The Nigerian Nightmare Christian Okoye, 2023-11-07 An essential and improbable football story that crosses continents cultures and sports Christian Okoye never dreamed of playing football He passed hours playing soccer each day in Enugu Nigeria until he outgrew the sport physically His focus shifted to track and field honing an elite talent for discus throw that brought him to Azusa Pacific University in California Only when those Olympic dreams were inexplicably dashed did he pick up a football for the first time at age 23 By 1987 Okoye was one of the NFL s most beguiling draft prospects a 260 pound running back who was the picture of raw unstoppable athleticism The Kansas City Chiefs selected him in the second round and the Nigerian Nightmare was born In this timely autobiography Okoye unfolds his life story from the heart detailing a childhood upended by civil war his unconventional path to football and his glory years with the Chiefs He also candidly discusses the darker facets of his American dream an existence filled with chronic pain and memory loss which forces Okoye to grapple honestly with the biggest question If he had to do it all over again would he play football New York Court of Appeals.
