## **Promised Land Death And Life In El Salvador:**

Promised Land Scott Wright, 1994 As a Catholic lay missionary Scott Wright spent a decade living and working with the poor people of the land ironically called Savior El Salvador In this memoir he offers a tribute to the courage and faith of the Salvadorans recounting the years of war and struggle and ending with the recent declaration of peace and the dawn of a new hope From refugee camps to decimated villages to the capital of San Salvador Wright traces a hard journey of faith Back cover

**The Jesuit Martyrs of El Salvador** Joseph E. Mulligan, 2010-05-01 The Aims and Means of the Catholic Worker Reprinted from The Catholic Worker newspaper May 2019 86th Anniversary Issue The aim of the Catholic Worker movement is to live in accordance with the justice and charity of Jesus Christ Our sources are the Hebrew and Greek Scriptures as handed down in the teachings of the Roman Catholic Church with our inspiration coming from the lives of the saints men and women outstanding in holiness living witnesses to Your unchanging love Preface to the Eucharistic Prayer for holy men and women This aim requires us to begin living in a different way We recall the words of our founders Dorothy Day who said God meant things to be much easier than we have made them and Peter Maurin who wanted to build a society where it is easier for people to be good

**El Salvador: Blood on All Our Hands** George Thurlow, 2024-03-01 On April 29 1981 American journalist George Thurlow was shot by members of the El Salvador Treasury Police on a jungle road in San Salvador His 29 year old driver Gilberto Moran was killed and Associated Press photographer Joaquin Zuniga was seriously injured in the shooting Thurlow left El Salvador two days later to receive medical treatment in the U S In 2000 he began a more than two decade search to find Gilberto Moran s grave and some form of personal redemption El Salvador Blood On All Our Hands details that search and introduces us to those who fought in the civil war U S aid workers helping to rebuild the tiny country as well as every day Salvadorans who suffered through a war that killed 70 000 of their fellow citizens Many Salvadorans have decided it is time to move on from focusing on the war as their country enters a new era The U S officials who supplied weapons and encouragement to the Salvadoran government its security forces and the murderous death squads have never been held accountable In El Salvador a Truth Commission has identified those most responsible for the assassinations and murder of priests journalists and opposition leaders This book is intended to document a moment in Salvadoran history when the United States government was responsible for a cruel carnage and to illustrate how American citizens are attempting to repair the damage

**Seeds of the Kingdom** Anna L. Peterson, 2005-11-17 In these skeptical and disillusioned times there are still groups of people scattered throughout the world who are trying to live out utopian dreams These communities challenge the inevitability and morality of dominant political and economic models By putting utopian religious ethics into practice they attest to the real possibility of social alternatives In Seeds of the Kingdom Anna L Peterson reflects on the experiences of two very different communities one inhabited by impoverished former refugees in the mountains of El Salvador and the other by Amish farmers in the Midwestern U S What makes these groups stand out among advocates of

environmental protection political justice and sustainable development is their religious orientation They aim without apology to embody the reign of God on earth The Salvadoran community is grounded in Roman Catholic social thought while the Amish adhere to Anabaptist tradition Peterson offers a detailed portrait of these communities history social organization religious life environmental values and agricultural practices She discovers both practical and ideological commonalities in these two comparatively successful and sustainable communities including a strong collective identity deep attachment to local landscapes a desire to preserve non human as well as human lives and perhaps unexpectedly a utopian horizon that provides both goals and the hope of reaching them By examining the process by which people struggle to live according to a transcendent value system she sheds light on both the actual and the potential place of religion in public life Peterson argues that the Amish and Salvadoran communities geographically and culturally removed from the industrialized West have relevance for the political and environmental problems of the developed world These communities have succeeded in the face of significant internal and external challenges offering important practical and theoretical lessons on how to achieve ecological sustainability and social justice in the wider world

#### **Liberation Technology in El Salvador**

Summer Harlow, 2017-05-17 This ethnographic study explores how four alternative media projects in El Salvador integrated digital technologies particularly social media into their practices and whether incorporating these technologies affected citizen participation not only in the media production process but in a broader discursive sphere of civic and political life as well Summer Harlow investigates the factors that influence the extent to which alternative media producers are able to use digital tools in liberating ways for social change by opening a space for participation in technology as content producers and through technology as engaged citizens The book advances existing literature with two main contributions extending our understanding of the digital divide to include inequalities of social media use and including technology use whether liberating or not as a fundamental component of a mestizaje approach to the study of alternative media

**Insurgency** Ralph Sprenkels, 2018-04-30 El Salvador's 2009 presidential elections marked a historical feat Frente Farabundo Mart para la Liberaci n Nacional FMLN became the first former Latin American guerrilla movement to win the ballot after failing to take power by means of armed struggle In 2014 former comandante Salvador S nchez Cer n became the country's second FMLN president After Insurgency focuses on the development of El Salvador's FMLN from armed insurgency to a competitive political party At the end of the war in 1992 the historical ties between insurgent veterans enabled the FMLN to reconvert into a relatively effective electoral machine However these same ties also fueled factional dispute and clientelism Drawing on in depth ethnographic fieldwork Ralph Sprenkels examines El Salvador's revolutionary movement as a social field developing an innovative theoretical and methodological approach to the study of insurgent movements in general and their aftermath in particular while weaving in the personal stories of former revolutionaries with a larger historical study of the civil war and of the transformation process of wartime forces into postwar political contenders This allows Sprenkels to

shed new light on insurgency's persistent legacies both for those involved as well as for Salvadoran politics at large. In documenting the shift from armed struggle to electoral politics, the book adds to ongoing debates about contemporary Latin America politics, the pink tide, and post-neoliberal electoralism. It also charts new avenues in the study of insurgency and its aftermath.

**Landscapes Of Struggle** Aldo A. Lauria, 2017-03-13 During the 1980s El Salvador's violent civil war captured the world's attention. In the years since, the country has undergone dramatic changes. *Landscapes of Struggle* offers a broad interdisciplinary assessment of El Salvador from the late nineteenth century to the present, focusing on the ways local politics have shaped the development of the nation. Proceeding chronologically, these essays by historians, political scientists, sociologists, and anthropologists explore the political, social, and cultural dynamics governing the Salvadoran experience, including the crucial roles of land, the military, and ethnicity; the effects of the civil war and recent transformations, such as the growth of a large Salvadoran diaspora in the United States. Taken together, they provide a fully realized portrait of El Salvador's troublesome past, transformative present, and uncertain future.

**The Cambridge History of Religions in Latin America** Virginia Garrard-Burnett, Paul Freston, Stephen C. Dove, 2016-04-11 The *Cambridge History of Religions in Latin America* covers religious history in Latin America from pre-Conquest times until the present. This publication is important first because of the historical and contemporary centrality of religion in the life of Latin America; second, for the rapid process of religious change which the region is undergoing; and third, for the region's religious distinctiveness in global comparative terms, which contributes to its importance for debates over religion, globalization, and modernity. Reflecting recent currents of scholarship, this volume addresses the breadth of Latin American religion, including religions of the African diaspora, indigenous spiritual expressions, non-Christian traditions, new religious movements, alternative spiritualities, and secularizing tendencies.

**Priest Under Fire** Peter M. Sánchez, 2015-12-09 Through interviews with David Rodríguez and a good helping of critical historical context, Sánchez illustrates the extent to which some religious leaders played pivotal roles in the popular movement of El Salvador's political crisis of the 1970s and 1980s.

**Latin American Liberation Theology** David Tombs, 2021-11-08 David Tombs offers an accessible introduction to the theological challenges raised by Latin American Liberation and a new contribution to how these challenges might be understood as a chronological sequence. Liberation theology emerged in the 1960s in Latin America and thrived until it reached a crisis in the 1990s. This work traces the distinct developments in thought through the decades, thus presenting a contextual theology. The book is divided into five main sections: the historical role of the church from Columbus's arrival in 1492 until the Cuban revolution of 1959; the reform and renewal decade of the 1960s; the transitional decade of the 1970s; the revision and redirection of liberation theology in the 1980s; and a crisis of relevance in the 1990s. This book offers insights into liberation theology's profound contributions for any socially engaged theology of the future and is crucial to understanding liberation theology and its legacies. This publication has also been published in paperback; please click here for details.

**The Ground Beneath the Cross** Kevin F.

Burke,2000-02-04 This book is the first comprehensive analysis of the thought of Ignacio Ellacur a the Jesuit philosopher theologian martyred for his work on behalf of Latin America s oppressed peoples While serving as president of the Jesuit run University of Central America in the midst of El Salvador s brutal civil war Ellacur a was also a prolific writer His advocacy on behalf of the country s persecuted majority provoked the enmity of the Salvadoran political establishment On November 16 1989 members of the Salvadoran military entered the university s campus and murdered Ellacur a along with five other Jesuit priests and two women Kevin F Burke SJ shows why Ellacur a is significant not only as a martyr but also as a theologian Ellacur a effectively integrated philosophy history anthropology and sociopolitical analysis into his theological reflections on salvation spirituality and the church to create an original contribution to liberation theology Ellacur a s writings directly address one of the most vexing issues in theology today can theologians account for the demands arising from both the particularity of their various social historical situations and also the universal claims of Christian revelation Burke explains how Ellacur a bases theology in a philosophy of historical reality the ground beneath the cross and interprets the suffering of the crucified peoples in the light of Jesus crucifixion Ellacur a thus inserts the theological realities of salvation and transcendence squarely within the course of human events and he connects these to the Christian mandate to take the crucified peoples down from their crosses Placing Ellacur a s thought in the context of historical trends within the Roman Catholic Church particularly Vatican II and the rise of liberation theology in Latin America Burke argues that Ellacur a makes a distinctive contribution to contemporary Catholic theology

**Walking on Fire** Beverly Bell,Edwidge

Danticat,2013-07-24 Haiti long noted for poverty and repression has a powerful and too often overlooked history of resistance Women in Haiti have played a large role in changing the balance of political and social power even as they have endured rampant and devastating state sponsored violence including torture rape abuse illegal arrest disappearance and assassination In Walking on Fire Beverly Bell an activist and an expert on Haitian social movements brings together thirty eight oral histories from a diverse group of Haitian women The interviewees include for example a former prime minister an illiterate poet a leading feminist theologian and a vodou dancer Defying victim status despite gender and state based repression they tell how Haiti s poor and dispossessed women have fought for their personal and collective survival The women s powerfully moving accounts of horror and heroism can best be characterized by the Creole word istwa which means both story and history They combine theory with case studies concerning resistance gender and alternative models of power Photographs of the women who have lived through Haiti s recent past accompany their words to further personalize the interviews in Walking on Fire

**Theological Vision** Edgardo Colón-Emeric, 2018-10-30 This ambitious book examines Saint Oscar Romero's words to understand how his thoughts fit into the broader context of Catholic theology On March 24 1980 Archbishop Oscar Romero was assassinated as he celebrated mass in El Salvador He was canonized as a saint by Pope Francis on October 14 2018 Edgardo Colón Emeric explores the life and thought of Romero and his theological vision which finds its focus in the mystery of the transfiguration Romero is now understood to be one of the founders of liberation theology which interprets scripture through the plight of the poor His theological vision is most succinctly expressed by his saying Gloria Dei vivens pauper The glory of God is the poor who lives God's glory was first revealed through Christ to a landless tenant farmer a market woman and an unemployed laborer and they received the power to shine from the church to the world Colón Emeric's study is an exercise in what Latino theologians call *ressourcement* from the margins or a return to theological foundations One of the first Latin American Church Fathers Romero's theological vision is a sign of the emergence of Christianity in the Global South from reflection Church to source Church The hope for this study is that scholars in the fields of theology religious studies and Latin American studies will be captivated by the doctrine of this humble pastor and inspired to think more clearly and act more decisively in solidarity with the poor **The Millennial New World** Frank Graziano, 1999 This is a study of

millennialism the idea that something climactic will happen in the year 2000 in Latin America from the pre-Columbian period up to the present **Encyclopedia of Conflicts Since World War II** James Ciment, 2015-03-27 Thoroughly revised to include 25 conflicts not covered in the previous edition as well as expanded and updated information on previous coverage this illustrated reference presents descriptions and analyses of more than 170 significant post-World War II conflicts around the globe Organized by region for ease of access Encyclopedia of Conflicts Since World War II Second Edition provides clear in-depth explanations of events not covered in such detail in any other reference source Including more than 180 detailed maps and 150 photos the set highlights the conflicts that dominate today's headlines and the events that changed the course of late twentieth-century history **Beyond Displacement** Molly Todd, 2010-12-22 During the civil war that wracked El Salvador from the mid 1970s to the early 1990s the Salvadoran military tried to stamp out dissidence and insurgency through an

aggressive campaign of crop burning kidnapping rape killing torture and gruesome bodily mutilations Even as human rights violations drew world attention repression and war displaced more than a quarter of El Salvador's population both inside the country and beyond its borders Beyond Displacement examines how the peasant campesinos of war torn northern El Salvador responded to violence by taking to the hills Molly Todd demonstrates that their flight was not hasty and chaotic but was a deliberate strategy that grew out of a longer history of collective organization mobilization and self defense

**The War on Terrorism and the Terror of God** Lee Griffith, 2004 Uniquely relevant in a world shaken by recent acts of terror this title calls people of faith to the way of peace the Christian response to evil and violence

**Systematic Theology** Jon Sobrino, Ignacio Ellacuria, 2015-03-31

*From Popular to Insurgent Intellectuals* Leigh Binford, 2022-12-09 From Popular to Insurgent Intellectuals explains how a group of Catholic lay catechists educated in liberation theology came to take up arms and participate on the side of the rebel FMLN during El Salvador's revolutionary war 1980-92 In the process they became transformed from popular intellectuals to insurgent intellectuals who put their organizational and cognitive skills at the service of a collective effort to create a more egalitarian and democratic society The book highlights the key roles that peasant catechists in northern Morazan played in disseminating liberation theology before the war and supporting the FMLN during it as quartermasters political activists and musicians among other roles Throughout From Popular to Insurgent Intellectuals highlights the dialectical nature of relations between Catholic priests and urban revolutionaries among others in which the latter learned from the former and vice versa Peasant catechists proved capable at making independent decisions based on assessment of their needs and did not simply follow the dictates of those with superior authority and played an important role for the duration of the twelve year military conflict
