Promised Land The Great Black Migration:

The Promised Land Nicholas Lemann,1992-03-31 A New York Times bestseller the groundbreaking authoritative history of the migration of African Americans from the rural South to the urban North A definitive book on American history The Promised Land is also essential reading for educators and policymakers at both national and local levels *The Promised Land* Nicholas Lemann,1991 A look at the flight of African Americans from the rural South to the urban North between 1940 and 1970 presents the migrants stories about everything from rural sharecropper shacks to urban housing projects Reprint 50 000 first printing *The Promised Land* Nicholas Lemann,2011-08-24 A New York Times bestseller the groundbreaking authoritative history of the migration of African Americans from the rural South to the urban North A definitive book on American history The Promised Land is also essential reading for educators and policymakers at both national and local levels **Promised Land: The Great Black Migration and How It Changed America** Nicholas Lemann,1992-01-01 A New York Times bestseller the groundbreaking authoritative history of the migration of African Americans from the rural South to the urban North A definitive book on American history The Promised Land is also essential reading for educators and policymakers at both national and local levels **Bound for the Promised Land** Michael L. Cooper,1995 Recounts the period during the early twentieth century when approximately one million African Americans left the South for the promise of a better life in the North and Midwest *The Great Black Migration* Steven A. Reich,2014-04-17 Treating broad themes as well as specific topics this guide to the Great Black Migration will introduce high school students to a touchstone critical to shaping the history of African Americans in the United States The movement of Southern blacks to the urban North and West over the course of the 20th century had a profound impact on black life affecting everything from politics and labor to literature and the popular arts This encyclopedia provides readers and researchers with a comprehensive reference work on this central topic of African American history exploring the breadth of the black migration experience from its origins in the agricultural economy of the post Civil War South to the return migration of the late 20th century Entries cover such topics as the destinations that attracted black migrants the impact of the Great Migration on black religion the relationship between migration and black politics and the patterns of discrimination and racial violence migrants encountered Unlike more general reference works on African American history each entry in the encyclopedia situates its subject within the context of black migration and articulates connections between the subject of the entry and the overall history of the migration *The Great Black Migrations* Liz Sonneborn,2010 History of the mass migration of African Americans from the South to the North during the twentieth century The Myths That Made America Heike Paul,2014-08-15 This essential introduction to American studies examines the core foundational myths upon which the nation is based and which still determine discussions of US American identities today These myths include the myth of discovery the Pocahontas myth the myth of the Promised Land the myth of the Founding Fathers the melting pot myth the myth of the West and the myth of the self made man The chapters

provide extended analyses of each of these myths using examples from popular culture literature memorial culture school books and every day life Including visual material as well as study questions this book will be of interest to any student of American studies and will foster an understanding of the United States of America as an imagined community by analyzing the foundational role of myths in the process of nation building **Bound For the Promised Land** Milton C.

Sernett,1997-10-13 Discusses the migration of African Americans from the south to the north after WWI through the 1940s and the effect this had on African American churches and religions **Encyclopedia of War and American Society** Peter

Karsten,2006 Publisher description **Migrants Against Slavery** Philip J. Schwarz,2001 A significant number of eighteenth and nineteenth century Virginians migrated north and west with the intent of extricating themselves from a slave society All sought some kind of freedom whites who left the Old Dominion to escape from slavery refused to live any longer as slave owners or as participants in a society grounded in bondage fugitive slaves attempted to liberate themselves free African Americans searched for greater opportunity In Migrants against Slavery Philip J Schwarz suggests that antislavery migrant Virginians both the famous such as fugitive Anthony Burns and abolitionist Edward Coles and the lesser known deserve closer scrutiny Their migration and its aftermath he argues intensified the national controversy over human bondage playing a larger role than previous historians have realized in shaping American identity and in Americans effort to define the meaning of freedom **Staging Migrations toward an American West** Marta Effinger-Crichlow,2014-10-15 Staging

Migrations toward an American West examines how black women s theatrical and everyday performances of migration toward the American West expose the complexities of their struggles for sociopolitical emancipation While migration is often viewed as merely a physical process Effinger Crichlow expands the concept to include a series of symbolic internal journeys within confined and unconfined spaces Four case studies consider how the featured women activist Ida B Wells singer Sissieretta Black Patti Jones World War II black female defense industry workers and performance artist Rhodessa Jones imagined and experienced the American West geographically and symbolically at different historical moments Dissecting the varied ways they used migration to survive in the world from the viewpoint of theater and performance theory Effinger Crichlow reconceptualizes the migration histories of black women in nineteenth and twentieth century America This interdisciplinary study expands the understanding of the African American struggle for unconstrained movement and full citizenship in the United States and will interest students and scholars of American and African American history women and gender studies theater and performance theory **African American Culture** Omari L. Dyson,Judson L. Jeffries

Ph.D.,Kevin L. Brooks,2020-07-23 Covering everything from sports to art religion music and entrepreneurship this book documents the vast array of African American cultural expressions and discusses their impact on the culture of the United States According to the latest census data less than 13 percent of the U S population identifies as African American African Americans are still very much a minority group Yet African American cultural expression and strong influences from African

American culture are common across mainstream American culture in music the arts and entertainment in education and religion in sports and in politics and business African American Culture An Encyclopedia of People Traditions and Customs covers virtually every aspect of African American cultural expression addressing subject matter that ranges from how African culture was preserved during slavery hundreds of years ago to the richness and complexity of African American culture in the post Obama era The most comprehensive reference work on African American culture to date the multivolume set covers such topics as black contributions to literature and the arts music and entertainment religion and professional sports It also provides coverage of less commonly addressed subjects such as African American fashion practices and beauty culture the development of jazz music across different eras and African American business

The Bible in History David W. Kling, 2004 No one can doubt that the Bible has exerted a tremendous influence on Western civilization since the dawn of Christianity In this book Kling traces the story of how specific biblical texts have emerged to be the inspiration of movements and collective responses that have changed the course of history

Women Writing Women Patricia Hart, Karen Weathermon, Susan Hodge Armitage, 2006-01-01 By merging scholarly writing with personal life stories Women Writing Women creates a new setting for communicating the unique experiences of women The interdisciplinary nature of this volume incorporating authors ideas on identity gender and social realities illuminates a rich diversity of experiences To give voice to the different realities women live in and write from the editors have divided the anthology into four sections writing about the self writing about the family and other intimate relationships writing about the women they study and writing about women from sources such as diaries and letters Within this framework women touch on subjects such as ethnicity sexuality motherhood and feminist versus traditional values The result is a collection of essays that pays tribute to women s complex realities and to their critical creativity in writing about those realities

The Era of Modernization Through the 1930s Kathy Sammis, 2000 Topics include The Progressive Era The United States and World Affairs The Roaring Twenties Great Depression The New Deal See other Focus on U S History titles

Household Workers Unite Premilla Nadasen, 2015-08-25 Telling the stories of African American domestic workers this book resurrects a little known history of domestic worker activism in the 1960s and 1970s offering new perspectives on race labor feminism and organizing In this groundbreaking history of African American domestic worker organizing scholar and activist Premilla Nadasen shatters countless myths and misconceptions about an historically misunderstood workforce Resurrecting a little known history of domestic worker activism from the 1950s to the 1970s Nadasen shows how these women were a far cry from the stereotyped passive and powerless victims they were innovative labor organizers who tirelessly organized on buses and streets across the United States to bring dignity and legal recognition to their occupation Dismissed by mainstream labor as unorganizable African American household workers developed unique strategies for social change and formed unprecedented alliances with activists in both the women s rights and the black freedom movements Using storytelling as a form of activism and as means

of establishing a collective identity as workers these women proudly declared We refuse to be your mammies nannies aunties uncles girls handmaidens any longer With compelling personal stories of the leaders and participants on the front lines Household Workers Unite gives voice to the poor women of color whose dedicated struggle for higher wages better working conditions and respect on the job created a sustained political movement that endures today Winner of the 2016 Sara A Whaley Book Prize

Surrogate Suburbs Todd M. Michney, 2017-02-08 The story of white flight and the neglect of Black urban neighborhoods has been well told by urban historians in recent decades Yet much of this scholarship has downplayed Black agency and tended to portray African Americans as victims of structural forces beyond their control In this history of Cleveland's Black middle class Todd Michney uncovers the creative ways that members of this nascent community established footholds in areas outside the overcrowded inner city neighborhoods to which most African Americans were consigned In asserting their right to these outer city spaces African Americans appealed to city officials allied with politically progressive whites notably Jewish activists and relied upon both Black and white developers and real estate agents to expand these surrogate suburbs and maintain their livability until the bona fide suburbs became more accessible By tracking the trajectories of those who in spite of racism were able to succeed Michney offers a valuable counterweight to histories that have focused on racial conflict and Black poverty and tells the neglected story of the Black middle class in America's cities prior to the 1960s

The Global Obama Dinesh Sharma, Uwe P. Gielen, 2013-12-17 The Global Obama examines the president's image in five continents and more than twenty countries It is the first book to look at Barack Obama's presidency and analyze how Obama and America are viewed by publics governments and political commentators around world The author of *Barack Obama in Hawaii and Indonesia: The Making of a Global President* Top 10 Black History Book scaled the globe to gather opinions cultural historical and political analyses about Obama's leadership style Writers journalists psychologists consultants and social scientists present their views on Obama's leadership popularity and many of the global challenges that still remain unresolved As a progress report this is the first book that tries to grasp the Obama phenomenon in totality as perceived by populations around the world with special focus on America's leadership in the 21st Century

Men and Women Adrift Nina Mjagkij, Margaret Ann Spratt, 1997-07 The YMCA and the YWCA have been an integral part of America's urban landscape since their emergence almost 150 years ago Yet the significant influence these organizations had on American society has been largely overlooked *Men and Women Adrift* explores the role of the YMCA and YWCA in shaping the identities of America's urban population Examining the urban experiences of the single young men and women who came to the cities in search of employment and personal freedom these essays trace the role of the YMCA and the YWCA in urban America from the mid nineteenth century to the present The contributors detail the YMCA's early competition with churches and other urban institutions the association's unique architectural style their services for members of the working class African Americans and immigrants and their role in defining gender and sexual identities The volume

includes contributions by Michelle Busby Jessica Elfenbein Sarah Heath Adrienne Lash Jones Paula Lupkin Raymond A Mohl Elizabeth Norris Cliff Putney Nancy Robertson Thomas Winter and John D Wrathall
