Promises To Keep Memorable Writings And Statements:

ROBERT F. KENNEDY: PROMISES TO KEEP ROBERT F. KENNEDY, 1969 **Promises to Keep** Robert F. Kennedy, 1969 The Promise of Public Service Michael M. Stahl, 2022-07-29 In the United States new government employees begin their careers by pledging their allegiance to the Constitution and by committing to conscientious service dedicated to solving public problems But what do public servants get in return For many a chance to serve provides public servants with a higher purpose as well as professional and personal meaning in their lives and careers In *The Promise of Public Service* Ideas and Examples for Effective Service Michael M Stahl a 40 year veteran in the executive and legislative branches of state and federal service demonstrates what makes public servants effective by offering useful ideas and examining the accomplishments of public servants throughout American history The book blends theory with practice exploring the role that attitudes and philosophy play throughout one's career offering practical implementation advice and demonstrating how one can measure success Undergraduate and graduate level courses will benefit from *The Promise of Public Service* as a resource and practitioners of public service in all its forms will benefit from these ideas and examples at any stage of their careers **Bobby Kennedy** Larry Tye, 2016-07-05 A multilayered inspiring portrait of RFK the most in depth look at an extraordinary figure whose transformational story shaped America Joe Scarborough *The Washington Post* NEW YORK TIMES BESTSELLER Soon to be a Hulu original series starring Chris Pine Larry Tye appears on CNN's *American Dynasties: The Kennedys* We are in Larry Tye's debt for bringing back to life the young presidential candidate who almost half a century ago instilled hope for the future in angry fearful Americans David Nasaw *The New York Times Book Review* Bare knuckle operative cynical White House insider romantic visionary Robert F Kennedy was all of these things at one time or another and each of these aspects of his personality emerges in the pages of this powerful and perceptive biography History remembers RFK as a racial healer a tribune for the poor and the last progressive knight of a bygone era of American politics But Kennedy's enshrinement in the liberal pantheon was actually the final stage of a journey that began with his service as counsel to the red baiting senator Joseph McCarthy In *Bobby Kennedy* Larry Tye peels away layers of myth and misconception to capture the full arc of his subject's life Tye draws on unpublished memoirs unreleased government files and fifty eight boxes of papers that had been under lock and key for forty years He conducted hundreds of interviews with RFK intimates many of whom have never spoken publicly including Bobby's widow Ethel and his sister Jean Tye's determination to sift through the tangle of often contradictory opinions means that *Bobby Kennedy* will stand as the definitive biography about the most complex and controversial member of the Kennedy family Praise for *Bobby Kennedy* A compelling story of how idealism can be cultivated and liberalism learned Tye does an exemplary job of capturing not just the chronology of Bobby's life but also the sense of him as a person *Los Angeles Review of Books* Captures RFK's rise and fall with straightforward prose bolstered by impressive research *USA Today* Tye has a keen gift for narrative storytelling and an ability to depict his
