Prophet Muhammad Leads The Nazarenes To Victory:

Prophet Muhammad Leads the Nazarenes to Victory , *Prophet Muhammad Leads the Nazarenes to Victory* Jamil Effarah, 2004-07-01 When the young Scottish prince Sir Gawaine took his oath as a Knight of the Round Table he had no way of knowing how sorely his commitment to his vows would be tested Then a Green Knight comes to court with a daring challenge a knight must try to sever the challenger s head with an ax but if he fails the knight must come to the Green Knight s Castle in a year and a day to submit to a return blow While the veteran knights stand silent before the dare Sir Gawaine steps forward to prevent King Arthur from doing so In his long journey to face his enchanted adversary Sir Gawaine will face loneliness hardship imprisonment torture death and damnation or lose his honor As he bravely faces his ordeal alone he is unaware that there is another knight trying to find the Green Knight before Sir Gawaine can his younger brother Sir Geheris As they cross the realm through the brutal cold of winter Sir Gawaine is determined not to lose his honor but the volatile Sir Geheris is equally determined not to lose his brother [Think Palestine](#) Jamil Effarah, 2013-09-13 Dr Effarahs weekly editorials and articles in this volume are based on developing events that took place involving the USA Administrations and their policies of support to Israel in the conflicts among Palestinians Arabs and Israelis This book is intended to those students teachers politicians executives policy makers and others who are interested or involved in the Middle East Dr Effarah interprets these events and policies as reflected by his six years 2007 2012 of writings that started since 1952 As an Arab American independent thinker he judges events according to their merits while acting as a participant observer to the one sided American policy toward the Middle East He records and highlights the facts in an attempt to find the key to unlock the Palestinian Arab and Israeli conflicts His personal feelings and interpretations towards the proceedings represent a major part in presenting the events that took place in that period Dr Effarah attempts to create a voice for Arab Americans to stand up and be counted and act as an integral part of the American society He keeps pressing for more American Arab participation in the political process for more transparency and for faster and farther reaching to the Americans hearts and minds by trying to make them understand the Arabs situations and Arab Christian Patrimony culture and heritage Dr Effarah attempts to create an Arab American balanced policy to reach Americans and convince them that there are special interests groups and influential lobbyists in Washington D C who misinform media and try to spin around while beholding to the fabricated Israeli points of view To counterbalance the Zionist efforts Arab Americans should think Palestine and ask the American citizens to find answers for why the American citizens the taxpayers give money outright to Israel more than 8 5 million per day according to the CIA Factbook in 2012 **What Are the Sacred Roots of Islam?** Jamil Effarah, 2016-06-16 Historians agree that Nazarenes or Al Nassarah in Arabic similar to Judaism was a source for knowledge and religious thoughts for the Arabs of Hijaz The Arab of Hijaz and specially Arab of Mecca had a tremendous knowledge in the Nazarene doctrines and sect and their opinion of Christs Birth His message and His crucifixion It was natural that such talks created a

feedback in their knowledge minds and dogma The only religion known to the Quran is the religion of Moses Moussa and Jesus Isa as one religion that was carried by the Nazarenes It is very important to remember that in history before Islam the term Nusrani and Nassarah the Nazarenes never used to represent the Christians and Christianity wherever they lived throughout their history The Nazarenes is the name confined to a sect of Beni Israel who believed in the coming of Christ and deflected from the main streams of Christianity since the first Council of the Churches that took place in Jerusalem in 49 AD Christians refer to them as the Shiites in relation to their Sunni Christianity in faith and in dogma With their presence in Mecca and Hijaz the name Nazarene prevailed as they had monopolized the Gospel The best proof is the Raheb Gregarious Buheira of Basra Ash sham who was labeled in Al Sira Al Nabawiah the caretaker of Isa on His religion and to whom Waraka Bin Nofal belonged Waraka Ben Nofal the Bishop of Nazarenes in Mecca was translating the Book and the Gospel of Mathews Hebrew in Aramaic to Arabic in the presence of Muhammad Dr Effarahs intention is to discuss in short that such important fact that deserves in depth study and research especially the Quran never used the term Christianity and Christians The only reference was to Jesus as Isa Bin Mariam and to the Nazarenes all the time Therefore any translation from Arabic into English for the Holy Quran is misleading if Isa is considered a presentation for Jesus Christ or any reference to the Nazarenes as Christians The Holy Quran can be looked at as a continuous dialogue with the people of the Book from Jews and Nazarenes The positions of testimony by the Nazarenes and their support to the Quranic call and their affiliations to that mission does not mean in the Quran except the Nazarenes of Beni Israel due to the Qurans position similar to their position from the trinity and the divinity of Christ The Arab Prophet direction is to follow the believers state of affairs Those are the ones to whom We have given the Book along with Discretion and Prophet hood Such are the ones whom God has guided so copy their guidance as stated in Sura Al Enaam 6 verses 89 90 This book What are the sacred roots of Islam verifies how monotheism was spread in Arabia through the teaching of the Book and the Gospel through the Nazarenes Arab tribes who accepted the Prophet Mohammad as their leader and helped in setting the foundation for the Arab tribes in the Arabian Peninsula to unite and to spread out into an Islamic Empire The current assumed Islamic State of Iraq and Levant ISIL does not represent the true concept of the sacred roots of Islam that created the Islamic Empire in the past Today ISIL is nothing more than a group of terrorists hiding behind a form of Islam of their own brutal imagination This book is written to those intellectuals who believe in the renewal innovation and knowledge production that makes that make the contemporary Arab mentality open to global psychological social and human interactions and that Democracy is the solution and not Islam that ISIL is calling for by slaughtering humanity and its antiquities

The Crusades: The flame of Islam: Saladin, the victory bringer; Baibars, the panther; Richard the Lion Heart; Saint Louis; Barbarossa Harold Lamb,1931 *The American Monthly Review of Reviews* Albert Shaw,1905 How to Manage it Iltudus Thomas Prichard,2022-04-05 Reprint of the original first published in 1864 How to manage it: a novel Iltudus Thomas Prichard,1864 **The American**

Monthly Review of Reviews ,1905 American Monthly Review of Reviews Albert Shaw,1905 **The Ghazi Sultans and the Frontiers of Islam** Ali Anooshahr,2008-11-19 The Ghazi Sultans were frontier holy warrior kings of late medieval and early modern Islamic history This book is a comparative study of three particular Ghazis in the Muslim world at that time demonstrating the extent to which these men were influenced by the actions and writings of their predecessors in shaping strategy and the way in which they saw themselves Using a broad range of Persian Arabic and Turkish texts the author offers new findings in the history of memory and self fashioning demonstrating thereby the value of intertextual approaches to historical and literary studies The three main themes explored include the formation of the ideal of the Ghazi king in the eleventh century the imitation thereof in fifteenth and early sixteenth century Anatolia and India and the process of transmission of the relevant texts By focusing on the philosophical questions of becoming and modelling Anooshahr has sought alternatives to historiographic approaches that only find facts ideology and legitimization in these texts This book will be of interest to scholars specialising in Medieval and early modern Islamic history Islamic literature and the history of religion **GUIDANCE TO THE UNCERTAIN IN REPLY TO THE JEWS AND THE NAZARENES** IMAM IBN QAYYIM AL JAWZIAH,2007-01-01 **Persian Betrayal** Terry Brennan,2020-07-28 An inherently riveting story by a novelist with a genuine flair for originality and a reader engaging narrative storytelling style Midwest Book Review How much can Brian Mullaney risk to serve God and save lives without losing his own DSS Regional Security Officer Brian Mullaney has been tasked with an incredibly dangerous mission When a synagogue in Jerusalem is destroyed by an explosion burying the second key prophecy Mullaney is hunting and the deadly box that protects it the answers he desperately needs are also crushed How can he discover the meaning of the centuries old prophecy now Why are he and the ambassador he s assigned to protect being targeted And is there any way this lone man can thwart a nuclear arms race between three ascendant empires of the past An otherworldly servant of evil known only as the Turk is maneuvering all three nations into an intricate dance designed to undermine prophecy about the end times And he won t let Mullaney or anyone else get in his way Wounded in a bloody shoot out pressured by his wife to come home and mourning the death of his best friend Mullaney doesn t need a powerful enemy Who is he to save the Ishmael Covenant the treaty promising peace in the Middle East Despite angelic intervention Mullaney wants nothing to do with his final assignment But without him evil will win the ultimate struggle and humankind will have no hope left Islam and the Trajectory of Globalization Louay M. Safi,2021-10-18 The book examines the growing tension between social movements that embrace egalitarian and inclusivist views of national and global politics most notably classical liberalism and those that advance social hierarchy and national exclusivism such as neoliberalism neoconservatism and national populism In exploring issues relating to tensions and conflicts around globalization the book identifies historical patterns of convergence and divergence rooted in the monotheistic traditions beginning with the ancient Israelites that dominated the Near East during the Axial age through Islamic civilization and finally by considering the idealism realism

tensions in modern times One thing remained constant throughout the various historical stages that preceded our current moment of global convergence a recurring tension between transcendental idealism and various forms of realism Transcendental idealism which prioritize egalitarian and universal values pushed periodically against the forces of realism that privilege established law and power structure Equipped with the idealism realism framework the book examines the consequences of European realism that justified the imperialistic venture into Africa the Middle East and Latin America in the name of liberation and liberalization The ill conceived strategy has ironically engendered the very dysfunctional societies that produce the waves of immigrants in constant motion from the South to the North simultaneously as it fostered the social hierarchy that transfer external tensions into identity politics within the countries of the North The book focuses particularly on the role played historically by Islamic rationalism in translating the monotheistic egalitarian outlook into the institutions of religious pluralism legislative and legal autonomy and scientific enterprise at the foundation of modern society It concludes by shedding light on the significance of the Muslim presence in Western cultures as humanity draws slowly but consistently towards what we may come to recognize as the Global Age The Open Access version of this book available at <http://www.taylorfrancis.com/books/e/9781003203360> has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license
