**Paula M. McNutt**

## **Prophecy And Society In Ancient Israel:**

Prophecy and Society in Ancient Israel Robert R. Wilson, Using comparative anthropology to get at the social dimensions of prophetic activity Robert Wilson's study brings the study of Israelite prophecy to a new level Looking at both modern societies and Ancient Near Eastern ones Wilson sketches the nature of prophetic activity its social location and its social functions He then shows how these features appear in Israelite prophecy and sketches a history of prophecy in Israel

Prophecy and Society in Ancient Israel Robert R. Wilson, 1973      **Prophecy and Society in Ancient Israel** Robert Wilson, 1980      **Reconstructing the Society of Ancient Israel** Paula M. McNutt, 1999-01-01 In this volume Paula McNutt provides a synthesis of recent research on the nature and development of the society of ancient Israel Focusing on Israelite history from the tribal period through the time of Persian domination McNutt employs a social scientific perspective to examine recent reconstructions of the social and cultural contexts that nurtured the literature of the Hebrew Bible She also offers a helpful overview of the components and dynamics of ancient Israelite society By investigating the intricate social processes that sustained the society of ancient Israel McNutt enables the reader to discern the forces at work during key periods of transition and transformation in early Israelite history      The World of Ancient Israel Society for Old Testament Study, 1989 Encapsulating as it does research that has been undertaken on the sociological anthropological and political aspects of the history of ancient Israel this important book is designed to follow in the tradition of works in the series sponsored by The Society for Old Testament Study which began with the publication of *The People and the Book* in 1925 *The World of Ancient Israel* is especially concerned to explore in greater depth than comparable studies the areas and degrees of overlap between approaches to the subject of Old Testament research adopted by scholars and students of theology and the social sciences Increasing numbers of scholars have recognised the valuable insights that can be gained from a cross disciplinary approach and it is becoming clear that the early biblical traditions about the formation of the Israelite state must be examined in the light of comparative anthropology if useful historical conclusions are to be drawn from them      *Ancient Israel's History* Bill T. Arnold, Richard S. Hess, 2014-11-11 The history of Israel is a much debated topic in Old Testament studies On one side are minimalists who find little of historical value in the Hebrew Bible On the other side are those who assume the biblical text is a precise historical record Many serious students of the Bible find themselves between these two positions and would benefit from a careful exploration of issues in Israelite history This substantive history of Israel textbook values the Bible's historical contribution without overlooking critical issues and challenges Featuring the latest scholarship the book introduces students to the current state of research on issues relevant to the study of ancient Israel The editors and contributors all top biblical scholars and historians discuss historical evidence in a readable manner using both canonical and chronological lenses to explore Israelite history Illustrative items such as maps and images visually support the book's content Tables and sidebars are also included      **A History of Prophecy in Israel, Revised and Enlarged** Joseph

Blenkinsopp,1996-10-01 This revised and enlarged edition of a classic in Old Testament scholarship reflects the most up to date research on the prophetic books and offers substantially expanded discussions of important new insight on Isaiah and the other prophets      *Social Theory and the Study of Israelite Religion* Saul M. Olyan,2012-06-22 This volume assesses past theoretically engaged work on Israelite religion and presents new approaches to particular problems and larger interpretive and methodological questions It gathers previously unpublished research by senior and mid career scholars well known for their contributions in the area of social theory and the study of Israelite religion and by junior scholars whose writing is just beginning to have a serious impact on the field The volume begins with a critical introduction by the editor Topics of interest to the contributors include gender violence social change the festivals the dynamics of shame and honor and the relationship of text to ritual The contributors engage theory from social and cultural anthropology sociology postcolonial studies and ritual studies Theoretical models are evaluated in light of the primary data and some authors modify or adapt theory to increase its utility for biblical studies The contributors are Susan Ackerman Stephen L Cook Ronald Hendel T M Lemos Nathaniel B Levtow Carol Meyers Saul M Olyan R diger Schmitt Robert R Wilson and David P Wright      **Old Testament Interpretation** Karl May,1995-12-01 This volume provides an introduction to the changing terrain of contemporary Old Testament Study The essays orient the reader to all the major sections of Old Testament study serving also to engage the reader in the work of Old Testament interpretation The Festschrift in honour of Gene M Tucker contains sections on the Torah the Prophets Writings and the Context of the books of the Old Testament The parts work in conjunction to give the reader a guide to the key issues in the history of interpretation of the Old Testament      **Interpreting the Old Testament** Craig C. Broyles,2001-10-01 A guide to essential aspects of Old Testament exegesis      *The Face of Old Testament Studies* David W. Baker,Bill T. Arnold,2004-10 Leading scholars provide an overview of current issues in Old Testament studies      *The Hebrew Prophets* Jack R. Lundbom,2010-01-01 A very useful summary of the Hebrew Bible s books of the prophets in a clear reader friendly form It is a practical introduction to the prophets and an invitation to delve ever further into their history and their words Richard Elliott Friedman Author of Who Wrote the Bible and The Disappearance of God Book Jacket      **Theology of the Old Testament** Walter Brueggemann,2012-06-01 In this powerful book Walter Brueggemann moves the discussion of Old Testament theology beyond the dominant models of previous generations Brueggemann focuses on the metaphor and imagery of the courtroom trial in order to regard the theological substance of the Old Testament as a series of claims asserted for Yahweh the God of Israel This provides a context that attends to pluralism in every dimension of the interpretive process and suggests links to the plurality of voices of our time      *Dictionary of the Old Testament: Prophets* G MCCONVILLE,MARK J BODA,2020-05-21 The writings of the prophets make up over a quarter of the Old Testament But perhaps no other portion of the Old Testament is more misunderstood by readers today For some prophecy conjures up knotted enigmas opaque oracles and terrifying visions of the future For others it raises expectations of a plotted out future to

be reconstructed from disparate texts And yet the prophets have imprinted the language of faith and imagination with some of its most sublime visions of the future nations streaming to Zion a lion lying with a lamb and endlessly fruiting trees on the banks of a flowing river We might view the prophets as stage directors for Israel s unfolding drama of redemption Drawing inspiration from past acts in that drama and invoking fresh words from its divine author these prophets speak a language of sinewed poetry their words and images arresting the ear and detonating in the mind For when Yahweh roars from Zion and thunders from Jerusalem the pastures of the shepherds dry up the crest of Carmel withers and the prophetic word buffets those selling the needy for a pair of sandals The Dictionary of the Old Testament Prophets is the only reference book of its kind Not only does it focus exclusively on the prophetic books it also plumbs their imagery of mountains and wilderness flora and fauna temple and Zion It maps and guides us through topics such as covenant and law exile and deliverance forgiveness and repentance and the Day of the Lord Here the nature of prophecy is searched out in its social historical literary and psychological dimensions as well as its synchronic spread of textual links and associations And the formation of the prophetic books into their canonical collection including the Book of the Twelve is explored and weighed for its significance Then too contemporary approaches such as canonical criticism conversation analysis editorial redaction criticism feminist interpretation literary approaches and rhetorical criticism are summed up and assayed Even the afterlife of these great texts is explored in articles on the history of interpretation as well as on their impact in the New Testament

Society Shaped by Theology Robin Gill, 2013 Society Shaped by Theology explores the possibility that theological concepts may sometimes still be influential in the modern world It follows in the tradition of Max Weber arguing that theological virtues and debates can at times be transposed wittingly or unwittingly into society at large Gill examines the unusual instance of the public debate about Honest to God in the 1960s but then turns to the current debate about faith and social capital adding fresh and unexpected evidence

Society Shaped by Theology Professor Robin Gill, 2013-05-28 Over the last thirty years a number of theologians have been using aspects of sociology alongside the more traditional resources of philosophy In turn sociologists with an interest in theology have also contributed to an interaction between theology and sociology The time is right to revisit the dialogue between theologians and sociologists In his new trilogy on Sociological Theology Robin Gill makes a renewed contribution to the mapping of three abiding ways of relating theology and sociology with the three volumes covering Theology in a Social Context Theology Shaped by Society Society Shaped by Theology Society Shaped by Theology explores the possibility that theological concepts may sometimes still be influential in the modern world It follows in the tradition of Max Weber arguing that theological virtues and debates can at times be transposed wittingly or unwittingly into society at large Robin Gill examines the unusual instance of the public debate about Honest to God in the 1960s but then turns to the current debate about faith and social capital adding fresh and unexpected evidence Finally Gill argues that bioethics in the public domain especially on global issues such as AIDS can be enriched and deepened by a judicious use of

theological virtues      **Dictionary of the Old Testament: Pentateuch** T. Desmond Alexander, David W. Baker, 2002-12-13 Exploring the major themes and issues of the Pentateuch this encyclopedic work offers authoritative overviews detailed examinations and new insights from the world of the ancient Near East Edited by T Desmond Alexander and David W Baker

**Narrativity in Biblical and Related Texts** George J. Brooke, Jean-Daniel Kaestli, 2000 Seventeen innovative studies are collected in this volume which has been produced under the aegis of the Centre for Biblical Studies University of Manchester and L Institut des sciences bibliques Universite de Lausanne The majority of the studies engage with narrative through providing insightful working examples Building on the many contributions of recent narratological research for the most part the studies in this collection avoid the technical language of narratology as they present fresh insights at many levels Some essays focus more on the implied author some on the implied reader or hearer and some on the way particular messages are constructed some of the studies consider how author message and reader are all interconnected There are several creative proposals for refining genre definition from law and wisdom to gospel and apocryphal writings Some studies highlight the way in which narratives can contain ethical religious and cultural messages Sensitivity to narrative is also shown by some contributors to expose in intriguing ways the redactional processes behind the final form of texts Students of narrative in the ancient world will find much to consider in this book and others engaged with literary studies more generally will discover that scholars of the worlds of the Bible and Late Antiquity have much to offer them      **Isaiah 1-39** Marvin Alan

Sweeney, 1996 1 Samuel is Volume VII of The Forms of the Old Testament Literature a series that aims to present a form critical analysis of every book and each unit in the Hebrew Bible Fundamentally exegetical the FOTL volumes examine the structure genre setting and intention of the biblical literature in question They also study the history behind the form critical discussion of the material attempt to bring consistency to the terminology for the genres and formulas of the biblical literature and expose the exegetical process so as to enable students and pastors to engage in their own analysis and interpretation of the Old Testament texts Antony Campbell s valuable form critical analysis of 1 Samuel highlights both the literary development of the text itself and its meanings for its audience A skilled student of the Hebrew scriptures and their ancient context Campbell shows modern readers the process of editing and reworking that shaped 1 Samuel s final form As Campbell s study reveals the tensions and contradictions that exist in the present text reflect a massive change in the way of life of ancient Israel Samuel the first prophet here emerges to preside over the rise of Saul Israel s first king to be the agent of Saul s rejection and to anoint David as Israel s next king and the first established head of a royal dynasty The book of 1 Samuel captures the work of God within this interplay of sociopolitical forces and Campbell fruitfully explores the text both as a repository of traditions of great significance for Israel and as a paradigm of Israel s use of narrative for theological expression      *Society and the Promise to David* William M. Schniedewind, 1999-06-03 In the second book of Samuel the prophet Nathan tells King David that God will give to him and his descendants a great and everlasting kingdom In this study

Schniedewind looks at how this dynastic Promise has been understood and transmitted from the time of its first appearance at the inception of the Hebrew monarchy until the dawn of Christianity. He shows in detail how over the centuries the Promise grew in importance and prestige. One measure of this growing importance was the Promise's ability to coax new readers into fresh interpretations.

## **Prophecy And Society In Ancient Israel** Book Review: Unveiling the Power of Words

## Prophecy And Society In Ancient Israel Introduction

In the digital age, access to information has become easier than ever before. The ability to download Prophecy And Society In Ancient Israel has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Prophecy And Society In Ancient Israel has opened up a world of possibilities. Downloading Prophecy And Society In Ancient Israel provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Prophecy And Society In Ancient Israel has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Prophecy And Society In Ancient Israel. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Prophecy And Society In Ancient Israel. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Prophecy And Society In Ancient Israel, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites

they are downloading from. In conclusion, the ability to download Prophecy And Society In Ancient Israel has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### FAQs About Prophecy And Society In Ancient Israel Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Prophecy And Society In Ancient Israel is one of the best book in our library for free trial. We provide copy of Prophecy And Society In Ancient Israel in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Prophecy And Society In Ancient Israel. Where to download Prophecy And Society In Ancient Israel online for free?
