**Pyramid Prophecies** Max Toth,1988-03 The author of Pyramid Power reveals prophetic evidence concealed for centuries within the Great Pyramid of Giza and compares it with the prophecies of Edgar Cayce and Nostradamus      *King of the Jews* Margaret Barker,2014-04-17 The book starts with background chapters on the Jews Moses the King in the Old Testament and moves on to the King in the New Testament apart from John and then reaches its main focus on the Gospel of John Only John s Gospel says that Jesus was crucified as Jesus the Nazorean the King of the Jews Jesus was the keeper of the ways of the first temple in Jerusalem These had almost been lost when the Moses traditions came to dominate in the second temple period Jesus mission was to restore the ways of the original temple He entrusted his visions to John the Elder a priestly disciple in Jerusalem and John compiled them into the Book of Revelation Later John wrote his Gospel to show how the visions had been fulfilled The background to the Fourth Gospel is temple tradition John shows how Jesus debates with the Jews centred on the great difference between the world of the second temple and the world of the priest kings of the first temple from which Christianity emerged The Johannine community were the Hebrew disciples of Jesus who saw themselves as the true high priesthood restored Those at Qumran who worshipped as with the angels in heaven cannot have been very different from those who wrote and read John s gospel and the Book of Revelation The latter were the Hebrew Christian community who saw themselves as the heavenly throng Their Lamb on the throne opened a sealed book secret teaching and they were originally people chosen from all the twelve tribes of Israel to receive the Name of the Lord on their foreheads Rev 7 3 4 This vision was set in the early days of the first temple before the kingdom divided and it had become the hope for the future Taken from the Introduction      **Founding Fathers, Secret Societies** Robert Hieronimus,2005-12-28 An exploration of the influence of secret societies on the formative documents and symbols of the United States Reveals the Founding Fathers spiritual vision for America as encoded in the Great Seal Traces the influence of the Iroquois League of Nations upon the Constitution Exposes the deep connections the Founding Fathers had with the Freemasons and other secret societies All children growing up in America learn who the Founding Fathers were Most however never learn of the founders connections to the Freemasons the Rosicrucians and other esoteric orders In *Founding Fathers Secret Societies* Robert Hieronimus investigates these important connections and how their influence can be traced throughout our most significant national documents and symbols especially the Great Seal He reveals in detail how the reverse of the Great Seal which appears on the back of the one dollar bill is a blueprint that conveys the secret destiny of America By understanding the kabbalistic meaning of the Great Seal s reverse he shows how our current era presents unique opportunities for the fulfillment of our Founding

Schoch,Robert Aquinas McNally,2005-06-02 The Egyptologist acclaimed for re dating the Great Sphinx at Giza sets his sights  
on one of the true mysteries of antiquity the Great Pyramid of Giza What is the Great Pyramid of Giza Ask that basic question  
of a traditional Egyptologist and you get the basic traditional answer a fancy tombstone for a self important pharaoh of the  
Old Kingdom This Egyptologists argue is the sole finding based on the data and the only deduction supported by science By  
implication anyone who dissents from this point of view is unscientific and woolly minded a believer in magic and ghosts  
Indeed some of the unconventional ideas about the Great Pyramid do have a spectacularly fabulous ring to them Yet from  
beneath the obvious terms of this controversy a deeper more significant question arises how is it that the Great Pyramid  
exercises such a gripping hold on the human psyche adding cryptic grace to the back of the one dollar bill and framing  
myriad claims of New Age pyramid power In Pyramid Quest Robert M Schoch and Robert Aquinas McNally use the rigorous  
intellectual analysis of scientific inquiry to investigate what we know about the Great Pyramid and develop a stunning  
hypothesis This ancient monument is the strongest proof yet that civilization began thousands of years earlier than is  
generally thought extending far back into a little known time In tracing that story we come to understand not only the Great  
Pyramid but also our own origins as civilized beings      **Abstract of the prophecies, contained in the Old Testament ...**
