

"Lord, I don't understand what is happening in my life right now. Thank you for your promise to cause all things to work together for God for those who love you. Help me to trust that you will use this difficult situation for good. I cannot see the good that will come from this now. Help me to watch and wait with expectation as I trust that you will hold true to your word. Amen."

Thiselton,2020-11-12 In the Bible promise and prayer are essential and connected components of the inter personal relationship between God and his people And both promise and prayer are kinds of action undertaken by means of speaking utterances philosophers refer to as speech acts In the case of promises this is clear they constitute firm commitments to act in certain ways under appropriate conditions This book considers biblical examples of divine promise from both Old and New Testaments All speech acts depend upon institutional facts and Thiselton argues that in the biblical writings Divine promises are based on the prior

institution of God's covenant That same covenant forms the institutional context of prayer Thiselton shows how different kinds of prayer blessing thanksgiving and praise petition and intercession count as speech acts in different ways and to different degrees

The Promise of Prayer Jeff Erickson, 2019-01-12 One of the greatest needs we have in life is to access our Heavenly Father God in his infinite mercy has provided us with the Promise of prayer This promise is actually a multitude of promises that allow us to access God As you read this book you will be reminded of the power of prayer This book is not an exhaustive treaty on prayer but rather an attempt to remind the reader that God's wants to be consulted sought after and invited into our lives through divine communication My intent and goal in writing the Promise of Prayer is to invite the reader to pray always so that a multitude of blessings may be showered upon them The Promise of Prayer is that God has promised you answers and a multitude of other blessings if you will just pray Never forget this simple invitation Search diligently pray always and be believing and all things shall work together for your good D C 90 24 I promise you this is true

Promissio Oswald Bayer, 2025-07-22 Promissio is a methodologically rigorous study of all the pertinent Luther texts prior to 1520 thus enabling Bayer to trace Luther's reformational turn culminating in his clear understanding of the gospel promise as God's gift crystallized in the forgiveness of sins and enacted by the word of absolution The author emphasizes that at the heart of Luther's understanding of the gospel is the insight that God justifies us freely through faith in the word of promise promissio and that this promise is not oriented primarily to the future but is a present gift to be received in faith However he shows that it is not the understanding of justification by faith that is at the center of Luther's breakthrough but the insight that God's promise is an efficacious word that accomplishes what it says and that justification can only be properly understood in the light of the promise Bayer shows how Luther comes to see that the promise requires a reshaping of the sacrament of penance confession and absolution as well as Baptism and the Lord's Supper Luther's new understanding of promise also leads him to radically rethink his understanding of Christology the sermon meditation and prayer When this book was first published in 1971 it was hailed by the Roman Catholic scholar Otto Hermann Pesch as a classic of Luther research and that claim still holds good today No serious Luther scholar can afford to ignore it It has also remained the foundation of all Oswald Bayer's subsequent work The Lutheran Quarterly Books edition of Promissio now offers scholars and students this wisdom in English thanks to Jeffrey Silcock's careful translation
