Survive Anything: From the Wilderness to Man Made Disasters Martin K. Ettington, I recently wrote a book titled 33 Incredible Real Life Survival Stories which caused me to be amazed at how people have the persistence to live when confronted by dangerous and deadly situations I m an old student of survival First in my experiences with the Boy Scouts and then my experiences as an adult backpacker and general sports activities There are other books out there by Special Forces operators and they prescribe lots of useful information In this book I ve included a lot of that type of survival information but I also wanted to take a little different approach The Boy Scouts have been part of my life since I was a kid I was a Cub Scout a Boy Scout A scouting Eagle Scout and later Scoutmaster and Assistant Scoutmaster Later on I also became a member of the Knoxville Tennessee Volunteer Rescue Squad and a Private Pilot among many other things There is something to be said about the gradual acquiring of knowledge about survival and how it applies to how we live our lives So I ve taken that approach in this book starting with morals principles and the spiritual aspects of survival to the practical knowledge and then how that information can be generalized to most situations You can also bet that most military survival experts Seals and other Special Forces were probably Boy Scouts growing up too Most of them got their basis for survival skills and leadership skills in the Boy Scouts The Scout Motto is Be Prepared and planning ahead is essential for surviving unexpected situations Therefore in this book we will give you a lot of lists of things you should get as emergency supplies and what skills to know to survive The things you will learn about in this book are much of what we learned in the Scouts but we will be taking a deeper cut into the details **Victory in Bible Prophecy** Patricia Thomsen,2016-02-28 VICTORY IN BIBLE PROPHECY The

Ultimate Survival Guide to End Times If you are a Bible Prophecy devotee and aficionado this book was written for you

Patricia Thomsen's book begins with the Bible chapters then drills down into specific prophecies all backed up with Old and New Testament scriptures. She has pegged the prophecies with solid evidence and thoughtful commentary. Her description of the Hosea Prophecy is fresh and compelling. This is a major read in the book and perhaps a vital part of understanding God's Plan for Latter Days of the End Times. No one writes about this Minor Prophet's important and opportune message is one of Patricia's points of reflection. No right-minded author sets dates or delights in spreading any false predictions. Nevertheless, is it not prudent as a Christian to be armed with survival knowledge and understanding for the closing out of this earth age? Is it also not prudent to be mindful of the catching away of believers, the Rapture? Christ's offer of an easy and simple salvation which is open to all and the acceptance of our prayers 7x24x365 for believers only. Did you know faith and grace through the Holy Spirit will create a valuable lifelong and eternal place in God's plan of salvation through Jesus Christ for you? It is all here in *Victory in Bible Prophecy: the Ultimate Survival Guide to End Times*. Written by a Christian for a Christian and for soon-to-be Christians. Christians are called to understand the words of Revelation. A blessing awaits those who decide to learn and hear its wisdom. Christians are also called to spread God's word. Now is the time to start building your resources to do just that. In a world that has become excessively self-indulgent, it is time to regroup and get back to God. It is time to decide which path will be taken toward God or away from God. The Millennium and Eternity and all their glory await those who believe Jesus Christ came to this earth for many reasons. The ultimate reason included his supreme sacrifice for sin for the salvation of all. His endeavor was to make ONE decision easy for all peoples, but so many are not listening. Take time to understand what is happening by reading *Victory in Bible Prophecy: the Ultimate Survival Guide to End Times*. Prophecy is being completed before our eyes. We are experiencing end-time activities that lead to the end of this age. Are we there yet? No, but we are closer than ever before. Facts are facts; time does have an end. Read Patricia's new book *Victory*. She believes you won't be disappointed. Get your copy today.

Survival Guide for the New Millennium Byron Kirkwood, 1993. Inspired by Mary's Message to the World, Byron has compiled a manual to prepare for and survive the predicted physical earth changes. He has gathered hundreds of thoughtful suggestions and lists of supplies and materials which people should have on hand during natural emergencies and thereafter when smaller isolated communities may need to be self-reliant.
