Promised Brides Promised Brides:

The Duke's Promised Bride Anne Marie Novark, 2015-02-06 Fifteen years ago a marriage of convenience was arranged between Quentin D Arby and Vanessa Graham by their respective grandfathers The union would unite the vast wealth and landholdings of the Graham Heiress and the Duke of Straithe From a very early age Vanessa has been trained and educated to be the duchess Now as the wedding day fast approaches she discovers she wants more than a marriage of convenience Can she break through the barriers guarding the duke s impenetrable heart Will she ever be able to win his love EXCERPT The duke approached the pianoforte and gave a little bow to Vanessa Please be seated he said indicating the stool she d just vacated He searched through the stack of sheet music and handed her one Are you familiar with this piece Vanessa sat down and nodded Speech was impossible the duke was standing extremely close and she could feel the warmth of his big body Her own body tingled in response How was she ever going to accompany him on the piano without disgracing herself Excellent His arm brushed her shoulder when he reached over and arranged the sheet of music in front of her Tiny slivers of awareness shot through her bloodstream making it difficult to breathe Are you ready The deep voice washed over her like a caress Straithe gripped her shoulder and she felt the hot imprint of his fingers through her thin muslin dress He stayed but a moment his touch lingering before moving away to stand at the side of the pianoforte Vanessa pressed her hands to her burning cheeks and tried to catch her breath Goodness What in the world was the matter with her They were only going to perform together to entertain their grandparents Vanessa scanned the music she was about to play then glanced at the duke for the sign to begin He inclined his head and she plunged into the introduction As she ran her fingers over the keys she speedily overcame her fidgets Losing herself in the music Vanessa listened as Straithe sang the old love ballad How easy it would be to pretend the words were meant for her She peeked at the duke and her eyes collided with his He held her spellbound and when he smiled Vanessa blushed For that one fleeting moment she thought that maybe he was singing to her after all A warm feeling floated through her as she broke eye contact When her fingers stumbled over several chords she heard her grandfather harrumph in disapproval Straithe slowly turned her way inclined his head ever so slightly and smiled again all the while continuing to sing Was the duke offering her encouragement Could his heart be thawing toward her just a little KEYWORDS alpha male marriage of convenience virgin Regency romance London Season The Promise Bride Becca Whitham, Gina Welborn, 2017-08-30 This heart tugging story gives the reader a bit of everything mystery faith and romance with a charming frontier sheriff Scarlett Dunn author of Last Promise In a booming frontier town a heavenly match may be in store for mail order brides seeking a fresh start women of strength and spirit who embrace the challenges of life and love in the wild Montana Territory Determined to save her father and siblings from a crumbling Chicago tenement Emilia Stanek becomes the long distance bride of a Montana rancher But when she arrives in Helena a rugged lawman shatters her plans with the news that her husband is dead and deeply in debt County sheriff Mac McCall can t afford to be distracted by

Promised Brides ,2019 The book Promised Brides constitutes the most systematic and coherent research in the phenomenon of promised brides as practiced during the first generation of Greek migration to Australia between 1950 and 1975 The study attempts its interpretation from the perspective of oral history gender studies and cultural critical theory Its primary material is drawn from personal testimonies given in the form of interviews to the writer by a number of the brides themselves The texts of these oral testimonies constitute the central core through which the experience of migration is investigated from the perspective of women with special emphasis on the institution of arranged marriages This was an almost undisputed law and custom during the early post war migration wave out of Greece The book seeks to cover an immense gap in the existing bibliography by closely studying the individuality of the women themselves and the way they felt reacted and experienced the reality of an arranged marriage with a man they had not ever seen before Simultaneously in its introduction it analyses the experience of migration itself which represents the social and psychological background of all the testimonies and lived experiences By drawing from their stories we are able to re interpret the emotional realities of many promised brides and ultimately see them as individual personalities by following their personal adventure exploring their existential ambivalence and finally understanding through them the social cultural and political function of the institution of arranged marriage The study constitutes a fresh radical approach to a practice that defined the first generation of migrants and determined the cultural cohesion of the Greek Australian community It also makes a significant contribution to the overall studies regarding the Greek Australian experience beginning with a historiographical approach from below and giving voice to all those women whose life stories were always excluded from the official narratives of migration **Promised Brides** Mary Jo Putney, Candace Camp, Julie Tetel Andersen, 1994 The Wedding of the Century Sarah Vangelder Stunningly beautiful extraordinarily wealthy and sold to the highest bidder for the price of a dukedom Jesse's Wife Amy McAlister The

battered woman to leave her husband for her own safety Noah cautions the woman to try to work things out and when the abuse ends in tragedy it s the last straw for the already doubtful priest Despondent and shaken he announces his resignation to the church Only with Beth's faith and love and a little help from the community can Noah find his way back to the life and calling God has always intended for him Ku Waru Francesca Merlan, Alan Rumsey, 1991-03-29 The highlanders of New Guinea are renowned for their elaborate systems of ceremonial exchange Although much has been written about them previous accounts have concentrated far less on the conduct of exchange events than on the structure of exchange systems This 1991 book deals centrally with the conduct of particular exchange events and shows through examination of them how larger social structures are reproduced and transformed As part of the emphasis on exchange as social action the book closely examines the oratory that plays a crucial part in the events Basing their study on original fieldwork carried out in the Nebilyer Valley Francesca Merlan and Alan Rumsey focus on an inter related set of large scale compensation payments which arose out of an episode of warfare This book furthers our understanding of the interaction between social structures and historical events and particularly of the crucial role of talk It will be of special interest to anthropologists and linguists
