian fundamentalism into the mainstream of American politics One chapter tells of Jewish preparations for rebuilding the Temple on Temple Mount Other chapters document the rise of religious fundamentalism in Israel since 1967 Haram al Sharif Temple Mount crises involving Christian Jewish cooperation and the rise of Islamic fundamentalism Separate chapters are devoted to Israel s nuclear program and political psychology and the fact that nuclear weapons are leaving Russia and finding their way to Islamic nations and Islamic terrorists

Dispensationalism Charles C. Ryrie,2007-02-01 Dispensationalism continues to provoke heated debate within the Christian world Highly acclaimed theologian Dr Charles C Ryrie addresses this crucial issue from the perspective of classic dispensationalism He confronts the views of covenant theology historical premillennialism ultradispensationalism and in this revised edition the increasingly popular progressive dispensationalism In his best selling book Dispensationalism Today

written more than thirty years ago Dr Ryrie made this complex subject more understandable for thousands worldwide This revised and expanded version of that book will prove to be an invaluable reference tool for your library

The Dispensational-Covenantal Rift R. Todd Mangum, 2007-06-01 This groundbreaking study explores how the fight between dispensationalists and covenant theologians started and how a unique dynamic of personalities and sociological factors enflamed it Readers may be surprised to discover that even the terminology of dispensationalists and covenant theologians originated in the 1930s disputes that the majority of the original protagonists on both sides were Presbyterians and that soteriology rather than eschatology was the original bone of contention between them This study examines how two respective strands of fundamentalism came to identify one another as theological rivals as they each vied for position in their recently formed separatist bodies The significance of disagreements over dispensationalism is explored in the founding of the Orthodox Presbyterian and Bible Presbyterian churches And then as the debate traveled southward the response of the PCUS is examined with special attention given to the consummative reports of an ad hoc committee that found dispensationalism to be out of harmony with the Westminster doctrinal standards Significant misunderstandings that impeded fruitful dialogue from the beginning are clarified particularly those that have persisted most stubbornly to the present day Perhaps most surprising of all the reader will discover that nearly all of the original points of debate between dispensationalists and covenant theologians have since been resolved as each side has honed its position in light of pertinent critiques Why has this development gone almost unnoticed This study suggests an answer and proposes that understanding how the feud began may hold the key to rapprochement today

The Keswick Movement Charles Edwin Jones, 2007 This volume introduces researchers to the leaders ideas and institutions of the Keswick Movement a strand of holiness teaching that was embraced by many evangelicals who came from the more Calvinistic wing of Protestantism especially Anglicans Baptists Congregationalists and Presbyterians The Keswick Movement is the most difficult of the three main holiness traditions to delineate Unlike the Wesleyan Holiness and Holiness Pentecostal traditions the Keswick Movement has not gone through a definitive period of careful theological refining and institutional boundary setting

The Early Twentieth-century Dispensationalism of Arno C. Gaebele Michael D. Stallard, 2002 This study presents an analytical description of the theological methods of Arno C Gaebele a leading dispensational and fundamentalist speaker and writer Gaebele's entire theological system ground in a thorough acceptance of evangelical belief and emphasizing bibliology Christology and eschatology was organized around the central interpretive motif of prophetic hope focused on the personal Second Coming of Christ While contributing to a deeper understanding of the history of fundamentalism and dispensationalism Gaebele's example helps to establish a descriptive definition of dispensationalism based mostly upon hermeneutical concerns
