[Ed.] by the author of 'Sunshine and Starlight'.* (M.H.S.). M H S, 1879 *Promise and Prayer* Anthony C. Thiselton, 2020-11-12 In the Bible promise and prayer are essential and connected components of the inter personal relationship between God and his people And both promise and prayer are kinds of action undertaken by means of speaking utterances philosophers refer to as speech acts In the case of promises this is clear they constitute firm commitments to act in certain ways under appropriate conditions This book considers biblical examples of divine promise from both Old and New Testaments All speech acts depend upon institutional facts and Thiselton argues that in the biblical writings Divine promises are based on the prior institution of God's covenant That same covenant

forms the institutional context of prayer Thiselton shows how different kinds of prayer blessing thanksgiving and praise petition and intercession count as speech acts in different ways and to different degrees

Prayers of Jewish Women Markus H. McDowell,2006 Markus McDowell examines how the literature of the Second Temple period portrays women at prayer through an examination of the literary context and character of those prayers The goal of this work is a greater understanding of how women were portrayed in literary sources and an offering of some fresh insights for the study of women s religious and social roles in the ancient world The texts are analyzed and categorized within five areas social location content form occasion and gender perspective The prayers are also compared and contrasted

with men's prayers in the same sources. The analysis includes locating as much as possible the historical literary and cultic context of each document in which these prayers appear. By examining all prayers in these texts uttered by women not just prayers of named or prominent women and then comparing them with all the prayers of men in those same texts, certain patterns appear. This study adds to our knowledge of women and religion in Second Temple Judaism by primarily exploring patterns that appear among the prayers in the literature of the Second Temple period. While there are fewer prayers by women than men in this literature, the prayers of women are not portrayed as significantly different from those of men in terms of social location, content, form, or occasion. At the same time, the prayers of women exhibit other patterns of language and in a minor way form and occasion that differ from the prayers of men.

The Presbyterian, 1902 *Promises to Confess To* Elder Harvey Marshall, 2012-07-23. Author Harvey Marshall gleaned great thoughts, ideas, and inspiration while reading the Bible, and he wanted to share what he found with others. At first, he texted the encouraging words he learned by cell phone. Then he sent them via e-mail, and finally he created a website with which to share the good news. In *Promises to Confess to*, Marshall shares these lessons gleaned from Scripture readings and discusses the meanings behind the encouraging words and the promises from God that are a part of the Bible's message. He follows each short inspiration with a confession or prayer that relates to the discussion. *Promises to Confess to* provides a lens through which to look at God and to appreciate the many colors that his glory has allowed to fall upon the earth.

The Promise Keepers Bryan W. Brickner, 1999-01-01. This informative book explores the ideological practices that construct the Promise Keepers movement while investigating the fundamentals of the Promise Keepers belief system. Based upon non-participant observations of events as well as in-depth interviews, *The Promise Keepers: Politics and Promises* studies the movement from the inside, providing a better understanding of this evangelical phenomenon. Examining the group from its modest beginning in 1990 of seventy men joining together in prayer, Bryan Brickner discusses the meaning of the movement in a social context. This book will be invaluable to scholars of religion, gender studies, and political theory.

All the Promises of the Bible Herbert Lockyer, 1990-03-27. Offers commentary upon those biblical passages which express God's promises to man.
