**Hebrews** William L. Lane, 2004 By surpassing most traditional commentaries Lane's work unveils Hebrews as a sermon rendered by a concerned preacher to his Roman church which is under persecution and dangerously close to rejecting the faith As an exposition of encouragement and exhortation Hebrews addresses the central concerns of our contemporary church as well the felt absence of God a climate of uncertainty and insecurity the tension between secular conformity and spiritual maturity and the threat of societal perversion and materialism to a Christian commitment Christians are called upon to express a faith that is rooted in the future and to continue this life of pilgrimage with a radical new view of reality which is based on sure confidence in the intervention of God in daily life Tracing the writer's development thought by thought rather than verse by verse careful attention is paid to the cultural and historical background This work is useful as a study guide for groups and individuals or for any reader who wishes a mature understanding of the book of Hebrews **The Promise-Plan**

**of God** Walter C. Kaiser, Jr., 2009-10-06 What is the central theme of the Bible Given the diversity of authorship genre and context of the Bible's various books is it even possible to answer such a question Or in trying to do so is an external grid being unnaturally superimposed on the biblical text These are difficult questions that the discipline of biblical theology has struggled to answer In this thoroughly revised and expanded edition of his classic *Toward an Old Testament Theology* Walter Kaiser offers a solution to these unresolved issues He proposes that there is indeed a unifying center to the theology and message of the Bible that is indicated and affirmed by Scripture itself That center is the promise of God It is one all encompassing promise of life through the Messiah that winds itself throughout salvation history in both the Old and New Testaments giving cohesiveness and unity to the various parts of Scripture After laying out his proposal Kaiser works chronologically through the books of both testaments demonstrating how the promise is seen throughout how the various sub themes of each book relate to the promise and how God's plan to fulfill the promise progressively unfolds Here is a rich and illuminating biblical theology that will stir the emotion and the intellect Eastern Law Reporter, Canada, 1908 Contains judgments of the courts of Nova Scotia New Brunswick and Prince Edward Island together with a selection of cases decided by the Judicial Committee of the Privy Council Supreme and Exchequer Courts of Canada in cases arising in such provinces

Israel: the 51st State Morris Glen Bowers, 2005-06 One thing that people are slow to learn a thing that they must learn to correctly understand the Bible is that the whole Jewish religion ended at the cross of Christ and a new order became effective The total misunderstanding of Matthew chapter 24 is at the root of most of this confusion If the Messiah didn t come during the time of the Roman occupation of the land of promise then HE will never come It will never happen What the Palestinians feared would happen has clearly happened The killing and confusion in the Middle East is to be laid at the feet of the United Nations England France and the United States The false doctrine of premillennialism and those that teach this subject must take full responsibility for adding fuel to the fire of hatred among the State of Israel and Palestinians The current day denominational preachers that are guilty of teaching this evil doctrine are Billy Graham Garner Ted Armstrong Franklin Graham Jack Van Impe Pat Robertson John Hagee Jerry Falwell Benny Hinn David Cerullo Pat Robison Lou Shelton the Trinity Broadcasting Network and the thousands of less known denominational preachers in your own home towns across America The Bible contains the mind of God the state of man the way of salvation the doom of sinners and the happiness of believers Its histories are true its doctrines are holy its precepts are binding and its decisions are immutable Read it to be wise believe it to be safe and practice it to be holy
