E. Mejia, 2022-02-22 Is there a God that created us or did we all get here by chance as many atheist scientists speculate or theorize If there is a God what is he like and what does that mean for us Is the Bible his inspired and reliable word These may be some questions that the average person asks among others I try to answer these questions throughout the book I examine some evidence for creation I examine prophecies from the book of Daniel and Revelation that prove that Gods word is reliable and true I examine some popular doctrines such as whether the Bible supports the doctrine of eternal torment in hell A close inspection shows that it doesn't I also discuss many other important topics Also in the Christian world we are awaiting the return of Jesus Christ He promised he would return and all the promises that God has made he has kept And so I discuss how to get ready for his Second Coming and how to inherit eternal life Anyone no matter their past is welcomed by God And eternal life is a free gift *End Times Made Easy* Joseph Morris, 2022-06-21 75 Signs of Jesus Soon Return As the world grows more volatile with looming wars rampant pandemics and violence in the streets many people are wondering Is the end near YES But it's wonderful news Jesus is coming soon Sure there is plenty of bad news on the horizon but not for the Christian Jesus's *Armageddon* Charles Henry Titterton, 1916 **Wild Women** Simon Leigh, 2007-02 Steven Butts arrives in Canada to become a professor and race cars His girlfriend comes too Everything that can go wrong does Note to self Next time leave Eddie home Do not accept a job teaching something you know nothing about Canada is cold do not buy a British sports car On entering academia abandon all logic Hands off the student body Do not visit old girlfriend in London If you do avoid sleeping with her flat mate Never get

married to make yourself feel better Once married you will become strangely attractive to women Just say no On wife s Opening Night do not take a student Do not go car racing Do not crash It s a scream now but finding yourself lost in Canada wasn t so funny at the time
